To a Dark Place Ken Wharton, 2022-01-13 Between 1969 and 1998 over 4 000 people lost their lives in the small country of Northern Ireland The vast majority of these deaths were sectarian in nature and involved ordinary civilians killed by the various paramilitary groups These organisations murdered freely and without remorse considering life a cheap price to pay in the furtherance of their cause The words Why us were uttered by many families whose lives were ripped asunder by The Troubles Thousands of innocents received a life sentence at the hands of the terrorists these then are their words the words of those who survived such attacks and of those left behind These poignant and tragic stories come from the people who have been forced to live with the emotional shrapnel of terrorism

The Message is Murder Jonathan Beller, 2017-11-20 Written as a wake up call to the field of media studies The Message is Murder analyses the violence bound up in the everyday functions of digital media At its core is the concept of computational capital the idea that capitalism itself is a computer turning qualities into quantities and that the rise of digital culture and technologies under capitalism should be seen as an extension of capitalism's bloody logic Engaging with Borges Turing Claude Shannon Hitchcock and Marx this book tracks computational capital to reveal the lineages of capitalised

power as it has restructured representation consciousness and survival in the twentieth and twenty first centuries It argues that the global intensification of inequality relies on the discursive informatic and screen mediated production of social difference Ultimately The Message is Murder makes the case for recognising media communications across all platforms books films videos photographs and even language itself as technologies of political economy entangled with the social contexts of a capitalism that is inherently racial gendered and genocidal
