# Legal Feminismstheory And Practice

**Clare McGlynn**

## **Legal Feminismstheory And Practice:**

Legal Feminisms Clare McGlynn, 2020-04-02 First published in 1998 this book explores the links between theories of feminism and the practice of law and does so through an examination of a number of contemporary themes in feminist legal studies From an interdisciplinary perspective this book examines as one of its overarching themes the existence of a distinctively female legal voice or voices In arguing for a recognition of the diversity of women s experiences of the law and in the law it is also maintained that the role of feminism as a political strategy must not be lost Feminist legal studies is one of the most exciting and dynamic areas of contemporary legal studies and the ambition of this book is both to capture and channel this dynamic In introducing themes from politics philosophy literature sociology and cultural studies this book will be of interest to a wide ranging audience

**Legal Feminisms: Theory and Practice** Clare McGlynn, 2020 **At the Boundaries of Law (RLE Feminist Theory)** Martha Albertson Fineman, Nancy Sweet Thomadsen, 2013-05-20 Feminists have recently begun to challenge the powerful influence of the law on the social and cultural construction of women s roles identities and rights At the Boundaries of Law is a timely and path breaking work that provides a series of non technical interdisciplinary explorations into the nature and effects of legal regulation on women s lives Together the essays examine the fertile and radically revisionary links between feminism and legal theory But At the Boundaries of Law rejects the abstract grand theorizing of traditional feminist legal theory focusing instead on the concrete and material implications of the legal injustices endured by women These essays emphasise the complex diversity of female experience collectively arguing for legal theory and practice that both recognises and accommodates the concept of difference in gender class race and sexual orientation At the Boundaries of Law also raises provocative questions about the methodology and future of feminist legal theory itself In its rich variety of issues and approaches this volume will command the interest not only of legal theorists but of those interested in women s studies philosophy politics sociology and history It is sure to set the future agenda for scholars policymakers and anyone concerned with the role of law in society

Feminist Judgments Rosemary Hunter, Clare McGlynn, Erika Rackley, 2010-09-30 While feminist legal scholarship has thrived within universities and in some sectors of legal practice it has yet to have much impact within the judiciary or on judicial thinking Thus while feminist legal scholarship has generated comprehensive critiques of existing legal doctrine there has been little opportunity to test or apply feminist knowledge in practice in decisions in individual cases In this book a group of feminist legal scholars put theory into practice in judgment form by writing the missing feminist judgments in key cases The cases chosen are significant decisions in English law across a broad range of substantive areas The cases originate from a variety of levels but are primarily opinions of the Court of Appeal or the House of Lords In some instances they are written in a fictitious appeal but in others they are written as an additional concurring or dissenting judgment in the original case providing a powerful illustration of the way in which the case could have been decided differently even at the time it was heard Each case is accompanied by a commentary

which renders the judgment accessible to a non specialist audience The commentary explains the original decision its background and doctrinal significance the issues it raises and how the feminist judgment deals with them differently The books also includes chapters examining the theoretical and conceptual issues raised by the process and practice of feminist judging and by the judgments themselves including the possibility of divergent feminist approaches to legal decision making From the foreword by Lady Hale Reading this book ought to be a chastening experience for any judge who believes himself or herself to be both true to their judicial oath and a neutral observer of the world If lawyers and judges like me have so much to learn from reading this book then surely other more sceptical lawyers and judges have even more to learn other scholars and not only feminists must also be fascinated by the window it opens onto the process of judicial reasoning not the straightforward predetermined march from A to B of popular belief but something altogether more complicated and uncertain And anyone will find it a very good read

**Feminist Perspectives on Law and Theory** Janice Richardson, Ralph Sandland, 2013-03-04 This collection of essays on feminist legal theory therefore provides an interdisciplinary approach drawn not only from law and philosophy but also from cultural and womens studies

**Legal Feminisms** Clare McGlynn, 2018-09-18 First published in 1998 this book explores the links between theories of feminism and the practice of law and does so through an examination of a number of

contemporary themes in feminist legal studies From an interdisciplinary perspective this book examines as one of its overarching themes the existence of a distinctively female legal voice or voices In arguing for a recognition of the diversity of women s experiences of the law and in the law it is also maintained that the role of feminism as a political strategy must not be lost Feminist legal studies is one of the most exciting and dynamic areas of contemporary legal studies and the ambition of this book is both to capture and channel this dynamic In introducing themes from politics philosophy literature sociology and cultural studies this book will be of interest to a wide ranging audience

