Imaging the Story Karen Case-Green, Gill C. Sakakini, 2017-05-08 Tell all the Truth but tell it slant Emily Dickinson This course follows the contours of the salvation story through the lens of the arts Putting visual art and poetry in conversation with the Bible it seeks to engage the imagination Rather than analyzing the narrative the reader is invited to behold it and respond to it through making either verbally or visually At times the church has treated the imagination like an embarrassing relative Yet the Bible is image-rich drawing widely on the imagination and we are each made in the image of the creator God It is time to bring the imagination out of the corner For we are God's handiwork created in Christ Jesus to do good works which God prepared in advance for us to do Eph 2:10 NIV Whether following it as a group or reading it alone this course book will appeal to anyone with an interest in the salvation story and the arts It is particularly for those who feel permission is needed to pick up a paintbrush or any other creative medium just for the love of it

Invitation to the Torah George Van Pelt Campbell, 2020-07-10 We all love a good story The Torah or Pentateuch is regularly defamed as law Actually it's a saga about our search for happiness and how the God of the Bible fits into it Lacing legal material into narrative punctuated with poetry the Torah contrasts two provocative personalities named Abraham and Moses Fascinating and fickle their adventures portray two visions of approaching God The Torah was written to render a verdict on who is the best model This book demonstrates that Genesis Exodus Leviticus Numbers and Deuteronomy are a unified narrative framed as contrasting biographies proclaiming a coherent message It surveys each book's structure and themes to determine its argument and then articulates the Torah's message for people of all time its vision of human happiness It establishes that the Torah is the core of the Jewish and Christian Bibles and shows how the rest of the Bible elaborates its message Ending with suggestions to help you read it this book is your invitation to the Torah **Offer**

Three-Mile Walk Bible Study Guide Banning Liebscher, 2020-06-02 Awaken to the Call God Has for Your Life Jesus Culture founder and pastor Banning Liebscher reveals the three key attributes that will propel you into a life of divine purpose holiness courage and faith You were made for more than a life of holy discontent more than the frustrating sense of sitting on the sidelines of your own life's purpose From the beginning Jesus has beckoned us out of passivity and into a high stakes adventure with hearts fully alive lives fully engaged and the courage needed for both In The Three Mile Walk video Bible study DVD streaming video sold separately Liebscher draws from the biblical story of King Saul's son Jonathan who after a treacherous three mile hike boldly stepped into battle and watched God work a stunning victory in the midst of impossible odds From Jonathan's story we learn how to fully respond to our own calling In his power packed memorable style

Liebscher offers fresh insight and instruction for answering your calling with a courageous yes and setting out on the journey of a lifetime You are meant to change the world It s going to be tough surprising and more fulfilling than you can imagine You just need the courage to rise up and walk it out Sessions include Awakened to the Call Call to Holiness Call to Courage Call to Faith Engaging the Call Designed for use with The Three Mile Walk Video Study available on DVD or streaming video sold separately *Does God Love Everyone?* Jerry L. Walls,2016-07-29 Does God truly love all persons Most Christians think the obvious answer to this question is Yes of course he does Indeed many Christians would agree that the very heart of the gospel is that God so loved the whole world that he gave his Son to make salvation available for every single person This book shows that one of the most popular and resurgent theological movements in the contemporary evangelical church namely Calvinism cannot coherently and consistently affirm this vital claim about the love of God While some Calvinists forthrightly deny that God loves everyone more commonly Calvinists attempt to affirm the love of God for all persons in terms that are compatible with their doctrines that Christ died only for the elect those persons God has unconditionally chosen to save This book shows that the Calvinist attempts to affirm God s love for all persons are fraught with severe philosophical and theological difficulties Calvinism then should be rejected in favor of a theology that can forthrightly and consistently affirm the love of God for all persons Nothing less is at stake than the very heart of the gospel **Invitation to**

heart N T Wright guides you through James to help you understand what it means to have the kind of faith that translates belief into action That kind of faith he explains is the faith that matters the faith that justifies the faith that saves Includes nine sessions for group or personal study Invitation to Solitude and Silence Ruth Haley Barton,2009-08-20 Much of our faith and practice is about words preaching teaching talking with others Yet all of these words are not enough to take us into

the real presence of God This book is an invitation to meet God deeply and fully through solitude and silence This expanded edition includes a guide for groups to use for both discussion and practice **The Advent Christian Hymnal** ,1894 *The Letters of John* N.T. Wright,2012-06-08 In his letters John expresses delight at believers who are walking in the truth behaving with that integrity which reflects the gospel These nine studies from Tom Wright help us become believers who are walking in the truth in our own day people in whom the very life of God is at work for all to see *Invitation to Biblical Interpretation* Andreas J. Köstenberger,Richard Duane Patterson, Invitation to Biblical Interpretation provides seminarians and upper level collegians a textbook utilizing the hermeneutical triad method This approach to interpretation is based on giving due consideration to both the historical setting and the literary context as well the theological message *The Children's Friend* William Carus Wilson,1861 **The Invitation** Richard R. Osmer,2021-10-12 Moving beyond conversionism Many Christians today are uncomfortable with older simpler notions about evangelism as conversionism but see as insufficient the more progressive model of evangelism as hospitality Transcending that dichotomy Richard Osmer advances a theology of evangelism as a multifaceted act of invitation into Christ following community Osmer begins by exploring references to evangelism in the New Testament both in the Gospels and in the letters of Paul He then enters into dialogue with Karl Barth to work through ideas of church witness and the relationship of evangelism to salvation Finally with lucid explanations and illustrative case studies he offers guidance for pastors laity and students to use as they reimagine how evangelism might best happen in their churches and missional organizations Osmer s approach mirrors the conviction stated in his introduction that our concept of evangelism must be formed and constantly reformed by keeping the Bible church doctrine and practical theology in conversation Foundational to Osmer s rendering of evangelism as invitation is the essential truth that it is Christ and the Holy Spirit who calls converts and makes disciples not Christians Thus we can invite our neighbors to the wedding feast while remaining reassured that the table is already set *A Dictionary of the Bible: A-Feasts* James Hastings,1901 **Index to Book Reviews in Religion** ,1999 **Dictionary of the Bible: A-Feasts** James Hastings,1911
