A. Sheir, 2022-06-22 This book considers the history of the Prester John legend and its impact on the Crusades investigating its entangled mythical history between East and West during the twelfth and thirteenth centuries The present study thus responds to the still pressing need for a comprehensive historical investigation of the twelfth and thirteenth crusading history of the legend and its impact on the Muslim Crusader encounters examining various Latin Arabic Syriac and Coptic accounts It further reflects on new eastern aspects of the legend presenting a new Arab scholarly view This book first charts a pre history of the legend in the late ancient Christian prophecy of the Last Emperor down to the emergence of the legend in the mid twelfth century Second the work presents a historical discussion of

the legend and its association with actual occurrences in the Far East and the Levant analysing the legend history under the crusading crisis and the imperial papal schism in Europe Meanwhile the work considers the vague Prester John Letter addressed to Manuel I Komnenus Byzantine Emperor and its elaborate conception of a mythical eastern kingdom revealing imaginative parallels on the wondrous East and legendary Eastern Christian kings in Arabic Muslim and Christian accounts of the Muslim geographer and cartographer al Idrisi the Coptic Abu al Makarim and the Syriac Ibn al Ibri Bar Hebraeus among others Moreover the book examines how the legend impacted war and peace processes between the Ayyubids and the Crusaders during the Fifth Crusade against Egypt 1217 1221 revealing how it was mingled with Arabic and Eastern Christian prophecies at the time The study concludes by investigating the perception of Prester John by the papal and European envoys to the Mongols in the thirteenth century revealing how the legend was instrumentalised and even weaponised to establish a Latin Mongol crusade through a parallel exploration of relevant Latin Arabic and Syriac sources

LEGEND LAND Anon E. Mouse, Retold by Lyonesse, 2016-10-27 This is a reissue in book form of the first series of leaflets The Line to Legend Land A modern title could very well be LEGENDS FROM POLDARK COUNTRY Originally published by the G W R in 1922 this small volume was an early form of Great Western s modern day Top 10 Things To Do and gave the rail traveller a list of English

West Country legends to look up and places to see This edition has twelve tales plus a poem and a song from the West Country of Devon Cornwall the area in which POLDARK is filmed Each legend has an updated How to Get There section with train bus and distance information There are also two supplements The Furry Day Song and the iconic Trelawny also known as The Song of the Western Men In older simpler days when reading was a rare accomplishment our many times great grandparents would gather round the blazing hearth or hall on the long dark winter nights and pass away the hours before bedtime in conversation and story telling The old stories were told again and again and children learned them by heart in their earliest years and passed them on to their children and grandchildren in turn In origin most of these old legends date from the very dawn of our history possibly even in a time before Stonehenge has been erected They may have even been told around the camp fires of that first British army that went out to face C s ar s invasion now almost two millennia ago and in the marshes of Southern England by the army of Alfred the Great before they finally defeated the Viking invaders Later much later with the spread of education and the introduction of formal curricula in which folklore seems to have no place they began to die Then when many more folk could read and books grew cheap there was no longer the need to call upon memory for the old fashioned romances and so they began to fade from the modern consciousness Yet there have always been those who loved the old tales best and wrote them down before it was too late so that they might be preserved forever A few of them are retold briefly here with instructions of how to get to the very places in Devon Cornwall that these legends originated from Be sure to check out the Poldark filming locations map on the Abela webpage
