understand the need for responsible decisions **LEGAL & BUSINESS ENVIRONMENT: Made Very Very Easy** Dr.
Mukul Burghate and Dr Sunil Ikharkar, Preface Law is a system of rules that are created and enforced through social or
governmental institutions to regulate behavior It has been defined both as the Science of Justice and the Art of Justice Law is
a system that regulates and ensures that individuals or a community adhere to the will of the state State enforced laws can
be made by a collective legislature or by a single legislator resulting in statutes by the executive through decrees and
regulations or established by judges through precedent normally in common law jurisdictions Private individuals can create
legally binding contracts including arbitration agreements that may elect to accept alternative arbitration to the normal court
process The formation of laws themselves may be influenced by a constitution written or tacit and the rights encoded therein
The law shapes politics economics history and society in various ways and serves as a mediator of relations between people It
is in this context a textbook on introduction to the subject of LEGAL we would like to specially acknowledge contents of
website www.wikipedia.com and various authors whose writings formed the basis for this book We acknowledge our thanks
to them At the end we would like to say that there is always a room for improvement in whatever we do We would appreciate
any suggestions regarding this study material from the readers so that the contents can be made more interesting and
meaningful Readers can email their queries and doubts to our authors on sjp10ng@gmail.com We shall be glad to help you
