Shadows Recollecting Justin Skarott, 2013-03-16 Shadows Recollecting is the story of the shaman Antonie and his elevation to doing the impossible His mentor and also a seer named Santorias An observer named Malcolm

and Antonie's girlfriend Katelin. It is also about lightning and rain and of wielding these powers. The story also centers around an old world enemy led by Black, known simply as the Shadow, Assembly from a distant world called Tendragos. Antonie becomes the vessel of a God and becomes the sole force for the destruction of the entire world of Tendragos, though this is unclear to him. There are few survivors in this post-apocalyptic world, but their answer is to live a simple medieval existence and remain hopeful for the future. Antonie must save the village from the return of Black, and when his duty is done, the villagers think him gone for good.

Ruskin's Maze Jay Fellows, 2014-07-14 Professor Fellows presents a map of Ruskin's mind as it shifts from conditions of mastery to madness. In his study, he examines and transcribes the ways in which Ruskin observed his dislocation of imagination and shows how in the very process of disintegration he was enabled by his peculiar genius to transform the effects on his language and conceptualization into new forms of articulation under pain. ReCollection-ReCalling Your Future Jim Hunter, 2018-05-08 Aldo is like many boys you may know today: he loves his family, crushes on girls, and digs playing the newest video games. The differences are that he has no body, his family is only memories, and the games he plays may kill him. Aldo lives where almost everybody lives in the massive machine called HEAVEN. His soul uploaded when he was 16, that was over 30 years ago. Now, because humans keep making the same stupid mistakes they always have, he is joining his closest friends in a fight to save themselves, the machine, and the entire human

race But they can't do it alone They don't know who to trust and are having a hard time even trusting themselves So Aldo is reaching back to someone he can trust You He is streaming his memories to the past to let you know what is coming so that you will be ready when your time comes You may be mankind's last best hope to survive the future *Social Investment*
