## **Exorcising Terror:**

Ariel Dorfman Sophia McClennen, 2010-01-18 A critical introduction to the life and work of the internationally renowned writer activist and intellectual Ariel Dorfman

Securing Africa Malinda S. Smith, 2016-04-01 This meticulously researched forcibly argued and accessibly written collection explores the many and complex ways in which Africa has been implicated in the discourses and politics of September 11 2001 Written by key scholars based in leading institutions in Canada the United States the Middle East and Africa the volume interrogates the impact of post 9 11 politics on Africa from many disciplinary perspectives including political science sociology history anthropology religious studies and cultural studies The essays analyze the impact of 9 11 and the war on terror on political dissent and academic freedom the contentious vocabulary of crusades clash of civilizations barbarism and Islamofascism alternative genealogies of local and global terrorism extraordinary renditions to black sites and torture human rights and insecurities collapsed states and the development security merger and anti terrorism policies from George W Bush to Barack Obama This is a much needed meditation on historical and contemporary discourses on terrorism

Torture Lisa Hajjar, 2013 Torture is indisputably abhorrent Why you might ask would you even want to think or read about torture That is a very good question and one this book addresses in a compelling and enlightening way Torture is a very important issue not least because millions of people around the world have been subjected to this odious practice and many are enduring torture right now as you read these words

**The Anatomy of Torture** William J. Aceves, 2007-01-01 This is the story of one of the most significant examples of human rights litigation in the U S presented as a documentary history The pleadings and documents appear with minimal editing and are supplemented through commentary

Encyclopedia of War Crimes and Genocide Leslie Alan Horvitz, Christopher Catherwood, 2014-05-14 Entries address topics related to genocide crimes against humanity and peace and human rights violations profile perpetrators including Joseph Stalin Pol Pot and Idi Amin and discuss institutions set up to prosecute these crimes in countries around the world

**Assessing the Long-Term Impact of Truth Commissions** Anita Ferrara, 2014-09-19 In 1990 after the end of the Pinochet regime the newly elected democratic government of Chile established a Truth and Reconciliation Commission TRC to investigate and report on some of the worst human rights violations committed under the seventeen year military dictatorship The Chilean TRC was one of the first truth commissions established in the world This book examines whether and how the work of the Chilean TRC contributed to the transition to democracy in Chile and to subsequent developments in accountability and transformation in that country The book takes a long term view on the Chilean TRC asking to what extent and how the truth commission contributed to the development of the transitional justice measures that ensued and how the relationship with those subsequent developments was established over time It argues that contrary to the views and expectations of those who considered that the Chilean TRC was of limited success that the Chilean TRC has in fact over the longer term played a key role as an enabler of justice and a means by which

ethical and institutional transformation has occurred within Chile With the benefit of this historical perspective the book concludes that the impact of truth commissions in general needs to be carefully reviewed in light of the Chilean experience This book will be of great interest and use to students and scholars of conflict resolution criminal international law and comparative legal systems in Latin America International Human Rights Jack Donnelly,2010-10 The question often asked is where is a good starting place for learning about international human rights The answer now is Donnelly s International Human Rights Eminently readable chock full of information Donnelly s book is a must read Human Rights Quarterly In this new edition Jack Donnelly updates his classic text on the rise of human rights issues since World War II to reflect the new challenges posed by globalization and the war on terrorism The third edition includes two entirely new chapters on the Universality of Human Rights and Terrorism and focuses on the recent emergence of nonstate actors such as the UN and NGOs **Britain and the Dictatorships of Argentina and Chile, 1973-82** Grace Livingstone,2018-05-28 This book explores the links between the British government and the dictatorships of Argentina and Chile 1973 82 using newly opened British archives It gives the most complete picture to date of British arms sales military visits and diplomatic links with the Argentine and Chilean military regimes before the Falklands war It also provides new evidence that Britain had strategic and economic interests in the Falkland Islands and was keen to exploit the oil around the Islands It looks at the impact of private corporations and social movements such as the Chile Solidarity Campaign and human rights groups on foreign policy By analyzing the social background of British diplomats and tracing the informal social networks between government officials and the private sector it considers the pro business biases of state officials It describes how the Foreign Office tried to dissuade the Labour governments of 1974 79 from imposing sanctions on the Pinochet regime in Chile and discusses whether unelected officials place constraints on politicians aiming to pursue an ethical foreign policy **Historical Dictionary of the "dirty Wars"** David R. Kohut,Olga Vilella,2010 Unlike a conventional war waged against a standing army a dirty war is waged against individuals groups or ideas considered subversive Originally associated with Argentina s military regime from 1976 1983 the term has since been applied to neighboring dictatorships during the period Indeed it has become a byword for state sponsored repression anywhere in the world The first edition of this reference illustrated the concept by describing the regimes of Argentina Chile 1973 1990 and Uruguay 1973 1985 which tortured murdered and disappeared thousands of people in the name of anticommunism while thousands more were driven into exile The second edition expands the scope to include Bolivia 1971 1982 Brazil 1964 1985 and Paraguay 1954 1989 Includes a chronology an introductory essay a bibliography and over 400 cross referenced dictionary entries on the countries guerrilla and political movements prominent guerrilla human rights military and political figures local regional and international human rights organizations and artistic figures filmmakers novelists and playwrights whose works attempt to represent or resist the period of repression Publisher *Information War* Nancy Snow,2011-01-04 In *Information War* former United States Information Agency employee Nancy

