Legends Of Saints And Beasts:

Legends of Saints and Beasts Anne Marie Jauss, 2002-01-01 Children's book of saints in full color [Legends of Saints and Beasts](#), 1954 The stories of four saints and their encounters with animals St Jerome and the Lion St Roch and the Dog St Francis and the Wolf St Macarius and the Hyena are retold for children *The Book of Saints and Friendly Beasts* Abbie Farwell Brown, 2020-09-28 EVERY one has heard of Bridget the little girl saint of Ireland Her name is almost as well known as that of Saint Patrick who drove all the snakes from the Island Saint Bridget had long golden hair and she was very beautiful Many wonderful things happened to her that are written in famous books But I suspect that you never heard what she did about the King's Wolf It is a queer story This is how it happened The King of Ireland had a tame wolf which some hunters had caught for him when it was a wee baby And this wolf ran around as it pleased in the King's park near the palace and had a very good time But one morning he got over the high wall which surrounded the park and strayed a long distance from home which was a foolish thing to do For in those days wild wolves were hated and feared by the people whose cattle they often stole and if a man could kill a wicked wolf he thought himself a very smart fellow indeed Moreover the King himself had offered a prize to any man who should bring him a dead wolf For he wanted his kingdom to be a peaceful happy one where the children could play in the woods all day without fear of big eyes or big teeth Of course you can guess what happened to the King's wolf A big silly country fellow was going along with his bow and arrows when he saw a great brown beast leap over a hedge and dash into the meadow beyond It was only the King's wolf running away from home and feeling very frisky because it was the first time that he had done such a thing But the country fellow did not know all that Aha he said to himself I'll soon have you my fine wolf and the King will give me a gold piece that will buy me a hat and a new suit of clothes for the holidays And without stopping to think about it or to look closely at the wolf who had the King's mark upon his ear the fellow shot his arrow straight as a string The King's wolf gave one great leap into the air and then fell dead on the grass poor fellow The countryman was much pleased He dragged his prize straight up to the King's palace and thumped on the gate [The Book of Saints and Friendly Beasts](#) Abbie Brown, 2021-12-02 The Book of Saints and Friendly Beasts by Abbie Farwell Brown Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format [THE BOOK OF SAINTS AND FRIENDLY BEASTS - 20 Legends, Ballads and Stories](#) Abbie Farwell Brown, 2020-10-23 THE BOOK OF SAINTS AND FRIENDLY BEASTS stories of Saint Francis of Assisi and Other Saints Who Loved Animals It contains a collection of twenty legends ballads and folktales for children and adults alike about saints what they did and the animals they worked with from mainly the middle ages So if you've never heard of some of these saints

Salisbury,2012-11-12 Praise for the first edition a brave and fascinating exploration of an area that has so far been rather neglected by both historical and literary critics The Beast Within provides extremely valuable information on the legal and cultural background of the human animal relationship Studies in the Age of Chaucer This important book offers a unique exploration of the use of and attitude towards animals from the 4th to the 14th centuries The Beast Within explores the varying roles of animals as property food and sexual objects and the complex relationship that this created with the people and world around them Joyce E Salisbury takes an interdisciplinary approach to the subject weaving a historical narrative that includes economic legal theological literary and artistic sources The book shows how by the end of the Middle Ages the lines between humans and animals had blurred completely making us recognise the beast that lay within us all This new edition has been brought right up to date with current scholarship and includes a brand new chapter on animals on trial and animals as human companions as well as expanded and updated discussions on fables and saints and a new section on bestial humans This important and provocative book remains a key work on the historical study of animals as well as in the field of environmental history more generally and also provides crucial context to ongoing debates on animal rights and the environment **The Book of Saints and Friendly Beasts** Abbie Brown,2018-03-15 Abbie Farwell Brown has gathered a number of anecdotes and legends of the friendship between saints and animals and woven them into a delightful collection of tales that cannot fail to engage fans of folklore and Christian storytelling alike Tales include Saint Bridget and the King s Wolf Saint Gerasimus and the Lion Saint Keneth of the Gulls Saint Launomar s Cow Saint Werburgh and Her Goose The
