A Prison Without Walls? Sarah Badcock, 2016-09-22 *A Prison Without Walls* presents a snapshot of daily life for exiles and their dependents in eastern Siberia during the very last years of the Tsarist regime from the 1905 revolution to the collapse of the Tsarist regime in 1917 This was an extraordinary period in Siberia's history as a place of punishment There was an unprecedented rise of Siberia's penal use in this fifteen year window and a dramatic increase in the number of exiles punished for political offences This work focuses on the region of Eastern Siberia taking the regions of Irkutsk and Yakutsk in north eastern Siberia as its focal points Siberian exile was the antithesis of Foucault's modern prison The State did not observe monitor and control its exiles closely often not even knowing where the exiles were Exiles were free to govern their daily lives free of fences and free from close observation and supervision but despite these freedoms Siberian exile represented one of Russia's most feared punishments In this volume Sarah Badcock seeks to humanise the individuals who made up the mass of exiles and the men women and children who followed them voluntarily into exile *A Prison Without Walls* is structured in a broad narrative arc that moves from travel to exile life and communities in exile work and escape and finally illness in exile The book gives a personal human empathetic insight into what exilic experience entailed and allows us

discursive counterpart the certain Return As the Exile comes to be understood as a necessary purification or preparation for a renewal of YHWH's proper relationship with Israel the seemingly unpleasant Exilic conditions begin discursively to shape an image of YHWH as loving Israel and teaching it Exile is dystopia but one that carries in itself all the seeds of utopia The concept of Exile continued to exercise an important influence in the discourses of Israel in the Second Temple period and was eventually influential in the production of eschatological visions Russian Nihilism and Exile Life in Siberia James William Buel, 1883