Snow describes how U S propaganda efforts and covert operations are expanding more rapidly today than at any other time in U S history as the Bush administration attempts to increase U S dominance by curbing dissent and controlling opinion Snow lays out the propaganda techniques that the government uses to control dissent in the twenty first century spotlights the key players and their spinmeistering abilities in the information war and describes memorable leaks in the Administration s efforts to conduct stealth propaganda programs and control information at home Ultimately she shows that dissent and true democracy are the early casualties of these policies

Radical Justice Luis Martín-Cabrera,2011-08-16 Radical Justice investigates the convoluted relationship between memory and justice in Spain and the Southern Cone as it is portrayed in political documentaries and detective fiction from Spain and the Southern Cone It argues that the possibility of achieving justice in these regions lies beyond market and state and is yet to come This book appeals to a wide range of scholars ranging from national literature and film specialists of Argentina Chile and Spain to philosophers and students of ethics human rights and questions of justice

International Human Rights Law and Practice Ilias Bantekas,Lutz Oette,2020-04-23 This unique textbook merges human rights law with its practice from the courtroom to the battlefield Human rights are analysed in their particular context and the authors assess among other things the impact of international finance the role of NGOs and the protection of rights in times of emergency including the challenges posed by counter terrorism In parallel a series of interviews with practitioners case studies and practical applications offer multiple perspectives and challenging questions on the effective implementation of human rights Although the book comprehensively covers the traditional areas of international human rights law including its regional and international legal and institutional framework it also encompasses through distinct chapters or large sections areas that have a profound impact on human rights worldwide such as women s rights human rights and globalisation refugees and migration human rights obligations of non state actors debt and human rights and others

**Drink the Bitter Root** Gary Geddes,2012-01-01 Drink the Bitter Root is an international story about the ethical and environmental footprint world nations are leaving in Africa in their determined efforts to destabilize and loot the continent In the spirit of Robert Kaplan and Samantha Power Gary Geddes sets out in search of justice healing and reconciliation He begins his journey at the International Criminal Court in The Hague then travels to Rwanda Uganda the Democratic Republic of Congo Ethiopia and Somaliland crossing Lake Victoria and the Great Rift Valley where human life began Geddes s quest takes the form of an intimate personal travelogue Although he confronts the dark realities of abduction rape mutilation and murder drawing on painful encounters interviews and adventures that occur along the way Geddes also brings back amazing stories of survival and unexpected moments of grace His poet s eye and self deprecating humor draw us ever more deeply into the lives of some amazing Africans while never forgetting the complicity we all feel in the face of tragic events unfolding there In the words of author and Africanist Ian Smillie Drink the Bitter Root is not only poignant literate and funny but also a deeply textured journey without maps into the unexplored rifts of sub Saharan Africa the human experience

