Reclaiming History: The Assassination of President John F. Kennedy Vincent Bugliosi, 2007-05-17 For fifty years the truth about the assassination of President John F Kennedy has been obscured This book releases us from a crippling distortion of American history At 1 00 p m on November 22 1963 President John F Kennedy was pronounced dead the victim of a sniper attack during his motorcade through Dallas That may be the only fact generally agreed upon in the vast literature spawned by the assassination National polls reveal that an overwhelming majority of Americans 75% believe that there was a high level conspiracy behind Lee Harvey Oswald Many even believe that Oswald was entirely innocent In this continuously absorbing powerful ground breaking book Vincent Bugliosi shows how we have come to believe such lies about an event that changed the course of history The brilliant prosecutor of Charles Manson and the man who forged an iron clad case of circumstantial guilt around O J Simpson in his best selling Outrage Bugliosi is perhaps the only man in America capable of writing the definitive book on the Kennedy assassination This is an achievement that has for years seemed beyond reach No one imagined that such a book would ever be written a single volume that once and for all resolves beyond any reasonable doubt every lingering question as to what happened in Dallas and who was responsible There have been hundreds of books about the assassination but there has never been a book that covers the entire case including addressing every piece of evidence and each and every conspiracy theory and the facts or alleged facts on which they are based In this monumental work the author has raised scholarship on the assassination to a new and final level one that far surpasses all other books on the subject It adds resonance depth and closure to the admirable work of the Warren Commission Reclaiming History is a narrative compendium of fact forensic evidence reexamination of key witnesses and common sense Every detail and nuance is accounted for every conspiracy theory revealed as a fraud on the American public Bugliosi s irresistible logic command of the evidence and ability to draw startling inferences shed fresh light on this American nightmare At last it all makes sense Some images in this ebook are not displayed due to permissions issues **Burt Lancaster** Kate Buford, 2013-09-18

Startlingly handsome witty fanatically loyal charming scary and intensely sexual Burt Lancaster was the quintessential b te du cin ma one of Hollywood s great stars He was as well an intensely private man and he authorized no biographies in his lifetime Kate Buford is the first writer to win the cooperation of Lancaster s widow close friends and colleagues and her book is a revelation Here is Lancaster the man from his teenage years bolting the Depression era immigrant neighborhood of East Harlem where he grew up for the life of a circus acrobat then the electric New York theater of the 1930s then the dying days of vaudeville We see his production company Hecht Hill Lancaster become the biggest independent of the 1950s a bridge between the studio era and modern filmmaking With the power he derived from it we see him gain a remarkable degree of control which he used to become the auteur of his own career His navigation through the anti Communist witch hunts made him an example of a star who tweaked the noses of HUAC and survived His greatest roles in Sweet Smell of Success Elmer
