Law's Task Louis E. Wolcher,2016-04-22 What is the ultimate task of law This deceptively simple question guides this volume towards a radically original philosophical interpretation of law and justice Weaving together the philosophical jurisprudential and ethical problems suggested by five general terms thinking human suffering legal meaning time and tragedy the book places the idea of law s ultimate task in the context of what actually happens when people seek to do justice and enforce legal rights in a world that is inflected by the desperation and suffering of the many It traces the rule of law all the way down to its most fundamental level the existence of universal human suffering and how it is that law does inflict or tolerate that suffering

**Emotional Amoral Egoism** Nayef R.F. Al-Rodhan,2022-01-01 What makes us who we are Are we born good or evil Do we have free will What drives our behaviour and why Can technology change what it means to be human In this thoroughly revised second edition of Emotional Amoral Egoism Professor Nayef Al Rodhan demonstrates the impact of our innate predispositions on key issues from conflict inequality and transcultural understanding to Big Data fake news and the social contract However it is the societies we live in and their governance structures that largely determine how we act on our innate predispositions Consequently Al Rodhan

proposes a new and sustainable good governance paradigm which must reconcile the ever present tension between the three attributes of human nature Emotional Amoral Egoism and the nine critical needs of human dignity This book is a perfect resource for enlightened readers academics and policy makers interested in how our innate instincts and tendencies shape the world we live in and how the interplay between neurophilosophy and policy can be harnessed for pragmatic and sustainable peace security and prosperity solutions for all at all times and under all circumstances **Existential**

**Perspectives in Transactional Analysis** Rachel Cook,2025-08-07 This book offers experienced practitioners and trainees in psychotherapy and counselling a new deeply personal and theoretically grounded perspective on clinical work that integrates existential philosophy and psychotherapy into a relational transactional analysis The author employs a multidisciplinary perspective grounded in the traditions of Berne s transactional analysis whilst providing an easily accessible explanation of existential psychotherapy and the existential givens of life An innovative theory for the development of the adult self is offered that can be used to understand our human search for meaning and the existential life predicaments we all encounter as adults that may not originate from a difficult childhood Using moving and personal clinical examples from her extensive professional experience as a psychotherapist supervisor and trainer the author highlights the different therapeutic skills that can be used when working from this stance making this a highly practical guide for all practitioners Whilst predominantly for psychotherapists counsellors and students on psychotherapy training courses this will be essential reading for all practitioners working with human beings in groups education and organisations as well as those who are new to the principles of existentialism and transactional analysis **Thought , Postmodern Racial Dialectics** Richard A.

Jones,2015-12-07 Postmodern Racial Dialectics is a collection of ten essays on African American philosophy Addressing issues as disparate as why there are no graduate programs in philosophy at the more than one hundred traditionally black colleges and universities in the U S to conceptions of Black utopianism to the nature of postmodern revolutions these essays are beyond the bounds of traditional racial discourse The essays are dialectical in the sense that they are conversations between personal histories between ideologies and between changing ways that the races talk to one another The book is postmodern in that it is beyond modernity s linear logic Postmodern Racial Dialectics is also a political entreaty for African Americans to be wary of conventional ways of thinking and to begin thinking transgressively beyond narrowly prescribed conceptions from both sides of the color line **The Routledge Companion to Ethics** John Skorupski,2010-06-21 The Routledge Companion

to Ethics is an outstanding survey of the whole field of ethics by a distinguished international team of contributors Over 60 chapters are divided into six clear sections the history of ethics meta ethics perspectives from outside ethics ethical perspectives morality debates in ethics The Companion opens with a comprehensive historical overview of ethics including chapters on Plato Aristotle Hume and Kant and ethical thinking in China India and the Arabic tradition The second part covers the domain of meta ethics The third part covers important challenges to ethics from the fields of anthropology

psychology sociobiology and economics The fourth and fifth sections cover competing theories of ethics and the nature of morality respectively with entries on consequentialism Kantian morality virtue ethics relativism evil and responsibility amongst many others A comprehensive final section includes the most important topics and controversies in applied ethics such as rights justice and distribution the end of life the environment poverty war and terrorism The Routledge Companion to Ethics is a superb resource for anyone interested in the subject whether in philosophy or related disciplines such as politics education or law Fully indexed and cross referenced with helpful further reading sections at the end of each chapter it is ideal for those coming to the field of ethics for the first time as well as readers already familiar with the subject

**Distracted from Meaning** Tiger C. Roholt, 2022-10-20 When our smartphones distract us much more is at stake than a momentary lapse of attention Our use of smartphones can interfere with the building blocks of meaningfulness and the actions that shape our self identity By analyzing social interactions and evolving experiences Roholt reveals the mechanisms of smartphone distraction that impact our meaningful projects and activities Roholt's conception of meaning in life draws from a disparate group of philosophers Susan Wolf John Dewey Hubert Dreyfus Martin Heidegger and Albert Borgmann Central to Roholt's argument are what Borgmann calls focal practices dinners with friends running a college seminar attending sporting events As a recurring example Roholt develops the classification of musical instruments as focal things contending that musical performance can be fruitfully understood as a focal practice Through this exploration of what generates meaning in life Roholt makes us rethink the place we allow smartphones to occupy in the everyday But he remains cautiously optimistic This thoughtful needed interrogation of smartphones shows how we can establish a positive role for technologies within our lives
