Colin Baker and Nancy H. Hornberger**

Introductory Reader To The Writings Of Jim Cummins

Suwilai Premsrirat, David Hirsh

Introductory Reader To The Writings Of Jim Cummins:

An Introductory Reader to the Writings of Jim Cummins Jim Cummins, Colin Baker, Nancy H. Hornberger, 2001 The contribution of Jim Cummins to bilingualism and bilingual education has been substantial and profound This reader provides a comprehensive compilation of his most important and influential texts The book also provides a detailed biographical introduction and a commentary on the growth of ideas over three decades Adding English Elizabeth Coelho, 2004 A comprehensive source of ideas and advice for enhancing the learning of all students in all subject areas and at all grade levels Language Planning and Education Gibson Ferguson, 2006-03-13 Language Planning is a resurgent academic discipline reflecting the importance of language in issues of migration globalisation cultural diversity nation building education and ethnic identity Written as an advanced introduction this book engages with all these themes but focuses specifically on language planning as it relates to education addressing such issues as bilingualism and the education of linguistic minority pupils in North America and Europe the educational and equity implications of the global spread of English and the choice of media of instruction in post colonial societies Contextualising this discussion the first two chapters describe the emergence and evolution of language planning as an academic discipline and introduce key concepts in the practice of language planning The book is wide ranging in its coverage with detailed discussion of the context of language policy in a variety of countries and communities across North America Europe Africa and Asia **The Oxford Handbook of Language and Society** Ofelia García, Nelson Flores (Linguist), Massimiliano Spotti, 2017 This book challenges basic concepts that have informed the study of sociolinguistics It proposes a critical poststructuralist perspective that examines the socio historical context that led to the emergence of dominant sociolinguistic concepts and develops new theoretical and methodological tools that challenge these dominant concepts *Multilingualism in Mathematics Classrooms* Richard Barwell, 2009-09-15 Mathematics classrooms are increasingly multilingual whether they are found in linguistically diverse societies urban melting pots or planned bilingual programs The chapters in this book present and discuss examples of mathematics classroom life from a range of multilingual classroom settings and use these examples to draw out and discuss key issues for the teaching and learning of mathematics and language These issues relate to pedagogy students learning curriculum assessment policy and aspects of educational theory The contributions are based on research conducted in mathematics classrooms in Europe South Asia North America and Australia Recurring issues for the learning of mathematics include the relationship between language and mathematics the relationship between formal and informal mathematical language and the relationship between students home languages and the official language of schooling **The Wiley Handbook of Social Studies Research** Meghan McGlinn Manfra, Cheryl Mason Bolick, 2017-03-13 The Wiley Handbook of Social Studies Research is a wide ranging resource on the current state of social studies education This timely work not only reflects on the many recent developments in the field but also explores emerging trends This is the first major reference

work on social studies education and research in a decade An in depth look at the current state of social studies education and emerging trends Three sections cover foundations of social studies research theoretical and methodological frameworks guiding social studies research and current trends and research related to teaching and learning social studies A state of the art guide for both graduate students and established researchers Guided by an advisory board of well respected scholars in social studies education research

Nordic Voices, 2009-01-01 This volume represents the work of sixteen authors who all work at different universities and other academic institutions in the Nordic countries It provides insight into the diversity of research being conducted in the northernmost parts of Europe Although it would be incorrect to assert that research in this far away part of Europe represents something drastically different than that done in other parts of the world it would be equally incorrect to maintain that being at the outskirts on the cusp or on the periphery _ whichever way one wishes to describe the position of the Nordic countries in relation to the rest of the world does not influence the ways in which educational processes phenomena and their consequences are viewed These sixteen Nordic Voices discuss with readers different issues regarding teaching and researching Comparative and International Education in the Nordic countries The editors began their collaboration in 2006 working together to revitalize the Nordic Comparative and International Education Society NOCIES was officially re established in May 2008 Halla B Holmarsdottir who is from Iceland lives and works in Norway where she is Associate Professor in Multicultural and International Education at Oslo University College Mina O Dowd whose father is from the USA and mother is Norwegian lives and works in Sweden Nordic Voices Teaching and Researching Comparative and International Education in the Nordic Countries is a result of the collaboration that began over three years ago

