Relationship with Jesus explores the depths of the Scriptures to excavate, refine and lift up its words of power revealing deep truths that will radically change the lives of believers. By tapping into this rich vein of biblical insight, Dan Alan Rodriguez offers Christians the insights to enable them to set out upon paths of discipleship that follow Jesus closely and that lead to profound experiences of His presence and power. Drawing upon the author's study of first century Judaism and Christianity and resting upon a diverse array of sources steeped in the foundational texts of these traditions, the twelve chapters of *A Call to Return* address a series of interlocking topics: a prophetic call to return, the revival of lawlessness, the revival purpose and preexistence of God's commandments, the church's commandments and their connections to faith, grace and good works, the association of works of the law to Jewish tradition and ceremony, holiness, the fear of the Lord, each believer as a temple of the holy and the meaning of loving the Lord Jesus. If you have a sense that Jesus's message and ministry are calling you to embark upon a walk with Him that might take you away from all in Christianity that requires no accountability or responsibility before God, then *A Call to Return: Restoring the Roots of Our Relationship with Jesus* is the right book for you to read. It will give you the keys for understanding and responding to the Lord's call to return to Him and to follow where He leads.

Being God's Image Carmen Joy Imes, 2023-06-06 What does it mean to be human? For this timeless question, the Bible offers truths for the flourishing of all creation. Carmen Imes recovers the theologically rich creation narratives and explores the implication of our kinship relationship with God, considering what it means for our work, gender relations, creation care and eternal destiny. *Accounts and Papers* Great Britain. Parliament. House of Lords, 1895 **God's EPIC Adventure** Winn Griffin, 2007-10 Griffin uses Bishop Tom Wright's five act play model as a way of presenting Scripture as a full length story in order to assist the reader in a better reading experience of the text. **Christian** **Enriching Christian Doctrine and Character** Ph. D. Michael J. Akers, Akers, 2009-03 God exists as God the Father, God the Son and God the Spirit. We are God's people who relate to God in each of these manifestations. Thirteen key topics have been selected that cover basic Biblical doctrine on these four descriptors of whom God is and who we are as His children. Each of the fifty-two Biblical topics contain sufficient Scriptural references to enable the reader to fill an entire week looking up each Scripture and learn more deeply about what it is being taught from God's Word. Each study contains questions for discussion somewhere in the text or as a separate list and concludes with at least one memorable quote. May each person spending time with this material be blessed by what the Holy Spirit does through these words of learning. May you not only learn a great deal but also apply what you have learned in serving the Lord by serving others. **American Book Publishing Record**, 2003 [Adult Bible Studies Summer 2015 Teacher](#) Jack A.
