Experiment In Autobiography Volume 1:

War and Society Volume 1 Brian Bond, Ian Roy, 2015-10-05 Originally published in 1975 this volume filled a gap in existing scholarship by providing a comprehensive group of essays on the historical study of war and armed forces and their relationship with society These volumes include articles ranging from the Renaissance to the era of total war **The Correspondence of H G Wells Vol 1** H G Wells, David Smith, Patrick Parrinder, 2024-10-28 This collection of H G Wells s correspondence draws on over 50 archives and libraries worldwide including the papers of Wells s daughter by Amber Reeves The book contains over 2000 letters both business and personal Wells s private correspondence includes letters to Winston Churchill *The Correspondence of H.G. Wells: Volumes 1–4* David C. Smith, 2022-08-15 This collection of H G Wells s correspondence draws on over 50 archives and libraries worldwide including the papers of Wells s daughter by Amber Reeves The book contains over 2 000 letters and while a few are business to publishers agents and secretaries the majority are much more personal Wells s private correspondence extends from letters to President Franklin Roosevelt and Prime Ministers Winston Churchill and A J Balfour to persons such as Mark Benney who wrote novels based on his life in the slums and his time in prison There is correspondence too with his many female friends and lovers among them Rebecca West Eileen Power Gertrude Stein Marie Stopes Lilah MacCarthy and Dorothy Richardson For example a letter from Moura Budberg with whom Wells had a long standing affair which announces that she is pregnant by him and about to have an abortion reveals how an advocate of birth control is himself caught out Wells also enjoyed correspondence with the press particularly during the two World Wars and with various BBC officials and people who worked on his films Some of his letters on the controversies of free love socialism birth control the Fabian Society and the nature of the curriculum of the new London University in the 1890s are included Interspersed chronologically with Wells s letters is a small selection of about 40 letters to Wells where letters from him are not extant Among these are letters from Ray Lankester Joseph Conrad C G Jung Trotsky Hedy Gattarnigg the woman who attempted suicide in Wells s flat and J C Smuts The letters are arranged in these periods Volume 1 1878 1900 Volume 2 1901 1912 Volume 3 1913 1930 and Volume 4 1930 1946 H G Wells s works include *The Time Machine* 1895 *The Invisible Man* 1897 *The War of the Worlds* 1898 *The History of Mr Polly* 1910 and *A Short History of the World* 1922 *H.G. Wells and Rebecca West* John R. Hammond, 1991 **Routledge Library Editions: Utopias** Various, 2021-11-01 Routledge Library Editions Utopias 6 volume set contains titles originally published between 1923 and 1982 It includes volumes focusing on Utopian fiction both as a genre in its own right and also from a feminist perspective In addition there are sociological texts that examine the history of Utopian thought from the writings of Plato and beyond as well as specific examples of people who have tried to create Utopian communities *A war of individuals* Jonathan Atkin, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This book draws together for the very first time examples of the aesthetic pacifism practised during the Great

War by such celebrated individuals as Virginia Woolf Siegfried Sassoon and Bertrand Russell In addition the book outlines the stories of those less well known who shared the mind set of the Bloomsbury Group when it came to facing the first total war The research for this study took five years gathering evidence from all the major archives in Great Britain and abroad This is the first time that such wide ranging evidence has been placed together in order to paint a complete picture of this fascinating form of anti war expression Education for All? Cathie Jo Martin,2023-09-21 Investigates how nineteenth century fiction writers influenced the creation of public school systems in Denmark and Great Britain The Picshuas of H.G. Wells Gene K. Rinkel,Margaret E. Rinkel,2006 H G Wells 1866 1946 was a literary lion throughout his career publishing more than one hundred books including classics such as War of the Worlds The Invisible Man and The Time Machine Though best remembered for his science fiction Wells was also a prolific sketcher who frequently enlivened his correspondence and marginalia with cartoons Those drawings made for his companion Amy Catherine Robbins which he called picshuas allowed him a vehicle for his nuanced self expression and satire Gene K Rinkel and Margaret E Rinkel s The Picshuas of H G Wells interprets these highly original cartoons through an analysis of their peculiar content and style based on Wells life and writings The picshuas are perhaps the best demonstration of Wells piquant sense of humor They provide intriguing snapshots of Wells robust private life and convey his opinions about other writers and public figures as well as himself whose rotund cartoon figure he sometimes lampooned as the Great Author Using a narrative style of creative nonfiction The Picshuas of H G Wells weaves facts from Wells life with incidents reflected in the cartoons episodes drawn from his novels and scenes from other writings to provide glimpses into his moments of his personal and professional conflict and triumph There emerges a fascinating and funny portrait of a complex literary personality and his complicated relationship with a devoted collaborator his wife Some forty picshuas were published in Wells Experiment in Autobiography but the wide range of the picshuas throughout his correspondence and private papers has never been surveyed and published until now As an ensemble they provide close look at the Great Author in his most joyous and uninhibited moments laughing at himself and the world

Faded and Threadbare Historic Textiles and their Role in Houses Open to the Public Margaret

