**Child Brides and Intruders** Carol Wershoven, 1993 Examines two distinct types of American literary heroines that are seen to develop from the romantic innocence of child brides Either the child turns vacuous and becomes an insatiable monster or else a strong personality takes over which can only be thought of as an external intruder Considers works from Nathaniel Hawthorne to Gail Godwin No index Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR

**Fragments: Spinward Fringe Broadcast 6** Randolph Lalonde, 2010-07-19 The crew of the Triton continue their misadventure near Ossimi Ring Station They are forced down different paths and a fight for freedom that will cost them dearly begins New opportunities dangers and experiences await them all as the Order of Eden stirs advancing their own agenda

**Eden's Return** Duncan McGeary, 2020-07-20 Three hundred years ago a mysterious zone called the Stasis appeared covering hundreds of square miles of the Pacific Northwest The area s human inhabitants suddenly found themselves outside the barrier inside was a primeval unspoiled world that proved to be hostile to technology and most manmade things Over the years those who were idealistic or deluded enough to shed all trappings of civilization were able to cross into this new Eden though few survived for long But now the barrier has weakened just enough for a squad of soldiers to be flown in to investigate Meanwhile inside the Stasis Shani has been living alone with her mother at one with nature and oblivious to the world outside Her past and her future have narrowed to a single point in time Only this moment exists Lieutenant Silas McKinley and his squad are stunned to discover the two women in middle of the Stasis but their encounter is quickly overshadowed by the area s deadly rejection of their presence They must find a way out With nature itself rising up against them Shani and Silas two people from vastly different worlds will have to find common ground if anyone is to survive

*An Ill-Made Match* Alice Coldbreath, 2018-10-23 Roland Vawdrey is used to the best As the King s champion he sets all the maiden s hearts a flutter When it comes to picking out a wife he knows exactly what he requires perfection of face and form Naturally his choice falls on the fair Lenora His dreams may be haunted by a stolen kiss with uptight Eden but he s not about to throw himself away on some prim paragon of virtue Eden Montmayne prefers poets to knights and would rather read a book than watch the jousting When a betrothal feast goes awry there is a truly scandalous outcome for Eden and Roland that throws the royal court into chaos Even more shockingly people soon start to wonder could the resulting marriage be the making of them both Despite the fact it was such an ill made match
