His Truth:

Live Your Truth and Other Lies Alisa Childers, 2022-10-18 Are you tired of feeling like you have to check social media to find out what you're supposed to think Are you weary of the latest self help books that promise to set you free but only imprison you with laundry lists of studies to consider positive affirmations to recite and Facebook groups to join We've all seen the memes that populate the internet live your truth follow your heart you only have one life to live They sound nice and positive But what if these slogans are actually lies that unhinge us from reality and leave us anxious and exhausted Another Gospel author and Christian apologist Alisa Childers invites you to examine under the light of Scripture modern lies that are disguised as truths in today's culture Everyday messages of peace fulfillment and empowerment swirl around social media On the surface they seem like sentiments of freedom and hope but in reality they are deeply deceptive In *Live Your Truth and Other Lies* Alisa brings refreshing honesty and clarity to hot button issues to help you Uncover the common lies repeated within progressive circles Hold on to the soul restoring truths that God's Word offers Be empowered to live the way your Creator designed you Being the captain of your own destiny and striving to make your dreams a reality is a huge burden that you were never meant to bear Discover true biblical freedom instead

No Place for Truth David F. Wells, 1994-12-20 Has something indeed happened to evangelical theology and to evangelical churches According to David Wells the evidence indicates that evangelical pastors have abandoned their traditional role as ministers of the Word to become therapists and managers of the small enterprises we call churches Along with their parishioners they have abandoned genuine Christianity and biblical truth in favor of the sort of inner directed experiential religion that now pervades Western society Specifically Wells explores the wholesale disappearance of theology in the church the academy and modern culture Western culture as a whole argues Wells has been transformed by modernity and the church has simply gone with the flow The new environment in which we live with its huge cities triumphant capitalism invasive technology and pervasive amusements has vanquished and homogenized the entire world While the modern world has produced astonishing abundance it has also taken a toll on the human spirit emptying it of enduring meaning and morality Seeking respite from the acids of modernity people today have increasingly turned to religions and therapies centered on the self And whether consciously or not evangelicals have taken the same path refashioning their faith into a religion of the self They have been coopted by modernity have sold their soul for a mess of pottage According to Wells they have lost the truth that God stands outside all human experience that he still summons sinners to repentance and belief regardless of their self image and that he calls his church to stand fast in his truth against the blandishments of a godless world The first of three volumes meant to encourage renewal in evangelical theology the other two to be written by Cornelius Plantinga Jr and Mark Noll *No Place for Truth* is a contemporary jeremiad a clarion call to all evangelicals to note well what a pass they have come to in capitulating to modernity what a risk they are running by abandoning historic orthodoxy It is provocative reading for scholars ministers seminary students and all

theologically concerned individuals **Religion Satan'S Philosophy of Truth** Bubba,2016-11-21 If you have come across this book either by chance by purchase or someone has given it to you I pray you will read it I promise it will be a blessing to your soul We are told by the Word of God to seek Him diligently Without any denominational pull to my understanding Gods Word I have done so for many years I am sixty five years old and a common man in my walk with Christ I was a little slow in the beginning but now after thirty five years I have been running to catch up with Him Why am I running Time is of great importance No matter how young or old we are we just never know how much time we have in this world Please read what I have learned from the Word of God and the knowledge He will give us You may or may not agree with all my views and opinions After all I am just a common man What I do promise you this book will open your eyes and hearts It will give you an incentive to seek God diligently No matter what religion we may follow we must seek Him diligently **The Impossible Way: The Way, The Truth & The Life (The Complete Trilogy)** Marcus A. Allen,2020-03-23 The words of this book are based upon Christ s declaration I am the way the truth and the life St John 14 6 This Holy Ghost inspired book will have every reader reexamining their faith in Christ their walk in God and even the way they currently display God s Agape love in this world I am come unto you as a friend and truly I write unto you in much fear and trembling in the Holy Ghost I come not in mine own name but in the name of him who has sent me to testify unto the truth and in him is no lie even he which is Jesus Christ our Lord Now there is utterly a fault in the church from the least to the greatest those who preach haven t been sent to preach and those who teach have not the anointing and those who prophesy unto you have prophesied a lie because they have altogether deceived the people and because of your carrying away you shall be one with their damnation While reading this book you shall learn the truth of your God and Creator and of his Son Jesus Christ You shall learn how to identify the voice of God in your hearing and how he speaks to you You will learn how and why the Lord God is so attached to man and why he loves man so much You will learn why you must be born again moreover you will discover what it is you need to do what s your part in the kingdom of God to truly be a light to others in this world You will discover the reason why both faith and love are the keys to life in the kingdom of God and the role they play in salvation You will learn how to properly utilize and deploy your faith in a powerful new way And even though you might know the basics of faith today you will learn why its works have been a great mystery to the church Today we will unlock this mystery together and you will find that you now not only can please God but that you will also learn how easy it is for you to do his will and overcome all things by faith You will also learn who your heavenly Father really is as you come to realize that he has been waiting a long to meet you Above all else you will learn the reasons why the miracles spoken of in St Mark 16 16 18 are not occurring in the church today and why the ministers and preachers of our day have not been bringing forth the word with signs following as had the apostles You will be taught many things that you may have never been taught in the church or have been taught improperly such as the Constancy the Fidelity and the Faithfulness of God in the reality of himself You will learn not only what these words mean but