Ponsonby,2016-04-15 Many historic houses that open to the public in England and Wales particularly those owned by the National Trust preserve their contents rather than restore them to a particular period The former owners of these houses often retained objects from various periods and this layering of history produces interiors that look aged and patinated Although the reason for this preservation and lack of fashionable renewable can be attributed to declining economic fortunes in the twentieth century there are many examples of families practising this method of homemaking over a much longer period Taking National Trust properties as its central focus this book examines three interlocking themes to examine the role of historic textiles Firstly it looks at houses with preserved contents together with the reasons for individual families choosing this lifestyle secondly the role of the National Trust as both guardian and interpreter of these houses and their

collections and finally and most importantly the influence of textiles to contribute to the appearance of interiors and their physical attributes that carry historical resonances of the past The importance of preserved textiles in establishing the visual character of historic houses is a neglected area and therefore the prominence given to textiles in this project constitutes an original contribution to the study of these houses Drawing upon a range of primary sources including literature produced by the National Trust for their sites and documentary sources for the families and their houses such as diaries letters and household accounts the study takes a broad approach that will be of interest to all those with an interest in material culture heritage collecting studies and cultural history

The Correspondence of H G Wells Vol 3 H G Wells, David Smith, Patrick Parrinder, 2024-10-28 This collection of H G Wells's correspondence draws on over 50 archives and libraries worldwide including the papers of Wells's daughter by Amber Reeves The book contains over 2000 letters both business and personal Wells's private correspondence includes letters to Winston Churchill

Clara Collet, 1860-1948 Deborah McDonald, 2004-03 This absorbing account of the life and work of Clara Collet a leading economist statistician and champion of women's employment is the first biography of this remarkable woman and reveals through Collet's diaries her fascinating personal life An early female university graduate 1880 then teacher she campaigned for the secondary education provision of girls at a time when it was negligible Her other major contribution was in raising the status of working class women becoming a Commissioner for the Royal Commission on Labour 1892 She was close to the family of Karl Marx particularly with Eleanor Marx and with Beatrice Webb Her enduring friendship with the cult Victorian author George Gissing deeply influenced his writing Her working relationships with Charles Booth Lloyd George Ramsay MacDonald and Winston Churchill are also celebrated

Fairy Tales of London Hadas Elber-Aviram, 2021-01-28 Finalist for the 2022 Mythopoeic Scholarship Award for Myth and Fantasy Studies From the time of Charles Dickens the imaginative power of the city of London has frequently inspired writers to their most creative flights of fantasy Charting a new history of London fantasy writing from the Victorian era to the 21st century Fairy Tales of London explores a powerful tradition of urban fantasy distinct from the rural tales of writers such as J R R Tolkien Hadas Elber-Aviram traces this urban tradition from Dickens through the scientific romances of H G Wells the anti-fantasies of George Orwell and Mervyn Peake to contemporary science fiction and fantasy writers such as Michael Moorcock Neil Gaiman and China Miéville

Disease, Class and Social Change Marc Arnold, 2012-11-15 This previously unexamined history of open air treatment in English coastal resorts demonstrates how contrasting meanings were assigned to tuberculosis along lines of class It assesses the shifting inter relation of medical political and social forces in determining responses to this devastating disease and analyses the relationship between scientific ideas in particular social evolution and germ theory and attitudes to poverty and chronic disease In Folkestone and Sandgate these conflicting perceptions of the disease were highlighted in a clash of interests between reformist public health officials in overcrowded London Boroughs and a provincial plutocracy with a vested interest in maintaining the status quo in

an elite health resort This local controversy precipitated calls for state treatment of the disease and throws light on the ways in which doctors politicians and academics have tended to frame the issue of tuberculosis according to their own political perspectives and values Medical approaches to tuberculosis varied between viewing it as a disease of poverty that could most efficiently be eradicated through addressing problems of poor housing and overcrowding to a focus on the isolation and sterilisation of those deemed to possess an hereditary taint Conflicts between an infection model of the disease and a focus on social reform still characterise approaches to tuberculosis treatment today

The Young H. G. Wells Claire Tomalin, 2021-11-02 Tomalin's The Young H G Wells is hard to beat being friendly astute and a pleasure to read Michael Dirda Washington Post Claire Tomalin's short engaging biography The Young H G Wells is a welcome addition to the conversation Her book makes a strong case for Wells's enduring importance Heller McAlpin The Wall Street Journal From acclaimed literary biographer Claire Tomalin a complex and fascinating exploration of the early life of the influential writer and public figure H G Wells How did the first forty years of H G Wells's life shape the father of science fiction From his impoverished childhood in a working class English family and determination to educate himself at any cost to his complicated marriages love affair with socialism and the serious ill health that dominated his twenties and thirties H G Wells's extraordinary early life would set him on a path to become one of the world's most influential writers The sudden success of The Time Machine and The War of the Worlds transformed his life and catapulted him to international fame he became the writer who most inspired Orwell and countless others and predicted men walking on the moon seventy years before it happened In this remarkable empathetic biography Claire Tomalin paints a fascinating portrait of a man like no other driven by curiosity and desiring reform a socialist and a futurist whose new and imaginative worlds continue to inspire today

Bernard Shaw Michael Holroyd, 1988 To his own generation Bernard Shaw's greatest creation seemed to be himself Playwright wit socialist polemicist and irresistible charmer he was the most controversial literary figure of his age and the scourge of all that was most oppressive in late Victorian England In his writing and public speeches he embodied the unfamiliar virtues of reason sense and unanswerable good humor And yet as the opening volume of this masterly four volume biography makes clear Shaw's invention of this monumental figure was a paradoxical method of concealment and his way of coming to terms with a world that had abandoned him in childhood Jacket flap
