

# Involved Father

**Naomi Holdt**

## **Involved Father:**

*Superdads* Gayle Kaufman, 2013-06-01 Look There in the playground with the stroller and diaper bag It s Superdad Yes it s Superdad the most involved fathers in American history And with this careful compassionate and also critical group portrait Gayle Kaufman has finally told their story If you think men aren t changing or if you think they somehow get neutered if they are changing you need to read this book Michael Kimmel author of *Guyland* In an age when fathers are spending more time with their children than at any other point in the past men are also facing unprecedented levels of work family conflict How do fathers balance their two most important roles that of father and that of worker In *Superdads* Gayle Kaufman captures the real voices of fathers themselves as they talk about their struggles with balancing work and family life Through in depth interviews with a diverse group of men Kaufman introduces the concept of superdads a group of fathers who stand out by making significant changes to their work lives in order to accommodate their families They are nothing like their fathers old dads who focus on their traditional role as breadwinner or even some of their peers so called new dads who work around the increasing demands of their paternal roles without really bucking the system In taking their family life in a completely new direction these superdads challenge the way we think about long held assumptions about men s role in the family unit

Thought provoking and heartfelt *Superdads* provides an overview of an emerging trend in fatherhood and the policy solutions that may help support its growth pointing the way toward a future society with a more feasible approach to the work family divide

**Modern Fathers** Thomas Schirrmacher, 2019-09-19 There have always been good fathers and bad fathers But never before in history has the role of fathers been as undefined as it is today hardly anyone who becomes a father is entering the race with a religious cultural or educational assignment This involves many drawbacks But instead of just deploring this fact I want committed fathers to recognize and exploit the new opportunities involved in this Especially the freedom from old role models opens up completely new possibilities for fathers to take on an hugely positive task for the development of their children and to cultivate a stable relationship with the mother which lives from the difference of the sexes

*It's a Setup* Timothy Black, Sky Keyes, 2020-11-20 The expectation for fathers to be more involved with parenting their children and pitching in at home are higher than ever yet broad social political and economic changes have made it more difficult for low income men to be fathers In *It's a Setup* Timothy Black and Sky Keyes ground a moving and intimate narrative in the political and economic circumstances that shape the lives of low income fathers Based on 138 life history interviews they expose the contradiction that while the norms and expectations of father involvement have changed rapidly within a generation labor force and state support for fathering on the margins has deteriorated Tracking these life histories they move us through the lived experiences of job precarity welfare cuts punitive child support courts public housing neglect and the criminalization of poverty to demonstrate that without transformative systemic change individual determination is not enough Fathers on the social and economic margins are setup to fail

*Clinical and Educational Interventions with*

*Fathers* Jay Fagan, Alan Hawkins, 2018-10-24 Call on men's hidden strengths to help them become responsible fathers in even the most challenging circumstances *Clinical and Educational Interventions with Fathers* gives you fresh approaches for effective interventions with fathers Whether by calling on their faith to help them deal with the complexities of fatherhood or offering high tech interventions on the Internet these techniques help men find their strengths maintain their masculinity and learn to guide nurture and discipline with love and responsibility Instead of thinking of fathers as deficient the book emphasizes finding fathers strengths and potentials for growth It also respects the diversity of parenting styles among fathers from various ethnic racial and class backgrounds No man wants to be a bad father Nevertheless many men in our culture do not know how to care for the children they beget Trapped by stereotypes of masculine behavior and deprived of positive role models they find themselves trying to do the challenging work of fatherhood without the necessary resources information or support *Clinical and Educational Interventions with Fathers* offers positive approaches to helping men become responsible fathers including designing special techniques and programs to help fathers in prison and other challenging circumstances helping fathers manage anger developing therapeutic support groups for African American men offering Web based support for fathers training staff to recognize and respond to fathers unique needs finding legal tools to support fathers rights Reaching fathers has become an ever more urgent priority for practitioners as family structure and family life change Traditional social service programs for mothers tend not to work well with men's very different needs and attitudes Yet very little has been published on successful interventions with fathers *Clinical and Educational Interventions with Fathers* fills that gap and suggests promising new directions for further research in this field By offering positive tested ways to help men become responsible fathers this volume will help you improve their lives and the lives of their sons and daughters