you will learn how to apply them to your life as you grow in Christ Little children I am only asking of you is to listen to his voice today This book is a book of instructions given in hopes of making YOU ALL true Disciples of Christ My one and only prayer for you all is that you don't miss out on the opportunity to learn the truth about your heavenly Father so that you do not go The Impossible Way *God's Autopsy and the Living Truth of Soul* Hal Childs, 2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God's Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself **Preaching in a Post-Truth World** Mike Glenn, 2025-06-03 Words have power The most admirable people are the ones that can make them do magic But now we live in a time when words are thrown around like discarded plastic But there is the Word We can't get away from the fact that God has chosen to communicate with us Nothing has changed That's what makes our current time so difficult We live in a post modern post religion post everything society Our time is marked by a disdain for truth let alone the truth of God's Word In a society that does not wish to listen to the truth pastors are still tasked with reaching the world with the truth of the Gospel And yet how does one do that In *Preaching in a Post Truth World* Mike Glenn a pastor of one of the largest churches in America with more than 30 years of pastoral experience offers wisdom guidance and insight for the pastors that seek to recenter the pulpit and preach the truth of God's Word **Conflict and Agreement in the Church, Volume 2** Jean Rilliet, 2024-01-25 T F Torrance's *Conflict and Agreement in the Church* gathers together his most influential essays and articles on topics relating to ecumenism Himself involved heavily in the ecumenical movement he wrote that ours must be the task of learning together again how to confess like the early Church faith in Jesus Christ as Saviour and God in all its breadth and length and height and depth and therefore in the overflowing love of God Out of this conviction grew a comprehensive doctrine of the Church in which our differences are lost sight of because they are destroyed from behind by a masterful faith in the Saviour of men In the first volume Torrance presents a set of essays engaging theologically with different denominations along with responses to particular problems facing the ecumenical project In particular writing after the third world conference on faith and order

he addresses the hopes and barriers it raised to closer ecumenical relations Throughout Torrance's acute awareness of contrasting theological principles establishes a firm basis for further progress without obscuring the doctrinal and ecclesiological differences that remain In the second volume Torrance's thought on inter denominational cooperation in light of the Church's mission is presented He begins by suggesting that the lines of conflict and agreement in the Church coincide less and less with the frontiers of the historic communions This opens the door for greater union between those communion but also exposes significant challenges to unity within them Addressing the major debates on the sacraments of baptism and the Eucharist along with the priesthood and biblical exegesis Torrance proposes a constructive way forward sealed by reconciliation in the Body and Blood of Christ

Way Truth and Life Richard J. McQueen, Fernand D'AMICO, Jacques WISMAN, 2011-02-17 The subject of Way Truth and Life based on the research topics conducted by Fernand D Amico and Jacques Wisman is proposed in this book as a themed walk through the passages of Scripture from the Old and New Testament The biblical text KJV is presented deliberately devoid of additional comments to offer an immediate and direct perception of the selected track The thematic reading of the biblical text opens to the reader as a fascinating experience that allows him to benefit in a short time a surprising and rich picture of content I am the way the truth and the life John 14 6 These terms are not interchangeable but they seem to share a dynamism that gives the believer a propulsive energy to take the path that leads the human soul to be open to the new and to the other as part of an existential experience illuminated by the unshakeable certainty of faith

