## **Exp Last Car To Elysian:**

Robicheaux's Roots Patricia M. Gaitely, 2016-08-22 James Lee Burke developed the character of Cajun detective Dave Robicheaux through twenty mystery novels published over three decades Despite readers increasing interest in Detective Robicheaux his habits and preferences originate from a culture still unfamiliar to many of the books fans In Robicheaux s Roots Patricia M Gaitely explores the music food language and folklore of southwest Louisiana and illuminates the cultural sources that Burke incorporated into this gripping series Part of Robicheaux s appeal Gaitely shows rests in his connection to his hometown of New Iberia with its faults charm and reliance on the old ways Multiple cultural strands coexist in this region including Creole and Cajun French dialect African American folk sayings swamp pop zydeco and blues music and voodoo Catholicism evangelicalism and faith healing These aspects of Cajun life weave throughout Robicheaux s world The commingling of so many traditions provides multiple meanings for even the most common encounters water can be both natural element and medium between living and dead and gumbo jambalaya and crawfish may represent more than simply regional foods Additionally Gaitely demonstrates that beneath the pleasant veneer of southern hospitality a persistent legacy of violence and vengeance leaves a lasting mark on the lives of Robicheaux and the other characters Robicheaux s Roots reveals how elements of south Louisiana s culture signal a sense of belonging but also recall the area s history of isolation As a result readers gain a deeper understanding of Robicheaux himself and an enhanced appreciation for Burke s acclaimed series

**The Routledge Dictionary of Modern American Slang and Unconventional English** Tom Dalzell, 2008-07-25 The Routledge Dictionary of Modern American Slang and Unconventional English offers the ultimate record of modern American Slang The 25 000 entries are accompanied by citations that authenticate the words as well as offer lively examples of usage from popular literature newspapers magazines movies television shows musical lyrics and Internet user groups Etymology cultural context country of origin and the date the word was first used are also provided This informative entertaining and sometimes shocking dictionary is an unbeatable resource for all language aficionados out there Sequels

Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

**James Lee Burke and the Soul of Dave Robicheaux** Barbara Bogue, 2015-01-27 When he created the character Dave Robicheaux author James Lee Burke lent the New Orleans homicide detective a few of his own characteristics a daughter named Alafair a lifetime struggle with alcohol his Roman Catholic faith and his love for fishing and the outdoors On the other hand Robicheaux is portrayed as a veteran of the Vietnam war something Burke never experienced firsthand Yet the demons Burke has known allow him to write convincingly about demons he never knew Thus Burke has created a realistic complex and compelling protagonist for his crime fiction series That depth is one element that elevates Burke s writing above the status of genre fiction This book explores how James Lee Burke through the first person narrative of detective Dave Robicheaux probes the world of law and

order crime and disorder and one man's internal conflicts with modern moral issues The first chapter reveals the similarities and differences between real life creator and fictional protagonist Next chapters arranged by theme explore the roles of women Robicheaux's paternal side as revealed through his adopted daughter the paternal influences in the detective's own life and the contrasting personality of his half brother Jimmie The next chapters probe the roots of the detective's moral dilemmas his battle with alcohol the Vietnam war's lingering trauma and religion Next the author explores Burke's use of the supernatural sense of place and music to deepen his stories Final chapters delve into Robicheaux's moral quandaries as a law enforcement officer the character's contrast to his reckless and funny partner Cleve and how Burke reveals truths about life through Robicheaux An interview with Burke is included

**A Persistence of Dreams** James Qualls, 2020-08-04 Inti Machay and the Royal Feast of the Sun Cusco Region Urubamba Province Machupicchu District Above the Sacred Valley December 21 1572 The high priest stood waiting for the sun to rise at the Intihuatana stone The Inca believed the stone captured and held the sun in place along its daily trek across the sky As a calendar the stone aligns with the sun's position during the winter solstice At midday on November 11 and again on January 30 the sun shines directly upon the pillar casting no shadow at all The hand carved base however reflects the contour of the Inca Empire An empire far more significant than anyone knew an empire currently under assault The priest retrieved the set of ceremonial daggers made from bismuth bronze from the tomb The knives created in the fifteenth century are the earliest known artifacts containing this alloy They were said to be a gift from the gente peque a the little people He would not leave them for the hairy conquerors to find They stank and had no honor Twenty million MesoAmericans disappeared Ninety five percent of the Olmec Mayan Aztec and Inca populations just went on a walkabout one morning and disappeared It was not war or disease for there were no bodies The Compassionist's Agenda Three days ago A week ago my life changed A gathering of dreams came home I was tired exhausted and accidentally drugged I'd been caring for a friend when the illusions crawled from the darkness onto my deck They woke something from childhood memories and dreams belonging to someone else Familiar somehow but not mine Something in them haunted me for a week But as it does life returned to normal until this morning Two of the little ones came back simply popped into existence along the shoreline The Imaginary Resolution Services were tracking the dreams that visited They had disappeared after revealing themselves with no traces anywhere The only reason Homefry and Pooh came here was to question my friend the one who started all this in the first place It seems Leonardo Garfield is the only Grumpmuffin available now The IRS was hoping to backtrack our visitors from his signature It turns out that cats are walkers Their purrs allow them a sympathetic resonance that vibrates the veils open between realities The Twelyth Teg use their wings to the same end The rest of us need to use the ley lines the bismuth veins that crisscross the planet Be that as it may I am going along too What I thought was a one off experience goes much deeper Children encounter magic because they look for it It snuck up on me I did not find the beauty of my childhood again only to lose it now If you know anything about me it should be that I keep a

promise I don't make many but the ones that I do get delivered Homefry and Pooh along with me and thee are going to find our friends and bring them home Despite the odds I'll do what I usually do and follow my heart But first we need to locate a few things lost to time miracles We're going to need them **Criminology, Civilisation and the New World Order**