**Fathers and Families** Henry B. Biller, 1993-01-21 Biller well known for his extensive research into the impacts of involved fathering or the absence thereof provides a comprehensive straightforward analysis of just how important paternal involvement really is He describes the great advantages accruing to a child when the father as well as the mother actively participates in the parenting process Fathers who sustain high interest and a true presence in a child's nurturing significantly influence body image self esteem moral standards intellectual achievement and social competency The benefits Biller shows extend beyond the father child relationship and include heightened spousal satisfaction and a sense of overall family well being The reciprocal influences of father mother and child development are considered within a lifespan biopsychosocial perspective This is an important and compelling treatment of a topic of immense concern not only to individual families but to society as a whole Biller by relating specific issues to fathers roles and influences offers the first integrated analysis of just how important a father's caring presence and active involvement is to his child's and spouse's psychosocial well being This balanced study of paternal factors addresses not only such issues as nurturance discipline and the cultivation of self esteem intelligence and creativity but also family problems so evident in current society There is a

thorough analysis concerning complex connections among gender roles parenting and personality development The work is highly substantive realistic and encouraging in its potential for guidance and offers insightful useful conclusions on paternal behavior and influences *Bounce* Naomi Holdt,2023-09-01 *Bounce* How to Raise Resilient Kids and Teens is an easy to read effective guide that can make an immediate difference to your parenting approach and your relationship with your children Based on years of experience as a parent and a parenting expert it provides accessible information and advice thought provoking exercises and proven techniques It explores issues that impact us all including What is resilience Anxiety and depression Building resilience in our children by working on our own resilience Boundaries and gentle parenting Helping children through grief Parenting the anxious child Tips for divorced parents Childhood depression Highly sensitive children and resilience *Bounce* will help you tackle this messy and beautiful journey of life and parenting in a very human way

**Fathers, Childcare and Work** Rosy Musumeci,Arianna Santero,2018-05-11 The work life balance of fathers has increasingly come under scrutiny in political and academic debates and this collection brings together qualitative and quantitative analyses to explore their approaches to reconciling paid work and care responsibilities **Fathers and Their Families** Stanley H. Cath,Alan R. Gurwitt,Linda Gunsberg,2013-05-13 In 28 chapters and extensive editorial commentary this book explores the changing roles of fathers changes prompted partly by societal shifts and partly by changes in the family and in traditional parental roles Among the topical studies con *Immigrant and Refugee Youth and Families* Mo Yee Lee,2021-05-19 The United States is known as a nation of immigrants Over the years the composition of immigrants has significantly changed From receiving immigrants from primarily Europe the United States is now home to people from countries around the globe One of the common challenges encountered by immigrant and refugee families and youth is to successfully resettle and integrate into the host country that is culturally different from their country of origin Depending on the context of migration families and youth oftentimes face additional challenges ranging from potential trauma prior to immigration language employment education healthcare accessibility integration discrimination etc This book focuses on different issues experienced by immigrant and refugee families and youth as well as programs implemented to serve these populations These issues pertain to the individual at a personal level attachment trauma bi cultural self efficacy behavioral problems and mental health family parenting work family conflict problems such as domestic violence community risk factors such as racial discrimination and protective factors such as social capital and policy immigration policy and enforcement Part I of the book focuses on immigrant and refugee families and Part II focuses on immigrant and refugee youth By increasing our awareness of issues pertinent to immigrant and refugee families and youth we can better provide culturally respectful and sensitive services and policy to this population at a time when they are navigating between their host culture and home culture in addition to dealing with challenges encountered in resettlement The book is a significant new contribution to migration studies and social justice and will be a great resource for academics researchers and advanced students of social

work public policy law and sociology The chapters in this book were originally published in the Journal of Ethnic Cultural Diversity in Social Work

**Designing Parental Leave Policy** Brandth, Berit, Kvande, Elin, 2022-01-19 This compelling book examines parental leave policies in Nordic countries looking at how these laws encourage men towards life courses with greater care responsibilities It considers the impact that these policies have had on gender equality and how they have led to a re gendering of men by promoting caring masculinities

**Unmarried Couples with Children** Paula England, Kathryn Edin, 2007-10-17 Today a third of American children are born outside of marriage up from one child in twenty in the 1950s and rates are even higher among low income Americans Many herald this trend as one of the most troubling of our time But the decline in marriage does not necessarily signal the demise of the two parent family over 80 percent of unmarried couples are still romantically involved when their child is born and nearly half are living together Most claim they plan to marry eventually Yet half have broken up by their child s third birthday What keeps some couples together and what tears others apart After a breakup how do fathers so often disappear from their children s lives An intimate portrait of the challenges of partnering and parenting in these families Unmarried Couples with Children presents a variety of unique findings Most of the pregnancies were not explicitly planned but some couples feel having a child is the natural course of a serious relationship Many of the parents are living with their child plus the mother s child from a previous relationship When the father also has children from a previous relationship his visits to see them at their mother s house often cause his current partner to be jealous Breakups are more often driven by sexual infidelity or conflict than economic problems After couples break up many fathers complain they are shut out especially when the mother has a new partner For their part mothers claim to limit dad s access to their children because of their involvement with crime drugs or other dangers For couples living together with their child several years after the birth marriage remains an aspiration but something couples are resolutely unwilling to enter without the financial stability they see as a sine qua non of marriage They also hold marriage to a high relational standard and not enough emotional attention from their partners is women s number one complaint Unmarried Couples with Children is a landmark study of the family lives of nearly fifty American children born outside of a marital union at the dawn of the twenty first century Based on personal narratives gathered from both mothers and fathers over the first four years of their children s lives and told partly in the couples own words the story begins before the child is conceived takes the reader through the tumultuous months of pregnancy to the moment of birth and on through the child s fourth birthday It captures in rich detail the complex relationship dynamics and powerful social forces that derail the plans of so many unmarried parents The volume injects some much needed reality into the national discussion about family values and reveals that the issues are more complex than our political discourse suggests