### **The Blackwell Companion to Law and Society**

Austin Sarat,2008-04-15 The Blackwell Companion to Law and Society is an authoritative study of the relationship between law and social interaction Thirty two original essays by an international group of expert scholars examine a wide range of critical questions Authors represent various theoretical methodological and political commitments creating the first truly global overview of the field Examines the relationship between law and social interactions in thirty three original essay by international experts in the field Reflects the world wide significance of North American law and society scholarship Addresses classical areas and new themes in law and society research including the gap between law on the books and law in action the complexity of institutional processes the significance of new media and the intersections of law and identity Engages the exciting work now being done in England Europe Australia and New Zealand South Africa Israel as well as Third World scholarship

### The Oxford Handbook of Feminism and Law in the United States Deborah L. Brake,Martha

Chamallas,Verna L. Williams,2023 The Oxford Handbook of Feminism and Law in the United States provides a wide ranging exploration of U S legal feminism analyzing both prominent brands of feminist legal theory and key feminist social movements The Handbook s chapters examine the influence that legal feminism has exerted on law from the creation of feminist claims such as sexual harassment and gender equity in sports to new understandings of consent motherhood and reproductive justice Contributions from leading feminist thinkers dissect the backlash to feminism and compare feminism to adjacent discourses including queer theory and masculinities theory The Handbook is also forward looking insofar as it imagines how legal feminism will affect emerging areas like digital privacy immigration law and environmental law Thanks to its expansive scope and highly regarded team of editors and contributors The Oxford Handbook of Feminism and Law in the United States will be an essential source for scholars and students working in a range of interconnected fields

### **The**

**Routledge International Handbook of Feminisms in Social Work** Carolyn Noble,Shahana Rasool,Linda

Harms-Smith,Gianinna Muñoz-Arce,Donna Baines,2024-06-03 This handbook highlights innovative and affect driven feminist dialogues that inspire social work practice education and research across the globe The editors have gathered the many at times silenced feminist voices and their allies together in this book which reflects current and contested feminist landscapes through 52 chapters from leading feminist social work scholars from the many branches and movements of feminist thought and practice The breadth and width of this collection encompasses work from diverse socio political contexts across the globe

including Central and South America Africa Asia the Middle East Europe North America Aotearoa New Zealand and Australia The book is divided into six parts as follows Decoloniality Indigeneity and Radical Theorising Feminist Social Work in Fields of Practice Academy and Feminist Research The Politics of Care Allyship Profeminisms and Queer Perspectives Social Movements Engaging with the Environment and the More than Human The above sections present the diverse feminisms that have influenced social work which provides a range of engaging informative and thought provoking chapters These chapters highlight that feminists still face the battle of working towards ending gender based violence discrimination exploitation and oppression and therefore it is urgent that we feature the many contemporary examples of activism resistance best practice and opportunities to emphasise the different ways feminisms remain central to social work knowledge and practice It will be of interest to all scholars and students of social work and related disciplinary areas including the social and human sciences global and social politics and policy human rights environmental and sustainability programmes citizenship and women s studies

*New Intimacies, Old Desires* Oishik Sircar, Dipika Jain, 2017-06-21 In the last 15 years queer movements in many parts of the world have helped secure the rights of queer people These moments have been accompanied by the brutal rise of crony capitalism the violent consequences of the war on terror the hyper juridification of politics the financialization managerialization of social movements and the medicalization of non heteronormative identities practices How do we critically read the celebratory global proliferation of queer rights in these neoliberal times This volume responds to the complicated moment in the history of queer struggles by analysing laws state policies and cultures of activism to show how new intimacies between queer sexuality and neoliberalism that celebrate modernity and the birth of the liberated sexual citizen are in fact reproducing the old colonial desire of civilizing the native By paying particular attention to the problematics of race religion and class this volume engages in a rigorous self reflexive critique of global queer politics and its engagements confrontations and negotiations with modernity and its investments in liberalism legalism and militarism with the objective of queering the ethics of our queer politics Published by Zubaan

