*Doing Digital Film History* Sarah-Mai Dang, Tim van der Heijden, Christian Gosvig Olesen, 2024-12-30 How has the digital turn shaped the practices of film historical research and teaching While computational approaches have been used by film historians since the 1960s and 1970s the arrival and use of digital tools and methods in recent decades has fundamentally changed the ways we search analyze interpret present and so think and write about film history from digital archival and curatorial practices data driven search and analysis of film historical collections to the visualization and dissemination of film historical materials online While film historians have increasingly embraced the new possibilities brought by digital technologies their practical epistemological and methodological implications need further exploration What opportunities does the digitization of film historical sources provide for film

historians What new questions can be raised by using digital methods What new perspectives emerge from analyzing interpreting and visualizing film historical data at the levels of both close and distant or scalable reading and viewing By focusing on the concepts tools and practices of digital film historiography this edited volume aims to contribute to a better understanding and critical reflection on the changes and continuities of doing film history in the digital age

*Transformative Approaches to Social Justice Education* Nana Osei-Kofi,Bradley Boovy,Kali Furman,2021-08-04

*Transformative Approaches to Social Justice Education* is a book for anyone with an interest in teaching and learning in higher education from a social justice perspective and with a commitment to teaching all students This text offers a breadth of disciplinary perspectives on how to center difference power and systemic oppression in pedagogical practice arguing that these elements are essential to knowledge formation and to teaching *Transformative Approaches to Social Justice Education* is structured as an ongoing conversation among educators who believe that teaching from a social justice perspective is about much more than the type of readings and assignments found on course syllabi Drawing on the broadest possible definition of curriculum transformation the volume demonstrates that social justice education is about both educators social locations and about course content It is also about knowing students and teaching beyond the traditional classroom to meaningfully include local communities social movements archives and colleagues in student and academic affairs Premised on the notion that continuous learning and growth is critical to educators with deep commitments to fostering critical consciousness through their teaching *Transformative Approaches to Social Justice Education* offers interdisciplinary and innovative collaborative approaches to curriculum transformation that build on and extend existing scholarship on social justice education Newly committed and established social justice pedagogues share their experiences taking up the many difficult questions pertaining to what it means for all of us to participate in shaping a more just shared future
