Five Month Desire To Die But Not Possible When Fi:

The Final Exodus Apostle Frederick E. Franklin, 2013-10-24 THE FINAL EXODUS is our 47th forty seventh Book which we have written This is the most important and powerful Book that we have written This Book also like all of our previous 46 forty six Books was written because God told us to write it You will agree with us no other Book ever written is as enlightening as this Book with the exception of the Holy Bible This Book is wonderfully informative This Book will turn the world upside down God will use this Book to get all of our Books dis tribute throughout the earth Although we are little known at this time this Book will make us known by all the world saved and non saved This Book will facilitate Apostle Frederick E Franklin establishing God s end times Church This Book will facilitate my death and my wife s Prophetess Sylvia Franklin's death when God get ready for us to die God has said that we would not die until we allow it to happen God will say to us at that time let them do what they will the sooner they do it the sooner we will be with him The Rapture and **Return of The Lord Jesus Christ** Joseph Morgan, 2021-12-15 Is Christ going to return to the earth physically Will the Rapture of the church occur The Bible answers these questions in the affirmative So when will these things take place After years of studying this I am convinced that not only will the Lord Jesus be coming to reign on this earth from Jerusalem but He will be doing so very shortly I believe that the Bible in fact tells us the exact date of His return Not only that it also tells us the exact date of the Rapture or at least the time in which it will occur Even more it tells us when the final seven year period will begin and when the Antichrist will reveal himself to the day I know that many might express incredulity at such claims and even shock at the utter audacity to proclaim something so preposterous and I do not blame you if you do feel this way I only ask that you read and consider for yourself The prophetic time line laid out in this book is absolute and can be overlaid onto the Gregorian calendar I encourage you to read and discover for yourself why I am so confident in my declarations and how those prophetic time stamps align on our modern calendar When done and when applied to what Scripture says and the history of the church age it tells us the physical return of Christ to the earth could very well take place on April 9 2033 Get ready to be shocked as the book of Revelation will be unfolded to you in a way you have probably never seen before **Apocalypse...** Dr. Jana Jones McDowell, In this book we will take the unique approach and read the Book of Revelation as it was meant to be read That is we will read Revelation exactly as Apostle John wrote it with his Hebraisms and his Jewish writing style Taking into account John's Jewish mindset we will embark on a very different approach to interpreting his Divinely given visions the visions which later came to be compiled into what is now known as the Book of Revelation First we must look at the Book of Revelation in context and realize that it is a letter written in the first century by a Jewish Christ follower who lived in a Roman dominated society where Roman Greek gods were idolized and worshiped With this in mind we need to understand John's mindset being that he thought in Hebrew but wrote in the language of the land which was Greek We also must realize that John s letter was meant for a predominately Jewish audience who may or may not have believed

that Jesus was the Jewish Messiah who lived under Roman rule and therefore dominated spiritual and cultural values values that went against those of the Jewish people who worshipped the God of Israel Therefore John's letter to the people of the churches in Asia Minor was very anti Roman Characteristic of ancient Jewish literature was a very unique writing style Thoroughly Jewish John wrote with this 7 characteristic style and the Jewish people were accustomed to reading it What are the implications of interpreting John's letter exactly as he wrote it with its characteristic Jewish style Actually several very different ideas emerge as to both the structure and the timeline of the Book of Revelation creating interpretations that are quite unlike interpretations we may have been exposed to when studying the Bible through traditional methods For instance we will see that the timeline of the Book of Revelation is multidimensional and reiterative which is very different than the typical linear and sequential interpretation we are accustomed to reading and as modern theologians teach We also see that using John's style that the Book of Revelation has a very different structure than is presented in the New Testament as contained in the Bibles of today What if the timeline of the Book of Revelation is not linear and sequential as it has traditionally been read from beginning to end What if the structural divisions of Revelation we are so accustomed to are artificial and not as John originally intended them to be **The Glory of Revelation** Anne Grant, 2012-04 Have you ever longed for a simple easy reading on the book of Revelation This is it Apostle Anne takes you on a spiritual journey that will deepen your love for Christ create in you a desire to keep on pressing and increase your knowledge and understanding of God's glory and power the present and what we expect to come This book will equip and empower the saints for ultimate victory over Satan and evil while demonstrating God's great love for mankind Each chapter takes you beyond the timetable of events and John's symbolic style of literature to the great truth of the author's revelation of Jesus the Christ The One Year Bible NIV Tyndale, 2021-10-19 The entire New International Version arranged in 365 daily readings **NET Eternity Now New Testament Series Set** Thomas Nelson, 2022-09-13 Eternity Now reveals the history shaping story of how Jesus Christ changed the world and what that means to you This reader friendly series presents the New Testament books across five volumes to make it easy to read anytime Volume 1 The Legacy Matthew Hebrews James Jude Volume 2 No Going Back Mark 1 2 Peter Volume 3 Grand Tour Books of Luke Luke Acts Volume 4 Death to Life Books of Paul Romans 1 2 Corinthians Galatians Ephesians Philippians Colossians 1 2 Thessalonians 1 2 Timothy Titus Philemon Volume 5 Now But Not Yet Books of John John 1 3 John Revelation Pew Bible-NRSV Hendrickson Publishers, 2011-09 This pew Bible's attractive and sturdy bindings will give years of dependable service Congressional Record United States.
