Introduction to Text Linguistics Robert De Beaugrande, Wolfgang U. Dressler, 1981 *Introduction to Text Linguistics* Robert De Beaugrande, Wolfgang U. Dressler, 1972 **Introduction to Text Linguistics** Robert De Beaugrande, Wolfgang U. Dressler, 1988 *Introduction to text linguistics* Robert Alain de Beaugrande, Wolfgang Ulrich Dressler, 1986 *The Linguistics Encyclopedia* Kirsten Malmkjær, 2002 This thoroughly revised and updated volume offers comprehensive coverage of the major and subsidiary fields of linguistic study **Introduction to English Text-linguistics** Jürgen Esser, 2009 This is a comprehensive introduction to English text linguistics It deals with those areas of text linguistics that have enjoyed widespread attention in English linguistics notably aspects of cohesion and coherence Further topics are corpus based studies in lexical patterns and in text classifications psycholinguistic and cognitive studies in text constitution and decoder orientation One special feature of this book is that it not only covers abstract lexical and grammatical structures but also medium dependent written and spoken presentation Variational Text Linguistics Christoph Schubert, Christina Sanchez-Stockhammer, 2016-05-24 Owing to the ever increasing possibilities of communication especially with the advent of modern communication technologies register analysis offers a constantly widening range of research opportunities Still research has mainly concentrated on well established and frequent registers such as newspaper articles while many descriptive and theoretical issues have not yet been sufficiently investigated This volume gives a state of the art insight into register studies and points out emerging trends as well as new directions for future research Furthermore it provides a forum for the description and discussion of registers which have not received an appropriate amount of attention so far In particular it deals with specialized offline and online registers cross register comparison as well as regional contrastive and diachronic register variation In parallel to the new discipline of variational pragmatics this volume aims to foster the discipline of variational text linguistics and to initiate fundamental investigations in this area This field of research provides new insights into the concept of register since it covers both functional and regional types of textual variation *A Text-Linguistic Investigation into the Discourse Structure of James* Mark E. Taylor, 2006-09-08 This study uncovers significant structuring techniques in James that prove to be beneficial in a number of ways First there exists a coherent discernible strategy in the letter as a whole Second significant uses of inclusio along with other transition techniques draw attention to important recurring themes Third the quotation of Lev 19 18 and echoes of the Shema Deut 6 occur in significant structural locations suggesting that the double love command in the Jesus tradition cf Mt 22 34 40 is a hermeneutical key to the interpretation of the letter The study begins with an introduction to the research problem and its significance for interpretation Chapter one summarizes and critiques past proposals of the structure of James Chapter two explains the text linguistic methodology employed in the study that is then applied in chapters three four and five Chapter six offers a proposed structure for the letter that consists of a double introduction 1 2 11 1 13 27 joined by an overlapping transition 1 12

a carefully crafted letter body 2 1 5 6 that is bracketed by a major inclusio 2 12 13 4 11 12 and a conclusion 5 7 20 LNTS

Text linguistics for the contrastive study of online customer comments Raul Sánchez Prieto, 2017-01-16 The goal of this corpus based research monograph is twofold On the one hand the volume delivers a practice relevant theoretical framework which will enable linguists and internationally operating businesses to evaluate product and service comments of foreign customers written in their mother tongue and intended for their fellow nationals The theoretical framework should be applicable to any language combination On the other hand a large scale empiric study has been carried out building on our theoretical premises with the aim of determining the text linguistic structure and language use in Spanish Dutch French and German customer comments on hotel accommodation in two relevant applications of the Social Web social network services like Facebook and comments on the webs of hotel reservations agencies Our findings will enable Spanish and German companies to interpret the linguistic behavior of their German Spanish clients sharing their accommodation experiences on the Social Web

Contrastive Rhetoric Ulla Connor, 1996-01-26 Shows how a person's first language and culture influence writing in a second language

Text Linguistics and Translation Ismat Al-Massri, 2013-03-21 The key purpose of this work is to examine the interrelationship between the field of text linguistics and translation with specific reference to computer translation The question arises whether machine translation can ever be a practicable and reliable substitute for human translators Based on this premise this study assesses the effectiveness of machine translation software in its ability to translate the nuances of text linguistics from a source language to a target language Following a literature review of text linguistics covering a number of textual analysis models and translation studies including machine translation the primary research utilises a qualitative research methodology by means of text based assessment Three text samples are drawn from each of the following six text linguistic categories register pragmatics semiotics text type genre and discourse Using three leading Arabic translation software programmes the text samples are subjected to a comparative evaluation

