

The Autobiography of JOHN P. PARKER,  
Former Slave and Conductor on  
the Underground Railroad

# His Promised Land

"Surpasses all previous slave narratives."  
—Joseph J. Ellis, *Civilization*

EDITED BY STUART SEELY SPRAGUE

# His Promised Land

**Hussin A.Rothana**

## **His Promised Land:**

His Promised Land John P. Parker, 1996 Risking his own life on many occasions John P Parker former slave and conductor on the Underground Railroad helped fugitive slaves to cross the Ohio River from Kentucky and go north to freedom In his autobiography Parker tells his compelling story as a slave seeking escape and then as a free man aiding others fighting his own personal war on slavery Jonathan Yardley Washington Post Optioned for film by TriStar for Jonathan Demme Photos Copyright Libri GmbH All rights reserved

**His Promised Land** Stuart Seely Sprague, 1998-01-06 Surpasses all previous slave narratives Usually we need to invent our American heroes With the publication of Parker s extraordinary memoir we seem to have discovered the genuine article Joseph J Ellis Civilization In the words of an African American conductor on the Underground Railroad His Promised Land is the unusual and stirring account of how the war against slavery was fought and sometimes won John P Parker 1827 1900 told this dramatic story to a newspaperman after the Civil War He recounts his years of slavery his harrowing runaway attempt and how he finally bought his freedom Eventually moving to Ripley Ohio a stronghold of the abolitionist movement Parker became an integral part of the Underground Railroad helping fugitive slaves cross the Ohio River from Kentucky and go north to freedom Parker risked his life hiding in coffins diving off a steamboat into the river with bounty hunters on his trail and his own freedom to fight for the freedom of his people

**His Story** Stuart Hacking, 2014-08-18 We all love stories whether printed passed down orally from generation to generation or made into films We love stories whether they are fictional true mythical or legendary Stories are part of our human history and they help us understand being human But there is one story that underpins all other stories the story of why we exist All great human stories must interact with this story His Story explores this fundamental story by retelling the story of the Bible His Story tells the Biblical story of how God has opened up a doorway into our universe and how this impacts the metanarrative of all of our lives If you want to read the overarching story of the Bible in one short book then His Story is for you If you want to know the backstory of your life His Story is for you His Story is simply written but doesn t oversimplify It is a book for people who might call themselves Christians but also for all those who are curious about the ultimate story His Story the story of why we are here

**Created to Rule** Grace Johnson, 2006-06 In this book Johnson diligently shows how subduing the three realms of the earth will bring readers into wealth Wealth creation for God s Kingdom is the main focus of this book

*Just Wait 'Til Your Daddy Gets Home* Stephen Samuel Lomax, 2013 This book reaches the soul Reading it will impact your life in such a positive way Minister Isaiah D Thomas Baltimore Maryland 2007 Stellar award winner song I will bless the Lord

A. E. Housman NA NA, 2016-04-30 This collection of essays was conceived as part of the centenary celebrations of the first publication in 1896 of one of the most popular collections of poetry ever written A Shropshire Lad a collection never out of print in a hundred years Yet Housman was a recluse an austere classicist of great renown who devoted his academic life to the correction of ancient texts He filled his poems with the lives loves and deaths of simple country people whose emotions

are intense and often violent but lived his own life in stoic acceptance of his loveless arid existence Why his life should have been so intentionally empty of emotion raises questions about Housman s own sexuality and the relationship he had with his friend Moses Jackson and Jackson s brother Afalbert Housman s poetry like his life is deceptively simple this volume shows some of the complex currents below the surface      **In Every Generation** Sidney Greenberg, Pamela Roth, 1998 A treasury of Inspiration for Passover and the Seder      **Rock N Roll Gold Rush** Maury Dean, 2003 This monster Rock n Roll survey focuses on the songs and the vibrant personalities who create them for college audiences and the general public Dean published the world s first history of Rock in 1966 Here in his ebullient style he buzzes through piles of musical singles from the whole last half century describing what is fun about each major and minor hit pointing out what elements were exciting or new or significant in the development of musical styles He relates some tantalizing tidbits about the earlier musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music This snappy witty and informative album has universal appeal doubling as a coffee table trivia treasure and a college level popular music history text It includes hundreds of photos chapter questions and an extensive index Reader friendly and informationally complete it covers soft rock heavy metal rhythm blues country rock and classic oldies all with tender loving care for the specialist and casual listener alike Its mini portraits of the artists who move so many hearts and feet the photos and the insightful sound bites get to the essence of each song and each musician s contribution to the music of our age The single song focus makes the book unique It s a playlist for R n R professors and the general public written with a collegiate vocabulary tight organization and a respect for all Hearing Elvis for the first time was like busting out of jail Bob Dylan That being said no one is being incited here to bust out of jail or to emulate the quixotic habits of rock stars There s nothing in here to hide from the kids the clergy or grandma Gold Rush can be used as a university or community college text but most people will grab it for the sheer pleasure of reading about everyone s favorites Great gift for Rock enthusiasts Gold Rush is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond Gold Rush takes thousands of songs spanning three centuries and brings them back uniquely as if they came out just yesterday Gold Rush unites the Anglo American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures As Leonard Maltin s Movie Guide helps you select videos at Blockbuster so Gold Rush is a powerful playlist for your music collection with many new and fascinating photos of favorite stars Gold Rush explains the most important stories behind the songs you picked to be played the songs that went gold from the 1897 Alaska Klondike Gold Rush to the 1 songs of today and beyond      *Bruce Springsteen, Cultural Studies, and the Runaway American Dream* Jerry Zolten, 2016-05-23 There is little question about the incredible power of Bruce Springsteen s work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting through the rubble of human conflict As Rolling Stone magazine s Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an