Language Minority Students in the Mainstream Classroom Angela Carrasquillo, Vivian Rodríguez, 2002 This is the second edition of an easily readable text that provides first hand information on culturally and linguistically diverse students as well as instructional strategies in the content areas of reading writing science social studies and maths using simple and direct language The second edition includes updated information on current educational programs and local and national standards for English language learners in United States The book will be of interest to researchers professionals under and postgraduate students interested in the teaching of ethnic minorities

Power, Prestige, and Bilingualism Anne-Marie De Mejía, 2002-01-01 This book describes a particular type of educational provision referred to as elite or prestigious bilingual education which caters mainly for upwardly mobile highly educated higher socio economic status learners of two or more internationally useful languages The development of different types of elite bilingual or multilingual educational provision is discussed and an argument is made for the need to study bilingual education in majority as well as in minority contexts

Understanding School Choice in Canada Lynn Bosetti, Diane Gereluk, 2016-01-01 Understanding School Choice in Canada provides a nuanced and theoretical overview of the formation and rise of school choice policies in Canada Drawing on twenty years of work Lynn Bosetti and Dianne Gereluk analyze the philosophical

historical political and social principles that underpin the formation and implementation of school choice policies in the provinces and territories Bosetti and Gereluk offer theoretical frameworks for considering the parameters of school choice policies that are aligned and attentive to Canadian educational contexts This robust overview successfully shifts the debate away from ideology in order to facilitate an understanding that the spectrum of school choice policy in Canada is a response to the varying political challenges in society at large This book is essential reading for those who desire a deeper understanding of school choice policies in Canada *Immigrant Pupils Learn English* David Little, Bronagh Catibusić, 2014-05-15 This volume presents the findings of a study which examined the way immigrant students in Ireland learn English *Building Skills for Effective Primary Teaching* Rachael Paige, Sue Lambert, Rebecca Geeson, 2020-05-18 This book supports primary trainees and their in school mentors to understand the complex nature of effective learning and teaching in primary schools It explores the key skills required helping trainees begin use them in their teaching reflect on their development of these skills with their mentors and evaluate their impact on learning This book supports and challenges primary trainee teachers and their mentors both school based and university SCITT based by offering a range of approaches strategies and perspectives to aspects of primary teaching This new edition Includes practical guidance for building resilience Explores the latest teaching approaches being trialled in schools Supports trainees to work with their in school mentor Includes new chapters on professional identity and professional responsibilities Foundations of Bilingual Education and Bilingualism Colin Baker, 2011 The fifth edition of this bestselling book provides a comprehensive introduction to bilingualism and bilingual education In a compact and clear style its 19 chapters cover all the crucial issues in bilingualism at individual group and national levels But What Do I DO? Catherine Collier, 2016-10-12 Identifying appropriate strategies for instruction or intervention made easy Select individualized and evidence based interventions for struggling students with this comprehensive guide Organized around an alphabetized and cross referenced list and a fold out selection grid featuring more than 150 PBIS RTI and MTSS interventions you ll quickly find the tools to resolve specific learning and behavioral challenges You ll learn to Meet the needs of all your struggling students including at risk culturally and linguistically diverse as well as those with IEPs Progress monitor document and modify instructional strategies Identify specific interventions for distinct learning and behavior problems Implement in variety of settings including special education learning assistance programs and full inclusion *Faces of English Education* Lillian L. C. Wong, Ken Hyland, 2017-04-28 Faces of English Education provides an accessible wide ranging introduction to current perspectives on English language education covering new areas of interest and recent studies in the field In seventeen specially commissioned chapters written by international experts and practitioners this book offers an authoritative discussion of theoretical issues and debates surrounding key topics such as identity motivation teacher education and classroom pedagogy discusses teaching from the perspective of the student as well as the teacher and features sections on both in and out of class learning showcases the

latest teaching research and methods including MOOCs use of corpora and blended learning and addresses the interface between theory and practice analyses the different ways and contexts in which English is taught learned and used around the world *Faces of English Education* is essential reading for pre and in service teachers researchers in TESOL and applied linguistics and teacher educators as well as upper undergraduate and postgraduate students studying related topics

