Exercises in Library Technology ICDC Publishing Inc,2005-05 *Exercises in Library Technology* Sharon E. Brown,ICDC Staff,2003-11 **Weaving Libraries into the Web** Jay Jordan,2013-09-13 The year 1997 found the members of the OCLC Online Computer Library Center cooperative in an expansive mood More than 1 000 library leaders attended the OCLC President s Luncheon in San Francisco where they celebrated OCLC s 30th anniversary There were more than 25 000 libraries participating in the cooperative including nearly 3 000 libraries in 62 countries outside the U S and the WorldCat database contained more than 37 million bibliographic records Over the next ten years the global digital library would indeed emerge but in a form that few could have predicted Against a backdrop of continuous technological change and the rapid growth of the Internet the OCLC cooperative s WorldCat database continued to grow and was a central theme of the past decade As the chapters in this book show OCLC s chartered objectives of furthering access to the world s information and reducing the rate of rising library costs continue to resonate among libraries and librarians as the OCLC cooperative enters its fifth decade This book was published as a special issue of the Journal of Library Administration **"Stretching"**

Exercises for Qualitative Researchers Valerie J. Janesick,2015-08-25 In the new Fourth Edition of her inventive one of a kind book *Stretching Exercises for Qualitative Researchers* author Valerie J Janesick uses dance yoga and meditation metaphors to help researchers tap into the intuitive and creative side of their research In every chapter stretching exercises help readers develop practice and hone fieldwork skills and vital habits of mind such as observation interviewing writing creativity technology and analysis While reading the book and working through the exercises readers can complete a researcher s reflective journal an invaluable tool that will remain useful throughout their careers **Resources in Education** ,1999 *The Accidental Technology Trainer* Stephanie K. Gerding,2007 Here is a useful and reassuring guide for library staff who find themselves newly responsible for technology training whether in computer labs classrooms or one to one with library users Author Stephanie Gerding addresses the most common concerns of new trainers recommends proven tools and techniques and shares helpful advice from many of her fellow library tech trainers The book is designed to help staff get up to speed quickly showing them how to integrate expert tips and tricks and leverage their natural skills to ensure excellent results in any library technology training situation **Technology Review** ,1917 *Librarians, Literacy and the Promotion of Gender Equity* Lesley S.J. Farmer,2014-12-03 Today s youth have available an unprecedented array of information and media and today s literacy must extend well beyond decoding the printed page As the keepers of information how do librarians help boys and girls separate relevant from irrelevant important from unimportant helpful from harmful How can librarians help students become self sufficient learners This book addresses today s need for literacies in technology reading information and numbers as well as visual aural and media literacy With thorough consideration of the latest research it focuses on how gender affects the way these literacies are learned experienced and used Exercises are

recommended to help students of both genders become effective learners and managers of their environment After delving into issues of gender such as differences and similarities in the way boys and girls learn discussion concentrates on how librarians and other educators can design learning activities with gender and technology issues in mind Individual chapters deal with each type of literacy and the concluding chapter discusses the interdependence of all This book demonstrates that the era of one size fits all literacy is behind us and argues for the library as an optimal learning environment for exploring literacies holistically