impassioned and literate pulse taking of a generation's fortunes. He is the foremost live performer in the history of rock and roll, a self-described prisoner of the music he loves for whom every show is played as if it might be his last. In recent decades, Puterbaugh adds, Springsteen's music developed a conscience that didn't ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty. Bruce Springsteen: Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen's resounding impact upon the ways in which we think and feel about politics, religion, gender, and the pursuit of the American Dream. By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture's most enduring artistic and socially radicalizing phenomena, this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music.

**The Trust Factor Now** Theodore Boone, 2012-10-05. The Trust Factor Now addresses and explores conditions, causes, corrections, and cures for our ongoing personal and societal crises and conflicts. The keys to our overcoming obstacles and embracing opportunities is in our Trust Factor. In Whom or What You Trust will make a difference in your life and others.

[The Healing Power of Self Love](#) Oscar Bamwebaze Bamuhigire, 2009-02-06. In the field of alcoholism and drug addiction treatment, there have always been questions for which there were no satisfactory answers. Is substance abuse a problem of discipline or a disease? Why is it that most alcoholics/drug addicts do not seek for or receive treatment? Why is it that only 5-10% of alcoholics/drug addicts respond to treatment? Why do untreated addicts have a better chance at breaking the bond of addiction than addicts who get treated? Why has the incidence of recovery without the help of formal treatment continued to rise? Are the successes of Alcoholics Anonymous A.A. nothing more than spontaneous remission? Why are some people able to quit their addiction without treatment while others only get worse after treatment? Why does treatment have a negative effect? Why are some treatment programs more effective than others? Why has the world continued to experience a steady increase in the rate of addiction and self-destruction? Why is it that 1 in 2 Americans has a diagnosable mental disorder each year and 81 Americans commit suicide every day? Why do non-Hispanic blacks bear a disproportionate burden of disease, injury, death, and disability? Why do the most successful treatment programs for addicts have a spiritual component? Why do non-white people suffer from a high rate of substance abuse and self-destruction? Why does Africa have the highest rate of suicide, poverty, and disease in the world? Why are some treatment programs more effective than others? Etc. In a unique blend of psychology, psychiatry, metaphysics, medicine, orient, and western religions, The Healing Power of Self Love provides answers to these and many more questions. In making its revolutionary contribution to the scientific world, it also explains how addicts can enhance their chances of recovery from addiction through the treatment programs of their choice by utilizing the ancient tools of discipline, lateral thinking, and insight from the life experiences of the world's greatest leaders. Even though this book was initially

designed to meet the needs of alcoholics and drug addicts in treatment it may be of great value to people who are struggling with other types of addiction and to those who are faced with major obstacles to their self realization or self actualization

