Clarke,2016-05-09 Outlaw Gangs Extraterrestrial Beings Neither would take what didn t belong to them Ferris and Carline had dealt the Invaders a major setback Now they were forced to leave the beach area of Waikanae and move inland towards the center of town They discover by accident that the outlaw gangs had claimed the town for their own and were collaborating with the invaders After helping two women escape from their attackers they lead them to a building they considered safe Things however were not what they seemed the building held its own secrets as does one of the women they d just rescued Close bonds form between the four of them that quickly developed with each of them knowing they might not survive for much longer A mysterious hill known as Green Mountain seemed to hold the key to something both the gangs and the invaders were after With the aid of the women they intended to find out what was there both groups wanted They discover that the collaboration of the gangs with the invaders was just the tip of the iceberg It ran a lot deeper than any of them could ever imagine *Rite of Passage* John Bailey,2025-02-04 Ian Half Eldridge Half Castalian Total outcast Helpless witness to the butchering of his parents by the invading Satyr forces Ian is unwillingly saved and mentored by his DragonLord Uncle Leavenstar that is only after Leavenstar is persuaded not to kill the boy instead Fear revulsion hatred and prejudice Ian is met with these violent provoking unforgiving emotions time and time again from all quarters but no one seems to want to explain to him why What Ian does know however is that he will avenge his parents and he will find a way to be with his forbidden lover the King s niece With his Eldridge Castalian blood slowly coming to the fore and fomenting his

powers Ian is joined by his predestined companion the dragon Moonshadow Together they may yet be able to show everyone that Ian's true inner self is worthy and benevolent and not malevolent But with powerful forces in turmoil both surrounding and within him how will he choose to move forward when he cannot even be sure that his choices are his own A love story beleaguered by malicious intrigues racial prejudice and ultimate heartbreak Rite of Passage is a cautionary and tragic tale of manipulation that harkens back to the high fantasy traditions of chivalry power love and loss **Enchained** Janet

McNulty, 2018-06-21 Book 1 in the Enchained Trilogy 1984 meets the The Hunger Games Having spent her entire life secluded in the Martial Diplomatic Corps Noni passes the final test achieving the coveted position as arbiter of Arel Placed under the tutelage of a seasoned veteran Noni will see her city for the first time and learn that not everything is as she had been taught to believe If you like the chilling world of *We* and the suspenseful gritty nature of *Fahrenheit 451* you'll find yourself engrossed as Noni struggles with reclaiming her lost humanity while trapped in a dystopian world of total government control *Idaho Panhandle National Forest (N.F.), Lakeview-Reeder Fuel Reduction Project*, 2009

Freedom's Tree Kenneth Lippincott, 2014-12-12 Have you ever desired to escape and live simply Have you ever fantasized about moving to a small town Having spent half of my forty three year career as a high school principal and volunteer pastor in small towns and counties with less than five thousand people I learned that bliss was superficial No matter how positive people resisted change especially with a newcomer serving as the agent of change Kinfolk mattered more than issues To survive newcomers walked a fine line and had to learn who controlled and who was related to whom Relationships mattered more than issues Good versus evil became obvious In Freedom's Tree Rock Creek Valley resembled Canaanite cities with heavily fortified bulwarks Interstate highway construction had decimated the economy and school reorganization altered valley culture Perceived as invaders newcomers arrived in Rock Creek at God's direction while a murderer escaped detection and residents presumed another's guilt *Tome of the Undergates* Samuel Sykes, 2010-10-19 Sam Sykes epic quest is full of razor sharp wit and characters who leap off the page and into trouble It will plunge you into a vivid new world of adventure ADVENTURERS Long loathed for their knowledge of nothing but murder and thievery they are savages zealots heathens monsters thugs And Lenk a young man with a sword in his hand and a voice in his head counts five of them as his sole and most hated companions Lenk's otherwise trivial employment under an esteemed clergyman is interrupted when bloodthirsty pirates led by an ageless demon risen from the depths of the ocean pilfer the object they have been charged with protecting the Tome of the Undergates the key to a door that guards the mouths of hell A hell full of demons who want out Against titanic horrors from the deep psychotic warrior women and creatures forgotten by mankind Lenk has only two weapons a piece of steel and five companions who are as eager to kill each other as they are to retrieve the book that will save them

An Affinity for Steel Sam Sykes, 2016-07-12 There are only a few productive things a man can do once he picks up a sword And the very lowest of these is to become an adventurer like Lenk and his companions For the right price no deed is

too dirty no task is too dangerous no foe too ferocious Not even a demon From wars ancient and terrible wounds are bleeding
 From seas deep and fathomless demons are rising From the mouth of hell the Kraken Queen is calling And all that stands
 between the damned and the mortal world are a pack of degenerates and the steel they carry Seas will rise Heaven will fall
 Now for the first time the breakout trilogy by Sam Sykes is collected in one volume **Wolf's Song** K.J. Olson,2014-06-27