**The Foundations of Vulnerability Theory** Jennifer Hickey, 2023-11-03 This volume is the first collection of Martha Albertson Fineman s most important and influential work Feminist legal theorist Martha Albertson Fineman has spent decades pushing the boundaries of law questioning and reconceptualizing legal and social definitions of family dependency vulnerability and state responsibility The pieces collected in this book trace the arc of Fineman s scholarship from gender equality to the role of the family as a social institution to dependency to autonomy to the legal subject and vulnerability theory This book reflects a lifetime of radical reimagining of the relationship between the state individuals families and other social institutions that is just as relevant today if not more so In this book Fineman offers a foundation for the achievement of true social justice through the centering of our shared human vulnerability and dependency grounded in the recognition of the ontological body and its material needs Arranged in sections and introduced by leading scholars in the field these pieces ask us to re examine

our legally enshrined commitment to formal equality and the mythological autonomous independent legal subject recognizing instead that we must call for an active and responsive state that meaningfully provides resilience through its social institutions This collection demonstrates an evolution of heretical thought that has always pressed for a deeper understanding of the foundations of law and society offering a model for other scholars on how to keep pressing through the hard work of thinking and rethinking the conceptual basics of language law society and justice This book will appeal to academics policymakers lawyers activists and students in law and politics theory with interests in law and society human dependency and vulnerability state responsibility and feminism and the family as well as others who have applied Fineman's vulnerability theory to issues in the fields of bioethics artificial intelligence and policing to name just a few

**Research Methods for Law** Mike McConville, Wing Hong (Eric) Chui, 2024-12-31 This third edition of *Research Methods for Law* offers students in a range of disciplines law sociology psychology criminology forensic science social legal studies and social welfare an advanced introduction to research methods in an accessible and grounded way As well as covering theoretical comparative and interdisciplinary methods the book breaks new ground by offering a focus on topics of contemporary and developing concerns in areas such as Artificial Intelligence BRICS Continental Legal Systems Islamic Law Gender Race and the Virtual World The expert contributors draw on their vast experience in teaching and research to encourage students and provide sure pathways for their own enterprises with technical competence and adherence to ethical standards

**The Oxford Companion to Philosophy** Ted Honderich, 2005-03-10 Oxford University Press presents a major new edition of the definitive philosophical reference work for readers at all levels For ten years the original volume has served as a stimulating introduction for general readers and as an indispensable guide for students its breadth and depth of coverage have ensured that it is also read with pleasure and interest by those working at a higher level in philosophy and related disciplines A distinguished international assembly of 249 philosophers contributed almost 2 000 entries and many of these have now been considerably revised and updated to these are added over 300 brand new pieces on a fascinating range of current topics This new edition offers enlightening and enjoyable discussions of all aspects of philosophy and of the lives and work of the great philosophers from antiquity to the present day

**Empty Justice** Melanie Williams, 2002 Using literature as a source of challenges to questions in philosophy and law this book explores the inculcation of the legal subject and the relationship between modernism and postmodernism as well as how such concepts might evolve in the construction of community ethics

**International Law and Posthuman Theory** Matilda Arvidsson, Emily Jones, 2024-01-02 Assembling a series of voices from across the field this book demonstrates how posthuman theory can be employed to better understand and tackle some of the challenges faced by contemporary international law With the vast environmental devastation being caused by climate change the increasing use of artificial intelligence by international legal actors and the need for international law to face up to its colonial past international law needs to change But in regulating and preserving a stable global order in which states

act as its main subjects the traditional sources of international law international legal statutes customary international law historical precedents and general principles of law create a framework that slows down its capacity to act on contemporary challenges and to imagine futures yet to come In response this collection maintains that posthuman theory can be used to better address the challenges faced by contemporary international law Covering a wide array of contemporary topics including environmental law the law of the sea colonialism human rights conflict and the impact of science and technology it is the first book to bring new and emerging research on posthuman theory and international law together into one volume This book s posthuman engagement with central international legal debates prefaced by the leading scholar in the field of posthuman theory provides a perfect resource for students and scholars in international law as well as critical and socio legal theorists and others with interests in posthuman thought technology colonialism and ecology Chapters 1 9 and 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

*Feminist Legal Theories* Karen Maschke, 2013-09-13 Multidisciplinary focus Surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States The themes addressed include the historical political and social contexts of legal issues that have affected women s struggles to obtain equal treatment under the law The articles are drawn from journals in law political science history women s studies philosophy and education and represent some of the most interesting writing on the subject The law in theory and practice Many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women Other topics covered include the evolution of women s legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual exploitation hate speech and feminist legal thought A valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women

## Legal Feminismstheory And Practice Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Legal Feminismstheory And Practice free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Legal Feminismstheory And Practice free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Legal Feminismstheory And Practice free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Legal Feminismstheory And Practice. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Legal Feminismstheory And Practice any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Legal Feminismstheory And Practice Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