*The Super Dad Revolution: Working Fathers Shaping the Future* Aurora Brooks, 2023-09-13 The Super Dad Revolution Working Fathers Shaping the Future is a groundbreaking book that explores the changing role of fathers in today s society In this short read we delve into the various ways in which working

fathers are breaking stereotypes and shaping the future for themselves and their families The book begins by addressing the importance of breaking stereotypes surrounding fatherhood It highlights the need to challenge traditional notions of masculinity and embrace the idea that fathers can be nurturing involved and successful in their careers Work life balance is a key theme in The Super Dad Revolution It explores strategies and techniques that working fathers can use to effectively manage their professional and personal lives From flexible work arrangements to supportive workplaces this book provides practical advice for achieving a healthy work life balance Changing gender roles is another crucial aspect discussed in this book It explores how fathers are challenging societal expectations and actively participating in childcare and household responsibilities By doing so they are not only fostering positive father child relationships but also teaching their children the importance of equality and respect Emotional well being is a topic that is often overlooked when discussing fatherhood The Super Dad Revolution emphasizes the significance of fathers taking care of their mental and emotional health It explores the importance of support networks and open communication in helping fathers navigate the challenges of modern parenting The book also delves into the concept of quality time and the benefits of shared hobbies and interests between fathers and their children It highlights the role of fathers as role models and the importance of teaching values to their children Supporting working mothers is another crucial aspect covered in this book It explores the concept of shared parental leave and the importance of fathers taking an active role in childcare responsibilities By doing so fathers are not only supporting their partners but also setting an example for future generations The Super Dad Revolution concludes by discussing the future implications of changing societal norms It explores the potential impact of empowered children who have grown up with involved and supportive fathers Frequently Asked Questions section provides answers to common queries and encourages readers to reach out with any additional questions or comments they may have In summary The Super Dad Revolution Working Fathers Shaping the Future is a must read for any working father who wants to make a positive impact on their family and society as a whole It provides valuable insights practical advice and inspiring stories that will empower fathers to embrace their role and shape the future for themselves and their children This title is a short read A Short Read is a type of book that is designed to be read in one quick sitting These no fluff books are perfect for people who want an overview about a subject in a short period of time Table of Contents The Super Dad Revolution Working Fathers Shaping the Future Breaking Stereotypes Work Life Balance Flexible Work Arrangements Supportive Workplaces Changing Gender Roles Emotional Well being Support Networks Open Communication Positive Father Child Relationships Quality Time Shared Hobbies and Interests Role Models Teaching Values Breaking Gender Stereotypes Supporting Working Mothers Shared Parental Leave Childcare Responsibilities Future Implications Changing Societal Norms Empowered Children Conclusion Frequently Asked Questions Have Questions Comments **The Modern-Day Dad: Tips For Effective Fathering** Parcsen Loke,2022-05-25 Brothers we hear you Fathering is hard work but you re willing to get your hands dirty You want to be more

involved with your kids but your work schedule is unforgiving Parenting theories abound but who has the time to read them all The Modern Day Dad takes an honest and foundational look at fathering in Asian societies Passionately written by Parcsen Loke who has influenced many Singaporean fathers through coaching training and counselling it is a compelling read for modern dads of all ages Backed up by research and interspersed with Parcsen s personal stories you ll find tips to father effectively despite the many roles you juggle as a 21st century dad

**Saving Fatherhood** Alfred Elamin,2024-04-05 The basis of the research was done over the past three to four years It was pulled from many resources and other fathers testimonies of their experiences dealing with the court systems and other government entities and also dealing with the mental aspect of rebuilding the bond between an estranged father and child Each chapter deals with a step by step playbook that can help heal that cracked relationship

