Left Wing of a Bird Arthur Vogelsang, 2003 Daring new collection from the editor of The American Poetry Review

Collected Poems Vachel Lindsay, 1925 A wide variety of moods and subjects are represented in this collection of poetry that is illustrated with drawings by the author *White Light* Ronald J. Friis, 2021-11-12 *White Light* The Poetry of Alberto Blanco examines the interplay of complementary images and concepts in the award winning Mexican writer's cycle of poems from 1979 to 2018 Blanco's poetic trilogy *A la luz de siempre* is characterized by its broad range of form and subject and by the poet's own eclectic background as a chemist maker of collages and musician Blanco speaks the language of the visual arts science mathematics music and philosophy and creates work with deep interdisciplinary roots This book explores how polarities such as space and place reading and writing sound and silence visual and verbal representation and faith and doubt are woven through *A la luz de siempre* These complements reveal how Blanco's poetry like the phenomenon of white light embraces paradox and transforms into something more than the sum of its disparate and polychromatic parts

Poems Elizabeth A. Hayes, 1913 Poetry Harriet Monroe, 2003 *History Matters* Ira Sadoff, 2009-04 In this capacious and energetic volume Ira Sadoff argues that poets live and write within history our artistic values always reflecting attitudes about both literary history and culture at large *History Matters* does not return to the culture war that reduced complex arguments about human nature creativity identity and interplay between individual and collective identity to slogans Rather Sadoff peels back layers of clutter to reveal the important questions at the heart of any complex and fruitful discussion about the connections between culture and literature Much of our most adventurous writing has occurred at history's margins simultaneously making use of and resisting tradition By tracking key contemporary poets including John Ashbery Olena Kaltyiak Davis Louise Glück Czesław Miłosz Frank O'Hara and C.K. Williams as well as musing on jazz and other creative enterprises Sadoff investigates the lively poetic art of those who have grappled with late twentieth century attitudes about history subjectivity contingency flux and modernity In plainspoken writing he probes the question of the poet's capacity to illuminate and universalize truth Along the way we are called to consider how and why art moves and transforms human beings **A Loaded Gun** Jerome Charyn, 2016-02-22 PEN Jacqueline Bograd Weld Award for Biography Longlist O The Oprah Magazine Best Books of Summer selection Magnetic nonfiction O The Oprah Magazine Remarkable insight a unique meditation investigation Jerome Charyn the unpredictable elusive and enigmatic is a natural match for Emily Dickinson the quintessence of these Joyce Carol Oates author of *Wild Nights* and *The Lost Landscape* We think we know Emily Dickinson the Belle of Amherst virginal reclusive and possibly mad But in *A Loaded Gun* Jerome Charyn introduces us to a different Emily Dickinson the fierce brilliant and sexually charged poet who wrote *My Life had stood a Loaded Gun Though I than He may longer live He longer must than I For I have but the power to kill Without the power to die* Through interviews with contemporary scholars close readings of Dickinson's correspondence and handwritten manuscripts and a suggestive newly

discovered photograph that is purported to show Dickinson with her lover Charyn's literary sleuthing reveals the great poet in ways that have only been hinted at previously as a woman who was deeply philosophical intensely engaged with the world attracted to members of both sexes and able to write poetry that disturbs and delights us today Jerome Charyn is the author of most recently *Bitter Bronx* *Thirteen Stories* *I Am Abraham* *A Novel of Lincoln and the Civil War* and *The Secret Life of Emily Dickinson* *A Novel* He lives in New York      **A Guide to Byron's Verse in Fifty Poems** Richard Lansdown, 2025-07-16

This book extends our understanding of Lord Byron's poetry as opposed to his life and legend by offering fifty very short discussions of his best poems be they lyrics four cantos of poetic travelogue in *Childe Harold's Pilgrimage* narrative poems set in the Middle East and elsewhere dramas neoclassical Faustian or Biblical satires love songs or the seventeen cantos of his comic epic *Don Juan* The coverage is wide from the very beginning of Byron's career in Nottinghamshire to its very end in Greece and the approach is accessible giving readers something to think about rather than telling them what to think without explaining poems away The focus is sometimes biographical sometimes historical sometimes generic sometimes formalist but always the texts are chosen on the basis of their quality first and foremost The book is designed to be dipped into or read from cover to cover as the reader prefers and of course the choice of Byron's fifty best things will itself promote discussion of a poet who deserves to stand just behind Shakespeare alongside Chaucer Milton Pope and Wordsworth as one of the central figures in English verse      [Chicorel Index to Poetry in Anthologies and Collections in Print](#) Marietta Chicorel, 1974

[Apollinaire, Visual Poetry, and Art Criticism](#) Willard Bohn, 1993 More than anything perhaps this volume strives to elucidate the concept of *poesie critique* which has received very little attention This omission is surprising since the genre influenced the Surrealist invention of *poesie synthetique* as well as many writers who followed Apollinaire trying to reconcile poetry and criticism      [Malcolm Lowry: His Art and Early Life](#) M. C. Bradbrook, 1974-07-18 This 1975 book corrects and amplifies the record of Malcolm Lowry's early life recording for the first time one of its crucial incidents Lowry was an alcoholic and wanderer who turned a failed life into a success of a different order and which has been recognised only after his death Like Lowry Professor Bradbrook was born in Wirral and writes of the scenes of early life with sympathetic understanding She also knew the Cambridge of the 1930s when Lowry read English there Bradbrook considers the critical point of knowledge of Lowry's life and the ways in which it is absorbed in his writings This enquiry broadens out into a discussion of the art itself and will serve as an excellent introduction of Lowry's life      *The New Yorker* Harold Wallace