Wayne Morrison, 2013-10-18 Expertly authored by the co-editor of the best-selling text *Cultural Criminology Unleashed* this book re-examines criminology in a global context Wide-ranging and up-to-date it covers the topics of colonialism and post-colonialism genocide state control the impact of September 11th and the post-9/11 world Exploring the relationship between a modern discipline and modernity it reworks the history and composition of criminology in light of September 11th and the prevalence of genocide in modernity Analyzing statistics anthropology and the everyday assumptions of criminology's history this text addresses the political and scholarly grip on the territorial state and the absence of a global criminology Rejecting the prevalent belief that September 11th and the responses it evoked were exceptions that either destroyed or revealed the absence of global legal order the author argues that in fact they confirm the nature of the world order of modernity A compelling and topical volume this is a must-read for anyone interested or studying in the areas of criminology and criminal justice **Erie Railroad Employee's Magazine**, 1948 *The Unabashed Librarian*, 2003 *Forthcoming Books* Rose

Army, 2003-04 *The Puzzle of the Red Stallion* Stuart Palmer, 2013-05-14 A model is dead in Central Park and the only witness to the crime is a horse A most readable and entertaining story The New York Times The evening's party is over and modeling sensation Violet Feverel wants to get in a quick horse ride before the dawn breaks She saddles up Siwash the stallion and gallops onto the Central Park bridle path eager to begin what will be the last ride of her life On the other side of the park Miss Hildegard Withers schoolmarm and expert sleuth breaks into a grin when she hears a patrolman's radio mention a Code 44 As she knows all too well Code 44 means a dead body and dead bodies mean adventure Miss Withers follows the cop to the crime scene where they find Violet Feverel lying dead having apparently fallen from her horse But if she died when she hit the ground then why is Siwash marked with a spot of blood For Miss Withers answering this question will prove more exciting than an afternoon at the races and much more risky *The Puzzle of the Red Stallion* is part of the Hildegard Withers Mysteries series which also includes *The Penguin Pool Murder* and *Murder on the Blackboard*

*Daybreak at Chavez Ravine* Erik Sherman, 2023-05 Finalist for the 2023 CASEY Award Named a Best Baseball Book of 2023 by Sports Collectors Digest Fernando Valenzuela was only twenty years old when Tom Lasorda chose him as the Dodgers opening day starting pitcher in 1981 Born in the remote Mexican town of Etchohuaquila the left hander had moved to the United States less than two years before He became an instant icon and his superlative rookie season produced Cy Young and Rookie of the Year awards and a World Series victory over the Yankees Forty years later there hasn't been a player since who created as many Dodgers fans After the Dodgers move to Los Angeles from Brooklyn in the late 1950s relations were badly strained between the organization and the Latin world Mexican Americans had been evicted from their

homes in Chavez Ravine Los Angeles some forcibly for well below market value so the city could sell the land to team owner Walter O Malley for a new stadium For a generation of working class Mexican Americans the Dodgers became a source of great anguish over the next two decades However that bitterness toward the Dodgers vanished during the 1981 season when Valenzuela attracted the fan base the Dodgers had tried in vain to reach for years El Toro as he was called captured the imagination of the baseball world A hero in Mexico a legend in Los Angeles and a phenomenon throughout the United States Valenzuela did more to change that tense political environment than anyone in the history of baseball A new fan base flooded Dodger Stadium and ballparks around the United States whenever Valenzuela pitched in a phenomenon that quickly became known as Fernandomania which continued throughout a Dodger career that included six straight All Star game appearances Daybreak at Chavez Ravine retells Valenzuela's arrival and permanent influence on Dodgers history while bringing redemption to the organization's controversial beginnings in LA Through new interviews with players coaches broadcasters and media Erik Sherman reveals a new side of this intensely private man and brings fresh insight to the ways he transformed the Dodgers and started a phenomenon that radically altered the country's cultural and sporting landscape

**Forgotten Virgo** Kathleen Wine, 2000 Cette tude trouve dans les traditions la fois savantes et politiques associées la d'esse Astré une invitation relire l'uvre d'Honoré d'Urf la lumièrre de la pastorale et de l'popé virgiliennes Pourtant refusant l'absolutisme naissant d'Henry IV d'Urf encouragea ses lecteurs oublier la d'esse et l'popé bourbonienne qu'il avait lui-même esquissée Il réussit ainsi libérer le monde pastoral de sa dépendance vis-à-vis de l'humanisme et de l'absolutisme offrant au public du dix-septième siècle un mythe fertile d'autonomie personnelle et littéraire

The Art of Feature Writing Earl R. Hutchison, 2008 From basic newspaper features to in-depth magazine articles and incisive commentary The Art of Feature Writing introduces students to the myriad tasks of a journalist including researching interviewing organizing writing and marketing Replete with accessible dynamic examples drawn from a variety of diverse sources this book takes a step-by-step approach to give students the skills tools and confidence they need to produce their own distinctive material With the encouraging voice of an experienced teacher Hutchison imparts sensible advice on both the craft of writing and the more practical concerns of a freelancer The book is enhanced by rich pedagogical features including key points chapter summaries and numerous exercises From writing a lead that sings to the income tax implications of a freelance career The Art of Feature Writing helps students generate compelling copy as they develop a more sophisticated understanding of the career of a writer