A Truth Lover John Herdman, 2024-01-06 Living as if an outsider but functionally ingratiate to normal social circles Duncan has his morality rocked by bearing witness to a violent act Where can one land on judgement of abject behaviour when inflicted upon a person perhaps more abject than the act itself Pressure to testify pushes Duncan into various forms of escapism and a consequential number of captivating encounters all whilst trapped in a brooding vacuum of self reflection Herdman's writerly magic is an underappreciated facet of Scotland's continually great literary output John Herdman's impressive first novel A Truth Lover is written as though it had been very well translated from the nineteenth century Russian Mr Herdman and his book are much too good to be localised P J Kavanagh The Guardian Both brilliant and very moving indeed If there is to be any vigorous tradition of novel writing in Scotland then this is the kind of book which will open up that prospect Archie Hind The Glasgow Herald a very fine piece of imaginative writing This unusual novel whets one's interest in a new and most promising talent in the Scottish literary scene Cuthbert Graham Press Journal I find A Truth Lover the most impressive debut by a Scottish novelist for years Douglas Eadie Scottish International

Thoughts on Divine Truth Samuel Rowles, 1797 **The Banner of Truth**, 1869 **On Christ's Mission** Riaan Engelbrecht, 2023-07-25 When Jesus departed to be with His eternal Father He gave the church the ecclesia a clear mission statement in Matthew 28 which speaks of the Great Commission And what is the Great Commission therefore the mission Go and make disciples so that the world may be told of Jesus and therefore be saved Some will say some translations never

speak of making disciples but rather to teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost But is the purpose of teaching the nations of Christ not to make disciples If one teaches someone about Jesus you are surely equipping them to be a follower of Jesus And such a follower is a disciple We are called in God's wisdom and by His Spirit to teach all people about Jesus for the purpose of making disciples It doesn't happen automatically It will take a concerted and decisive effort of the Bride of God Time is however slipping away to get our house in order with God and now is the time to do so We are living in the last days and the day of the Lord's coming is at hand Billions of people are still lost in every city town and village across the world There is no more time to be playing church or to be consumed with our agendas We need to come into alignment with God seek Him and be awake from our slumber The church has been slumbering for a long time lulled into sleep by a false sense of security peace and a sense of accomplishment Yet there is a mission to complete which is the Great Commission It is God's mission of bringing in the harvest of the lost and broken Now is the time to get busy with God's business and His business is about salvation redemption and restoration The call to the church to actively engage in this mission therefore to make the main thing the main thing is covered in volumes one and two

Cedricand's Truth Bill Banfield, 2020-09-02 Book Delisted *Models, Truth, and Realism* Barry Taylor, 2006-05-18 Barry Taylor's book mounts an argument against one of the fundamental tenets of much contemporary philosophy the idea that we can make sense of reality as existing objectively independently of our capacities to come to know it Part One sets the scene by arguing that traditional realism can be explicated as a doctrine about truth that truth is objective that is public bivalent and epistemically independent Part Two the centrepiece of the book shows how a form of Hilary Putnam's model theoretic argument demonstrates that no such notion of truth can be founded on the idea of correspondence as explained in model theoretic terms more traditional accounts of correspondence having been already disposed of in Part One Part Three argues that non correspondence accounts of truth truth as superassertibility or idealized rational acceptability formal conceptions of truth Tarskian truth also fail to meet the criteria for objectivity along the way it also dismisses the claims of the latterday views of Putnam and of similar views articulated by John McDowell to constitute a new less traditional form of realism In the Coda Taylor bolsters some of the considerations advanced in Part Three in evaluating formal conceptions of truth by assessing and rejecting the claims of Robert Brandom to have combined such an account of truth with a satisfactory account of semantic structure He concludes that there is no defensible notion of truth which preserves the theses of traditional realism nor any extant position sufficiently true to the ideals of that doctrine to inherit its title So the only question remaining is which form of antirealism to adopt **The Truth Volume Two** Charles Makepeace, 2024-06-14 The Truth Volume 2 continues to offer readers insights on how to attain and maintain health across all aspects of our human condition Offering biblically sound insights that aid in our pursuit of achieving an ideal balance in all facets of our health and being The Truth Volume 2 provides food for thought for the newcomer and the seasoned disciple alike No matter your station The Truth