Bilingualism Penelope Gardner-Chloros, 2025-02-04 All about bilingualism in science and in life the benefits and controversies the individual experience and the social significance Nearly half the world's people are bilingual but many have no clear understanding of what aside from being fluent in more than one language bilingualism means This lively introduction by linguist Penelope Gardner Chloros covers everything a bilingual or curious monolingual individual might want to know The book discusses how bilingualism affects brain development and performance in the young and old its social and political significance throughout time and around the globe and how people experience and describe it Gardner Chloros looks at how both children and adults become bilingual how this affects learning and what it means to be a bilingual family or family member Drawing on the latest research she offers a comprehensive but accessible account of the cognitive effects of bilingualism and how the bilingual brain differs from the monolingual one With the help of real examples she outlines the impact of bilingualism on everyday speech and writing from formal literature to social media and lets speakers of various languages and backgrounds describe in their own words their experience of bilingualism and its impact on their lives Informative engaging and wide ranging *Bilingualism* is the indispensable resource on a common but little understood phenomenon of far reaching personal social political and historical significance

Mother Tongue-Based Multilingual Education in the Asia-Pacific Region Suwilai Premasri, David Hirsh, 2025-01-14 This book sheds light on the role of mother tongue based multilingual education MTB MLE as a means to enhance educational outcomes creating a space for non dominant languages alongside more dominant regional national and international languages It brings together a number of underlying concerns including the maintenance of non dominant languages the context of language policy and planning in shaping this process the poor educational outcomes of many speakers of non dominant languages in mainstream education programs and the economic and social importance of becoming multilingual It focuses on the experiences of those involved in MTB MLE programs in early childhood primary secondary tertiary and adult education from numerous settings in the Asia Pacific region This book provides readers with a detailed overview of MTB MLE with a clear and insightful portrayal of the complex nature of policy and practice in both more accommodating and less accommodating sociopolitical environments

The Multilingual Turn in Languages Education Jean Conteh, Gabriela Meier, 2014-09-01 This book addresses the ways in which languages education around the world has changed in recent years to recognise and reflect the increasing phenomenon of societal multilingualism It examines the implications for research theory policy and practice

The Preparation of Teachers of English as an Additional Language around the World Nihat Polat, Laura

Mahalingappa, Hayriye Kayi-Aydar, 2021-08-09 This book fills a critical gap in a neglected area in current educational research international teacher education It focuses on the preparation of teachers of English as an additional language EAL in several world regions The book consists of chapters by researchers in well established teacher education programs in 11 countries Brazil Canada China Finland Greece New Zealand Russia Saudi Arabia South Korea Turkey and the United States of America It takes a cross national comparative approach around four major focus areas policy research curriculum and practice offering critical implications that can help improve EAL teacher education programs in different parts of the world Teacher education is an area that has great potential for international cross pollination of ideas and actions and this book represents an important first step along this road *Art as a Way of Talking for Emergent Bilingual Youth* Berta Rosa

Berriz, Amanda Claudia Wager, Vivian Maria Poey, 2018-08-06 This book features effective artistic practices to improve literacy and language skills for emergent bilinguals in PreK 12 schools Including insights from key voices from the field this book highlights how artistic practices can increase proficiency in emergent language learners and students with limited access to academic English Challenging current prescriptions for teaching English to language learners the arts integrated framework in this book is grounded in a sense of student and teacher agency and offers key pedagogical tools to build upon students sociocultural knowledge and improve language competence and confidence Offering rich and diverse examples of using the arts as a way of talking this volume invites teacher educators teachers artists and researchers to reconsider how to fully engage students in their own learning and best use the resources within their own multilingual educational settings and communities
