innovative visual format and are supported by a website which offers students a host of additional practice opportunities

Entrepreneurship Heidi M. Neck, Christopher P. Neck, Emma L. Murray, 2020 **International Law and the Protection of Humanity** Pia Acconci, David Donat Cattin, Antonio Marchesi, Giuseppe Palmisano, Valeria Santori, 2016-11-28

This challenging volume contains articles by a wide variety of well known scholars and practitioners and deals with human rights international humanitarian law international criminal law and humanitarian assistance as well as other areas of international law relating to the protection of humanity These are topics to which Flavia Lattanzi in whose honour the volume is being published has made an outstanding contribution and to which she has given her determined and unrelenting professional and personal commitment As a former Professor at the Universities of Pisa Sassari Teramo and Roma Tre and as Judge ad litem at the International Tribunal for Rwanda and the International Tribunal for the Former Yugoslavia she has adhered constantly to a number of important principles as reflected in the research contained in this volume They include the firm conviction that respect for human rights is an indispensable precondition for durable peace the notion that grave breaches of human rights including the refusal to provide assistance to populations in distress can imply a threat to international peace and security and that guarantees against human rights violations include the question of the punishment of core crimes under International Law

Investor Protection Hanneke Wegman, 2015-11-24 The expansion of the fund industry has been one of the most notable trends in the financial markets of recent years Not only has the demand for funds among EU investors grown but both the number and types of investment funds also continue to increase Since investment funds available in the EU can be established both inside and outside the EU they may be subject to different investor protection regulations depending on where the fund is located Accordingly different levels of investor protection may exist between investors investing in EU funds and investors investing in non EU funds including US funds This book investigates whether there is a level playing field between EU investors investing in EU funds and EU investors investing in US funds and if not if there is a legal basis in current EU law for the EU regulator to adopt additional investor protection rules applying to investment funds The analysis considers the basic characteristics of investment funds how they function in practice and how they are regulated relating to investor protection issues Factors examined in depth include the following features of funds most relevant to the protection of retail investors operational structure investment strategies fee structure and legal structure of funds internal control systems transparency and disclosure rules conduct of business rules and depositary monitoring rules The author examines relevant EU directives and rules and the particular remit of each as well as US law applying to investment funds that are active in the EU Case law and relevant literature in the field is also drawn on As an assessment of the current degree of protection applying to funds that are available to EU retail investors as well as an up to date overview of regulatory requirements and procedures concerning the protection of EU investors in investment funds this book is unsurpassed Especially valuable is the closing discussion about whether the EU regulatory system provides for a level

playing field of protection for EU retail investors and if not which additional rules can be adopted by the EU regulator in this area Lawyers and other professionals in all areas of law and policy concerned with investment and finance will find this book of great value

International Aviation Law Ron Bartsch, Ronald I.C. Bartsch, 2016-05-23 International Aviation Law A Practical Guide explains the international context and application of the law as it applies to commercial and recreational aviation and to the broader aviation environment It provides a comprehensive introduction to all aspects of aviation law from criminal law to contract law to the legal duties and responsibility of aircrew and other aviation personnel including airport operators air traffic controllers and aircraft engineers Each area of the law is clearly explained in accessible language and supported with practical case studies to illustrate the application of the law within an operational aviation context It also provides advice on how to avoid or minimize legal liability for aviation practitioners and enthusiasts

Transforming Financial Institutions Joerg Ruetschi, 2022-04-26 Transform your financial organisation s formula for value creation with this insightful and strategic approach In Transforming Financial Institutions through Technology Innovation and Operational Change visionary turnaround leader Joerg Ruetschi delivers a practical and globally relevant methodology and framework for value creation at financial institutions The author demonstrates how financial organisations can combine finance strategy with asset liability and technology management to differentiate their services and gain competitive advantage in a ferocious industry In addition to exploring the four critical areas of strategic and competitive transformation financial analysis valuation modeling and stress the book includes Explanations of how to apply the managerial fundamentals discussed in the book in the real world with descriptions of the principles for reorganization wind down and overall value creation An analysis of the four key emerging technologies in the financial industry AI blockchain software and infrastructure solutions and their transformational impact Real world case studies and examples on how financial institutions can be repositioned and rebuilt on a path of profitability Perfect for managers and decision makers in the financial services industry Transforming Financial Institutions through Technology Innovation and Operational Change is also required reading for regulators tech firms and private equity and venture capital funds Dimensions of Dignity Jacob Weinrib, 2016-09-15 In an age of constitutional revolutions and reforms theory and practice are moving in opposite directions As a matter of constitutional practice human dignity has emerged in jurisdictions around the world as the organizing idea of a groundbreaking paradigm By reconfiguring constitutional norms institutional structures and legal doctrines this paradigm transforms human dignity from a mere moral claim into a legal norm that persons have standing to vindicate As a matter of constitutional theory however human dignity remains an enigmatic idea Some explicate its meaning in abstraction from constitutional practice while others confine themselves to less exalted ideas The result is a chasm that separates constitutional practice from a theory capable of justifying its innovations and guiding its operation By expounding the

connection between human dignity and the constitutional practices that justify themselves in its light Jacob Weinrib brings the theory and practice of constitutional law back together It's Your Biz Susan Wilson Solovic, Ellen R. Kadin, 2012

Making sound investments is tough enough without having to worry about unscrupulous financial advisers and outright frauds But recently strengthened laws aren't enough to stop the professionals intent on profiting from or just plain stealing your money As an Enforcement Branch Chief at the Securities and Exchange Commission Pat Huddleston witnessed countless people lose their life savings to reckless stockbrokers and fraudulent schemes Now an SEC recommended Receiver and CEO of a securities and investment fraud investigation agency Huddleston has intimate knowledge of how scam artists and bad brokers operate In *The Vigilant Investor* he explains WHY we fall for investment scams HOW con artists play on our emotions and WHAT we can do to protect ourselves from predators With its unique look into the science of financial decision making the book blows up the popular myths and simplistic do's and don'ts of investing while sharing techniques anyone can use to perform due diligence even better than the experts With gripping stories of actual cases Huddleston sheds light on the dark corners of the investment industry and teaches investors and professionals alike how to spot fraud and guard themselves against financial catastrophe
