Introduction to Islam Zahid Aziz, 2015-04-16 There has been a great demand for a

booklet to introduce younger people to the teachings of Islam in fairly simple language The Ahmadiyya Anjuman Isha at Islam Lahore has over the past decades produced a range of excellent works dealing with all aspects of Islam This literature has been widely appreciated and acclaimed as meeting the needs of the present times both for teaching Muslims and for presenting Islam to the world generally It has been felt for sometime that the wonderful knowledge contained in these comprehensive works must be made more readily accessible to younger people by presenting it at an introductory level in simpler language This booklet has therefore been prepared to satisfy these requirements All the basic doctrines and practices of Islam have been covered supplemented by information about the Holy Quran Hadith and the moral teachings of Islam No prior knowledge is assumed The question answer format used it is hoped will make the booklet more interesting than would be the case with a descriptive approach There are abundant direct quotations from the Holy Quran throughout with full references In some places the teachings of Islam are elaborated in general words without direct quotations or specific references as this was not considered necessary in those cases in an introductory booklet of this kind For further reading on any point or fuller explanation the writings of Maulana Muhammad Ali should be consulted In any case as younger readers advance in their knowledge they would be expected to move on to these standard books