and the psyche It s also the masterful handling of a full palette Latino/a Literature in the Classroom Frederick Luis Aldama,2015-06-19 In one of the most rapidly growing areas of literary study this volume provides the first comprehensive guide to teaching Latino a literature in all variety of learning environments Essays by internationally renowned scholars offer an array of approaches and methods to the teaching of the novel short story plays poetry autobiography testimonial comic book children and young adult literature film performance art and multi media digital texts among others The essays provide conceptual vocabularies and tools to help teachers design courses that pay attention to Issues of form across a range of storytelling media Issues of content such as theme and character Issues of historical periods linguistic communities and regions Issues of institutional classroom settings The volume innovatively adds to and complicates the broader humanities curriculum by offering new possibilities for pedagogical practice *The Nanny and the Iceberg* Ariel Dorfman,2003-07-08 Conceived the night of Che Guevara s burial in 1967 Gabriel McKenzie is inextricably bound up in the history and politics of his native Chile Twenty four years on and still a virgin Gabriel returns from Manhattan exile to confront his legacy a Don Juan father and a country preparing for the five hundredth anniversary of America s discovery Into Gabriel s quest for manhood and identity enter one iceberg a faithful if eccentric nanny and a whole host of fantastical characters *When Governments Break the Law* Austin Sarat,Nasser Hussain,2010-10-20 Recent controversies surrounding the war on terror and American intervention in Iraq and Afghanistan have brought rule of law rhetoric to a fevered pitch While President Obama has repeatedly emphasized his Administration s commitment to transparency and the rule of law nowhere has this resolve been so quickly and severely tested than with the issue of the possible prosecution of Bush Administration officials While some worry that without legal consequences there will be no effective deterrence for the repetition of future transgressions of justice committed at the highest levels of government others echo Obama s seemingly reluctant stance on launching an investigation into allegations of criminal wrongdoing by former President Bush Vice President Cheney Secretary Rumsfeld and members of the Office of Legal Counsel Indeed even some of the Bush Administration s harshest critics suggest that we should avoid such confrontations that the price of political division is too high Measured or partisan scholarly or journalistic clearly the debate about accountability for the alleged crimes of the Bush Administration will continue for some time Using this debate as its jumping off point *When Governments Break the Law* takes an interdisciplinary approach to the legal challenges posed by the criminal wrongdoing of governments But this book is not an indictment of the Bush Administration rather the contributors take distinct positions for and against the proposition offering revealing reasons and illuminating alternatives The contributors do not ask the substantive question of whether any Bush Administration officials in fact violated the law but rather the procedural legal political and cultural questions of what it would mean either to pursue criminal prosecutions or to refuse to do so By presuming that officials could be prosecuted these essays address whether they should *When Governments Break the Law* provides a valuable and timely commentary on

what is likely to be an ongoing process of understanding the relationship between politics and the rule of law in times of crisis Contributors Claire Finkelstein Lisa Hajjar Daniel Herwitz Stephen Holmes Paul Horwitz Nasser Hussain Austin Sarat and Stephen I Vladeck      **Impunity, Human Rights, and Democracy** Thomas C. Wright, 2014-12-10 Universal human rights standards were adopted in 1948 but in the 1970s and 1980s violent dictatorships in Argentina and Chile flagrantly defied the new protocols Chilean general Augusto Pinochet and the Argentine military employed state terrorism in their quest to eradicate Marxism and other forms of subversion Pinochet constructed an iron shield of impunity for himself and the military in Chile while in Argentina military pressure resulted in laws preventing prosecution for past human rights violations When democracy was reestablished in both countries by 1990 justice for crimes against humanity seemed beyond reach Thomas C Wright examines how persistent advocacy by domestic and international human rights groups evolving legal environments unanticipated events that impacted public opinion and eventual changes in military leadership led to a situation unique in the world the stripping of impunity not only from a select number of commanders of the repression but from all those involved in state terrorism in Chile and Argentina This has resulted in trials conducted by national courts without United Nations or executive branch direction in which hundreds of former repressors have been convicted and many more are indicted or undergoing trial Impunity Human Rights and Democracy draws on extensive research including interviews to trace the erosion and collapse of the former repressors impunity a triumph for human rights advocates that has begun to inspire authorities in other Latin American countries including Peru Uruguay Brazil and Guatemala to investigate past human rights violations and prosecute their perpetrators      Remembering the Rescuers of Victims of Human Rights Crimes in Latin America Marcia Esparza, Carla De Ycaza, 2016-12-20 This book explores the significance of remembering the rescuers denouncing human rights crimes as well as protecting and sheltering targeted victims including the dead during the Cold War state violence in Latin America In light of newly unearthed archival evidence testimonial memories and the continued mobilization of human rights groups to preserve Cold War memory this timely book moves beyond the victim perpetrator dichotomy and its discursive studies to focus on those whose moral courage and righteous acts were beacons of hope in the midst of extreme violence Remembering Latin American righteousness a term used in Holocaust literature is important in recognizing that those who resisted human rights violations and protected victims yesterday are those who often keep the collective memory of that past alive today      **Historical Dictionary of Chile** Salvatore Bizzarro, 2017-02-13 This two volume Historical Dictionary of Chile covers the economy and the environment political parties and history and reprehensible period of dictatorship during a crucial time in Chile s history The end of the iron fist rule of Augusto Pinochet who ruled from 1973 until 1990 however allowed a return to democratic rule and the country kept searching for coherence and unity in national life among diverse and often discordant elements This fourth edition of Historical Dictionary of Chile contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced

entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Chile     *International Who's Who in Poetry 2005*  
Europa Publications,2004 Provides up to date profiles on the careers of leading and emerging poets

Exorcising Terror: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Exorcising Terror : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
