The Living Flame of Love by St. John of the Cross with His Letters, Poems, and Minor Writings Saint John of the Cross, 2007-06-01 *The Living Flame of Love* Caroline Cox, 2017-01-19 St John of the Cross was a Carmelite friar and mystic who lived in Spain in the second half of the sixteenth century He helped Teresa of Avila with her reform of the Carmelite Order and was imprisoned for political reasons He wrote this beautiful poem on the love between the soul and God while in prison in Toledo The work consists of the poem and a prose commentary on it St John of the Cross was a Carmelite friar and mystic who lived in Spain in the second half of the sixteenth century He helped Teresa of Avila with her reform of the Carmelite Order and was imprisoned for political reasons He wrote this beautiful poem on the love between the soul and God while in prison in Toledo The work consists of the poem and a prose commentary on it Justly celebrated as a milestone in Spanish literature as well as a spiritual classic Baroness Cox from the Introduction *The Living Flame of Love* St. John of the Cross, Wyatt North, 2020-01-21 St John of the Cross 1542 1591 was a Carmelite friar The Living Flame of Love is one of his most famous works and was published around 1585 **The Living Flame of Love: Study Edition** St John of the Cross, Kieran Kavanaugh, 2023-07-28 St John of the Cross described the stanzas of his poem The Living Flame of Love as the songs of the soul in the intimate communication of the union of love with God The verses capture the mystical vistas from the summit of the saint's spiritual journey describing the mystery and powerful experience of divine transformation as the soul encounters and unites with the pure love of God After the poem's composition and at the request of his friend the laywoman Doña Ana de Peñalosa St John of the Cross wrote the prose commentary that represents his final word on the journey of the soul's transformation toward union with God In these verses and commentary our saintly guide teaches us as the Mystical Doctor of the Church but also as a gentle pastor Readers can aptly place themselves in the position of Doña Ana a fellow soul on this journey of transformation in God's grace following this holy shepherd along the narrow paths of purification toward our eternal dwelling place in God and union with him In this study edition Father Kieran Kavanaugh O C D offers important context and contemporary interpretive notes concerning the teaching of St John of the Cross in The Living Flame of Love This edition includes Study guides provided throughout the book which provide helpful guidance and explanation A glossary of terms offering definitions as they pertain to John's specific usage throughout the work Comprehensive indexes of key themes and biblical references which make this edition an indispensable reference resource With the combination of a modern scholarly translation of St John of the Cross's text and a contemporary commentary The Living Flame of Love Study Edition affords readers the opportunity to gain a much deeper appreciation for the beauty and richness of St John's perennial teaching on the experience and science of love **The Love Poetry of Francisco de Quevedo** Julian Olivares, 1983-05-26 This study of the poetry of Francisco de Quevedo combines a stylistic analysis with a philosophical interpretation in the broad sense *Christ and the Altar Fire: Sacrifice as Deification in Matthias Scheeben* David Augustine, 2025-01-01 For renowned

nineteenth century German dogmatic theologian Matthias Scheeben the divinely instituted liturgical cult of the Old Testament is replete with soteriological import figuratively signifying not only Christ's saving work and the sacramental worship of the New Testament but also the transformation and elevation of the rational creature by divine grace Scheeben's distinctive use of sacrificial concepts is rooted in his underlying view of sacrifice as primarily perfective directed to the glorification of God and constituted by the conversion of the offering into a pleasing and acceptable aroma via ritual burning with God-given fire In Christ and the Altar Fire David Augustine offers an in-depth study of Scheeben's soteriology of sacrifice providing a comprehensive analysis of his theology of sacrifice as well as a detailed examination of his sacrificial construal of Christ's person his saving work and its application to others At the heart of this account is Scheeben's understanding of Christ's sacrifice as encompassing his entire paschal mystery passion death resurrection and ascension itself a passage of glorification that serves as the site and source of deifying and latreutic nuptial union As he shows Scheeben employs the altar fire typology to establish a unity of cross and glory that fully maintains the atoning and meritorious significance of Christ's saving death Displaying careful attentiveness to Scheeben's historical context and to the contours of his substantial corpus Augustine also brings Scheeben's biblically inflected dogmatic theology into dialogue with contemporary biblical and theological scholarship showcasing the enduring relevance of his thought

Queer God de Amor Miguel H. Díaz, 2022-09-13 Queer God de Amor explores the mystery of God and the relationship between divine and human persons It does so by turning to the sixteenth century writings of John of the Cross on mystical union with God and the metaphor of sexual relationship that he uses to describe this union Juan's mystical theology which highlights the notion of God as lover and God's erotic-like relationship with human persons provides a fitting source for rethinking the Christian doctrine of God in John's own words as *un no sé qu' yo sé* I know not what In critical conversations with contemporary queer theologies it retrieves from John a preferential option for human sexuality as an experience in daily life that is rich with possibilities for re-sourcing and imagining the Christian doctrine of God Consistent with other liberating perspectives it ousts God from heteronormative closets and restores human sexuality as a resource for theology This outing of divine queerness that is the ineffability of divine life helps to align reflections on the mystery of God with the faith experiences of queer Catholics By engaging Juan de la Cruz through queer Latinx eyes Miguel Díaz continues the objective of this series to disrupt the cartography of theology *latinamente*
