

**WELCOME TO
PHOTOGRAPHY
YEAR 9**

We are 9A/Photo

WHAT TO EXPECT...

As an art student you must be on time to lessons, well equipped with at least a pen, pencil and rubber for every lesson and always complete work on time for deadlines.

All of the work created from now on will count towards your GCSE final grade, so it is extremely important that you keep up to date.

Memory cards are numbered and they are your own responsibility, if you lose them, you will replace them.

GCSE Art lessons are very different to KS3 lessons. You will be expected to take owner ship of your work, look after it and complete it. You will be expected to create work at home and in your own time.

WHAT TO EXPECT...

GCSE Photography is split into two components throughout Year 9

Component 1: Practical Exploration	Component 2: Creative Realisation
<p>Practical Exploration</p> <p>This component involves the student exploring different photographic techniques and processes. It includes a portfolio of work showing a range of skills and a written evaluation of the work.</p>	<p>Creative Realisation</p> <p>This component involves the student creating a final piece of work that demonstrates their understanding of photography. It includes a written statement of intent and a final portfolio of work.</p>