**Contemporary Social Issues in East Asian Societies: Examining the Spectrum of Public and Private Spheres** Merviö, Mika Markus,2014-01-31 While the balance between private and public sectors are based primarily on the experiences of the wealthy societies in Western Europe and North America the global reach and increased political weight of East Asian economies is bound to influence other societies as well Contemporary Social Issues in East Asian Societies Examining the Spectrum of Public and Private Spheres focuses on modern highly developed East Asian societies and their social issues particularly ones that are related to family institution and health By examining the modernized global society and its connectedness this book is a vital resource for researchers students and academicians interested in the distinctive features connected with local social and cultural traditions of East Asian society

*Fathering in India* Rajalakshmi Sriram,2018-12-30 This book covers the underexplored subject of fathering in India It delves into the shared aspirations of men in India to nurture their children in sensitively attuned ways within the culturally prescriptive context that governs men s roles as providers and caregivers This work is based on over two decades of intensive research in India on how different groups construct and experience fatherhood and fathering under changing circumstances It unmask the heterogeneity that exists within fathering in India through conversations with fathers across diverse contexts in privileged economic situations and those in difficult home and family circumstances having children with disability single parent fathers and fathers in the military A separate section discusses fathering daughters and shared parenting Images and role models in fathering are brought alive through analysis of Hindi films the media children s literature and classical literature The conceptual analysis moves beyond the power and control dimensions commonly used to describe Indian men and fathers to highlight their resilience adaptability positive involvement and developmental trajectories This volume is for scholars researchers and practitioners in developmental psychology human development and family science sociology early childhood education and psychiatry pediatrics community medicine and allied fields

**Work and Family in America** Leslie Stebbins,2001-08-13 Surveying current research findings social trends and public controversies Work and Family in America examines the changing cultures of the workplace family and home Once viewed as a women and

day care problem work family now encompasses a vast and complex set of issues Eldercare Fatherhood Telecommuting Pay equity Employee productivity and retention Feminism Child care and childcare development Youth violence Welfare Nontraditional families and family values This extensive overview of this burgeoning field includes everything from a detailed history and statistics comparing trends in the United States and abroad to key legislation and legal cases It gives biographical sketches of well known activists like Betty Friedan Arle Hothschild and Rosabeth Moss Kanter Lesser known advocates like James A Levine director of the Fatherhood Project at the Family and Work Institute and MIT professor Lotte Bailyn who believes work should be organized around tasks not time are also included

**The Complete Idiot's Guide to Being a New Dad** Joe Kelly, 2013-04-02 Ask any guy who is expecting his first child and he s likely to tell you the same thing he s absolutely thrilled to be a dad for the first time and he s also completely terrified Most new dads don t know the first thing about dealing with a new baby and while mommy might be interested in more complex topics that range from breastfeeding to colic most new daddies just want to know how not to screw it all up The Complete Idiot s Guide to Being a New Dad is written to be both highly usable and practical layered with a bit of encouraging wit in between First time dads will learn the daddy essentials for caring for a newborn from what to expect when baby first arrives and changing those first diapers without a disaster to the basics of feeding and burping and getting baby to sleep so mom and dad can sleep too and how to help mommy as she heals and deals with the enormous changes that she s experiencing both mentally and physically The Complete Idiot s Guide to Being a New Dad is the perfect guide for any new dad who needs to be armed with a little essential knowledge and a whole lot of encouragement

**Parenting** Susan Golombok, 2014-02-25 Parenting What Really Counts examines the scientific evidence on what really matters for children s healthy psychological development The first section considers whether it is necessary to have two parents a father present parents who have a genetic link with their child or parents who are heterosexual Section two explores the psychological processes that underlie optimal development for children particularly the quality of the child s relationship with parents other family members and the wider social world Contrary to common assumptions Susan Golombok concludes that family structure makes little difference to children s day to day experiences of life As well as for students researchers and teachers Parenting What really counts will be of great interest to parents and those thinking of embarking on a non traditional route to parenthood It will also be welcomed by professionals working with families and those involved in the development of family policy

**Well-Being** Marc H. Bornstein, Lucy Davidson, Corey L.M. Keyes, Kristin A. Moore, 2003-02-26 This volume derived from original presentations given at a conference in Atlanta Georgia under the auspices of the Center for Child Well Being Scholars practitioners public health professionals and principals in the child development community convened to address a science based framework for elements of well being and how the elements might be developed across the life course Integrating physical cognitive and social emotional domains Well Being is the first scientific book to consider well being holistically Focusing on a set of core

strengths grouped within these three domains the book also includes a fourth section on developmental strengths through adulthood that broadly examines a continuum of health and development as well as transitions in well being This volume takes a developmental perspective across the life course describing foundational strengths for well being the capacities that can be actively developed supported or learned These foundational strengths problem solving emotional regulation and physical safety are the positive underpinnings of early child health and development as well as ongoing well being across the life course Working together and blending their respective disciplinary perspectives and expertise 53 experts in psychology sociology child development and medicine have contributed to the book