*Behold the King* Lora Mae Miller,2021-10-05 While at a conference at O R U Oral Roberts gave a sermon where he named Jesus in every book of the Bible Lora was fascinated at the concept At the prompting of the Holy Spirit she painted a portrait of Jesus for every book of the Bible Friends encouraged her to share some of the wonderful experiences with the Holy Spirit thus Behold the King became a reality **Everybody's Magazine** ,1913 *The New Dimension of International Terrorism* Stefan M. Aubrey,2004 The events of September 11 2001 confronted the United States and the rest of the World with the reality of a new dimension of international terrorism This new dimension did not start nor end with the attacks against the World Trade Center or the Pentagon but began in the 1990s This study examines the new dimension of international terrorism contrasting it with the classical terrorism the predominantly left wing terrorist movements of the 1960s 1980s in Europe which were a subset of the bipolar geo political arena The author establishes the relationship of radical Islamist movements to the terrorist groups of the new dimension principally focusing on Al Qaeda in providing the motivation for committing catastrophic terrorist acts looks at the shadowy world of terrorist financing and makes suggestions regarding international counter terrorist strategies **Reckless Hope** Angela Stanfield,2025-01-24 Addie has been arrested by the GURCD and taken straight to interrogation The penalty for remaining as jackers and not accepting Namon Gordon s amnesty offer is death The desperate race to save Addie s life begins Rian and Kyle are determined to rescue her before it is too late Before they can get to her Addie suddenly appears on television She is a participant on the show Promise or Perish with Gracie Mack hosting Addie s friends watch in horror as she must begin to participate in the individual and group challenges of a show designed to torture and kill many of the participants The clock is running out Will Rian be able to outsmart Gracie Mack and the GUR to save his wife 2 *From God, Everything* Rev. Ricardo Montano,2022-07-20 From God Everything tries to follow and show the path designed by God to lead man to achieve the recovery of holiness an indispensable spiritual requirement to achieve salvation Beginning in the same Garden where Adam and Eve lost their sanctity and following the biblical story from Noah to Jesus our Lord never abandoned the purpose of reuniting humanity with him As disobedient as we might be HE had always prepared the adequate method to make us return to obedience Thanks to that divine determination we can reach salvation today **The Inner Work of Age** Connie Zweig,2021-09-07 2022 Coalition of Visionary Resources Gold Award 2022 Nautilus Gold Award Award Winner in the Health Aging 50 category of the 2021 Best Book Awards sponsored by American Book Fest Award Winner in Non Fiction Aging and Gerontology category of the 2021 Best Indie Book Award Offers shadow work and many diverse spiritual practices to help you break through denial to awareness move from self rejection to self acceptance repair the past to be fully present and allow mortality to be a teacher Reveals how to use inner work to uncover and explore the unconscious denial and resistance that

erupts around key thresholds of later life Includes personal interviews with prominent Elders including Ken Wilber Krishna Das Fr Thomas Keating Anna Douglas James Hollis Rabbi Rami Shapiro Ashton Applewhite Roshi Wendy Nakao Roger Walsh and Stanislav Grof With extended longevity comes the opportunity for extended personal growth and spiritual development You now have the chance to become an Elder to leave behind past roles shift from work in the outer world to inner work with the soul and become authentically who you are This book is a guide to help get past the inner obstacles and embrace the hidden spiritual gifts of age Offering a radical reimagining of age for all generations psychotherapist and bestselling author Connie Zweig reveals how to use inner work to uncover and explore the unconscious denial and resistance that erupts around key thresholds of later life attune to your soul s longing and emerge renewed as an Elder filled with vitality and purpose She explores the obstacles encountered in the transition to wise Elder and offers psychological shadow work and diverse spiritual practices to help you break through denial to awareness move from self rejection to self acceptance repair the past to be fully present reclaim your creativity and allow mortality to be a teacher Sharing contemplative practices for selfreflection she also reveals how to discover ways to share your talents and wisdom to become a force for change in the lives of others Woven throughout with wisdom from prominent Elders including Ken Wilber Krishna Das Father Thomas Keating Anna Douglas James Hollis Rabbi Rami Shapiro Ashton Applewhite Roshi Wendy Egyoku Nakao Roger Walsh and Stanislav Grof this book offers tools and guidance to help you let go of past roles expand your identity deepen self knowledge and move through these life passages to a new stage of awareness choosing to be fully real transparent and free to embrace a fulfilling late life

*A Voice from Home* Rich Stevenson, 2010-05-12 Jesus spent more than thirty years in an alien culture surrounded by harsh voices isolated from affirming words Did he sometimes wonder if he could make a difference if he could finish the difficult work he d come to do Sometimes he felt so alone but three times when the pressure was heavy Jesus received exactly what he needed to carry on The audible words of his Father an inspiring loving life giving voice from Home You are my child I love you You are mine I have chosen you I will glorify my name through you These words spoken out loud by God the Father to Christ the Son infused his earthly mission with incalculable power and the world was changed forever These same words are also meant for every believer every co heir with Jesus today Listen They can change your life too In a world of alienation aggression and pain *A Voice from Home* is a powerful and moving exploration of the message our Heavenly Father longs for each one of his children to hear and embrace words of soul affirming identity of life consuming purpose of self surrendering promise Hear and be transformed by this remarkable message from the God of the universe lovingly spoken to you today
