Hearing God's Voice Henry T. Blackaby,Richard Blackaby,2002-09-15 Based on classic Experiencing God principles

Hearing God's Voice is for those who are ready to listen. Beloved author Henry Blackaby and his son Richard help those who are listening to discern the voice of God to identify ways He speaks and to respond to His revelations of His will. God speaks to individuals in ways that are personal and unique to each person. God will never say anything that contravenes what He has said in the Bible and usually He confirms what He has said. After you learn to listen to God, hearing from God will be as natural as communicating with a close friend.