Text Linguistics of Qur'anic Discourse Hussein Abdul-Raof, 2018-09-21 Text Linguistics of Qur'anic Discourse is an in depth investigation of the fabric of Qur'anic Discourse It unravels the texture of the macro Qur'anic text its cohesion and coherence systems the notions of intertextuality semantic relatedness and thematic sequentiality the macro textual features of ellipsis repetition and argumentation structure and the contextual co-textual grammatical and semantic factors involved in the macro Qur'anic text This book is a valuable and methodologically consistent learning and teaching academic resource for universities worldwide in this intriguing new discipline Through its methodologically coherent discussion and in depth analysis that is hinged upon modern European text linguistics Text Linguistics of Qur'anic Discourse provides an insight into the newly established discipline of text linguistics and explores the different layers of the macro Qur'anic text as an academic requirement

Petöfi, 2011-05-02 No detailed description available for Text and Discourse Constitution *The Linguistic Toolkit for Teachers of English* Rolf Kreyer, 2023-10-23 In contrast to literary or cultural studies linguistics is not taught in the EFL classroom yet it plays a major role in any English language teaching degree Given this discrepancy it does not come as a surprise that students sometimes ask I want to be a teacher Why do I need all this The main goal of this textbook is to demonstrate the relevance of linguistic expertise for the EFL classroom It explores a wide range of topics phonetics phonology lexis corpus linguistics text linguistics and the power of language with a clear focus on providing a convincing answer to the question above With its highly accessible style and layout a wealth of examples and exercises as well as a large range of additional innovative online materials this textbook sets out to convince its readers that they will be better teachers if they are good linguists Encyclopedia of Linguistics Philipp Strazny, 2013-02-01 Utilizing a historical and international approach this valuable two volume resource makes even the more complex linguistic issues understandable for the non specialized reader Containing over 500 alphabetically arranged entries and an expansive glossary by a team of international scholars the Encyclopedia of Linguistics explores the varied perspectives figures and methodologies that make up the field Gog of Magog William A. Tooman, 2011 The Gog Oracles Ezek 38 39 reuse of antecedent scripture is crucial to their purpose and meaning The pattern of continuous allusion in the Gog Oracles reflects something more than a writer saturated with scriptural idiom It is a practice of disciplined and deliberate reference to select texts on select themes William A Tooman shows that recognizing the volume and density of scriptural reuse within the Gog Oracles is indispensable for understanding these chapters role within the book its composition and its place within Second Temple literature A close examination of the methods effects and motives of scriptural reuse that are evident within the Gog oracles reveals that these chapters are a unified composition that was crafted as a supplement to a book of Ezekiel in order to fill gaps in the book s message and to harmonize the book with other traditions of prophetic revelation The Promised Davidic King Wyatt Aaron Graham, 2024-01-17 Reading psalms in context The Psalter is a carefully edited work skillfully arranged to communicate a theological message The Promised Davidic King is a case study of how a single psalm shapes and is shaped by its context in the Psalter Wyatt Aaron Graham argues that Psalm 108 plays a guiding role in Book V Pss 107 150 Following Israel s return from exile in Psalm 107 Psalm 108 introduces the eschatological King and kingdom further developed in Psalms 109 110 Psalm 108 repurposes Psalms 57 and 60 which in this location take on renewed meaning in the Psalter s unfolding story of redemption Graham s study of Psalm 108 gives insight into the meaning of the Psalms and displays the benefits of reading psalms in their context *Linguistics and Biblical Hebrew* Walter Ray Bodine, 1992 The essays in this volume arose out of

the Society of Biblical Literature section on linguistics and Biblical Hebrew and have been selected to provide a summary and statement of the state of the question with regard to a number of areas of investigation The sixteen articles are organized into sections on phonology morphology syntax semantics discourse analysis historical comparative linguistics and graphemics

Pillars in the History of Biblical Interpretation, Volume 3 Stanley E. Porter, Zachary K. Dawson, 2021-06-07 This third volume like its predecessors adds to the growing body of literature concerned with the history of biblical interpretation With eighteen essays on nineteen biblical interpreters volume 3 expands the scope of scholars both traditional and modern covered in this now multivolume series Each chapter provides a biographical sketch of its respective scholar s an overview of their major contributions to the field explanations of their theoretical and methodological approaches to interpretation and evaluations and applications of their methods By focusing on the contexts in which these scholars lived and worked these essays show what defining features qualify these scholars as pillars in the history of biblical interpretation While identifying a scholar as a pillar is somewhat subjective this volume defines a pillar as one who has made a distinctive contribution by using and exemplifying a clear method that has pushed the discipline forward at least within a given context and time period This volume is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the field of biblical studies has developed and how certain interpreters have played a formative role in that development
