## Introduction To The Baptists:

*Baptists in America* Thomas S. Kidd, Barry Hankins, 2015 The Puritans hounded the Baptists out of Massachusetts Bay Colony Four hundred years later Baptists are the second largest religious group in America and their influence matches their numbers Yet the historical legacy and the inherently fractured nature of their faith makes Baptists ever wary of threats from within as well as without Kidd and Hankins both practicing Baptists weave the threads of Baptist history alongside those of American history to show how one religious denomination was transformed from persecuted minority into a leading actor on the national stage with profound implications for American society and culture

**An Introduction to the Baptists** Erroll Hulse, 2008-10-01 This is simply the clearest most brief and accurate Baptist history available in the English language All misconceptions are cleared up and it even includes an excellent fold out timeline of the maze of Baptist movements in Church history

**A History of the Baptists** Thomas Armitage, 2001-03

**A History of the Baptists Volumes I and II** John T. Christian, 2014-03-05 In attempting to write a history of the Baptists no one is more aware of the embarrassments surrounding the subject than the author These embarrassments arise from many sources We are far removed from many of the circumstances under survey the representations of the Baptists were often made by enemies who did not scruple when such a course suited their purpose to blacken character and hence the testimony from such sources must be received with discrimination and much allowance made for many statements in some instances vigilant and sustained attempts were made to destroy every document relating to these people the material that remains is scattered through many libraries and archives in many lands and not always readily accessible often on account of persecutions the Baptists were far more interested in hiding than they were in giving an account of themselves or their whereabouts they were scattered through many countries in city and cave as they could find a place of concealment and frequently they were called by different names by their enemies which is confusing Yet it is a right royal history they have It is well worth the telling and the preserving
