Exodus 1 18:

The Anchor Bible William Henry Propp,1999 **Exodus 1-18** William Henry Propp,1999 Exodus is the heart of the Hebrew Bible the defining moment in Israel s birth as a people the dramatic triumph of their God Yahweh Pharaoh Moses Aaron the Hebrew slaves the plagues the parting of the Red Sea these larger than life characters and epoch making events capture the imagination of everyone from biblical scholars to moviemakers However the meaning and significance the beauty and nuance of this captivating biblical book are lost unless we have a world class Scripture scholar to open our eyes to its riches In Exodus 1 18 William H C Propp translates the original text in all its grandeur then provides a masterful exploration and analysis of the book s first eighteen chapters Here the fate of the Hebrew slaves hangs in the balance of the dramatic conflict between the God of Israel and the Pharaoh of Egypt From the discovery of Moses in a basket made of bulrushes to the story of the Burning Bush from the ten plagues visited upon Egypt by God to water from the rock and quail and manna from the skies Exodus is filled with the miraculous and the dramatic Doubleday is proud to be publishing the long awaited first of two volumes of the Anchor Bible Commentary on Exodus Exhaustive meticulous and brilliantly researched Propp s Exodus 1 18 is well worth the wait exceeding expectations and meeting the reader s every need [Exodus 1-18: A Critical and Exegetical Commentary](#) Graham I. Davies,2020-01-23 This volume continues from Graham I Davies commentary on Exodus 1 10 and takes the reader up to the end of Exodus chapter 18 covering the release of the Israelites from Egypt and the crossing of the Red Sea Davies brings together all the relevant aids to exegesis linguistic textual archaeological historical literary and theological to help the reader understand the texts at hand In addition to the parting of the waters and the defeat of Pharaoh s army the chapters commented upon also include the so called Song of the Sea in Exodus 15 a complex hymn that Davies studies in depth and the provision of manna in the desert The textual issues are varied and Davies navigates them deftly providing close commentary and profound insights into these well known texts Two results of Davies s research are to place the old hypothesis of an Elohist source on a much stronger footing and to reaffirm that both it and the J source extended through both Genesis and Exodus **Exodus 1-18** William Henry Propp,1999 Exodus is the heart of the Hebrew Bible the defining moment in Israel s birth as a people the dramatic triumph of their God Yahweh Pharaoh Moses Aaron the Hebrew slaves the plagues the Red Sea these larger than life characters and epoch making events capture the imagination of everyone from biblical scholars to movie makers However the meaning and significance the beauty and nuance of this captivating biblical book are lost unless we have a world class Scripture scholar to open our eyes to its riches [Exodus 1-15](#) Helmut Utzschneider,Wolfgang Oswald,2014-11-20 This commentary interprets the first part of the book of Exodus through 15 21 It features two approaches On the one hand the commentary interprets the final form of the traditional Hebrew text synchronically by means of form criticism and modern literary methods On the other hand it diachronically reconstructs the predecessors of the final form from its origins in an exodus composition that opposes political domination to

the text's final form as a dramatic narrative about the transfer of sovereignty from the Pharaoh to the God of Israel. Concluding syntheses examine the relationship between these two interpretive approaches while adding reflections on traditional and contemporary concerns.

Struggling with God Mark McEntire, 2008 This textbook focuses primarily on the content and structure of the Pentateuch. The process which produced the Pentateuch and the long record of its use within Judaism and Christianity are intricate and fascinating stories but it is the final forms of these five books to which we have the most reliable access. Discussions of historical and theological issues are included when they serve to illustrate the content and structure of the text. After an opening chapter which introduces the major issues in the study of the Pentateuch including a summary of the history of scholarship, a full chapter engages each of the five books. Attention to literary shape, texture, and artistry are at the forefront of the discussion while historical and theological discussions are included where they are most informative. The book also includes many lists of textual data in each chapter. Most of these provide a view of features which serve to connect and draw together the diverse literature of the Pentateuch. They are intended to serve as starting points for active textual research in a classroom setting. The material in this book is classroom tested and was even developed during successive opportunities to teach courses in the Pentateuch.

Publisher Women and the Religion of Ancient Israel Susan Ackerman, 2022-02-22 A synthetic reconstruction of women's religious engagement and experiences in preexilic Israel. This monumental book examines a wealth of data from the Bible, archaeology, and ancient Near Eastern texts and iconography to provide a clear, comprehensive, and compelling analysis of women's religious lives in preexilic times.

Carol Meyers, Duke University. Throughout the biblical narrative, ancient Israelite religious life is dominated by male actors. When women appear, they are often seen only on the periphery as tangential, accidental, or passive participants. However, despite their absence from the written record, they were often deeply involved in religious practice and ritual observance. In this new volume, Susan Ackerman presents a comprehensive account of ancient Israelite women's religious lives and experiences. She examines the various sites of their practice, including household shrines, regional sanctuaries, and national temples; the calendar of religious rituals that women observed on a weekly, monthly, and yearly basis; and their special roles in religious settings. Drawing on texts, archaeology, and material culture, and documenting the distinctions between Israelite women's experiences and those of their male counterparts, Ackerman reconstructs an essential picture of women's lived religion in ancient Israelite culture.

Gods, Goddesses, and the Women Who Serve Them Susan Ackerman, 2022-09-17 A wide ranging study of women in ancient Israelite religion Susan Ackerman has spent her scholarly career researching underexamined aspects of the world of the Hebrew Bible particularly those aspects pertaining to women In this collection drawn from three decades of her work she describes in fascinating detail the worship of goddesses in ancient Israel the roles women played as priests and

prophets the cultic significance of queen mothers and the Hebrew Bible's accounts of women's religious lives. Specific topics include the Queen of Heaven a goddess whose worship was the object of censure in the book of Jeremiah Asherah the great Canaanite mother goddess for whom Judean women were described as weaving in the books of Kings biblical figures considered as religious functionaries such as Miriam Deborah and Zipporah the lack of women priests in ancient Israel explored against the prevalence of priestesses in the larger ancient Near Eastern world the cultic significance of queen mothers in Israel and throughout the ancient Near East Israelite women's participation in the cult of Yahweh and in the cults of various goddesses
