Herman, 2005-08-24 Maya Herman In Search of The Silk King A Novel Among many stories I heard in Southeast Asia the most fascinating is the story of the legendary American silk king of Thailand Jim Thompson It is as mysterious as Asia itself The name Jim Thompson seemed to follow me from the first moment I arrived in Bangkok The more stories and rumors I heard the more I became fascinated by them They had all the ingredients of a good novel or a major movie romance mystery glamour exotic locations and more The legend of the silk king and his disappearance remains as mysterious today as it was in 1967 No clues were ever found Only unanswered questions remained Using poetic license I decided to write a novel that might answer some of them As such the novel is very loosely and only in part based on the real life of Jim Thompson as I learned of it primarily through living in Bangkok traveling extensively throughout Southeast Asia and writing about it in my book of travel essays The Jade Window Bangkok 1998 It is also in part based on the information I gathered in my research from the newspaper articles on Thompson William Warren's indispensable biography of him on the interviews with Warren and Henry Thompson through Alexander Macdonald's notes and OSS archives for all of which I am immensely grateful Still my Jim Thompson is not a historic but a fictional character In Search of The Silk King is a work of fiction written in many voices that are tempered with the measure of truth Any errors biographical historical intended or otherwise are solely mine This is the story of an adventure told in hero's voice and in various voices of the people who knew him It is also the story of his life that had the sweep of a historical romance and the power of a heroic quest As Jim Thompson's absorbing tale unfolds the reader discovers what happened after his disappearance how he succeeded and suffered and eventually found the truth It is a novel of suspense of fate and love lost and found The Jim Thompson of my novel thinks of himself as an ordinary man in extraordinary circumstances There are on the tapes he sent from his after life in exile to a journalist friend his memories of the past his childhood desire to travel to exotic places of his first and greatest love of his marriage As a young man Jim went to New York and worked as an architect He met Vera a Russian ballerina and fell in love with her He gave her a brooch designed as a pair of ballet slippers made of emeralds and diamonds as a token of his great love When Vera decided to go back to her old lover she returned one of the two slippers Jim kept the slipper as the memento of his love that would prove to be fatal After the breakup Jim tried to find a new direction in life He married a woman he barely knew and enlisted in the Army This was his way of escaping the loss of his first great love that would mark his whole emotional life He went to Africa where he worked for the OSS with Maurice a half French half Laotian mystery man Not eager to return home Jim volunteered to go to Southeast Asia This was the real beginning of his journey He fell in love with Bangkok and wanted to stay there even after the war was over His wife Pat did not share his enthusiasm and agreed to a divorce Jim returned to Bangkok with a plan to renovate the Oriental hotel He did not succeed in that but found his true vocation in a forgotten art of silk making Jim almost single handedly revived the Thai silk industry and became the most successful American businessman in Thailand There is a story about silk Jim's life seemed full He built a beautiful house and opened a new store He seemed to

have finally found his fulfillment He had a beautiful young mistress Nicole and seemed The Rough Guide to Thailand's Beaches & Islands ,2012-12-20 The fully updated full colour Rough Guide to Thailand s Beaches Islands is the perfect companion for island hopping through Thailand s spectacular coastal regions Whether you want to kayak through the limestone karsts of Ao Phang Nga explore the dive sites around Ko Tao party on Phuket or relax on one of Ko Samui s idyllic beaches this guide will lead you straight to the region s best attractions It offers a thorough coverage of Bangkok Thailand s fascinating capital the guide features an expert breakdown of the country s amazing diving and snorkelling sites You ll find up to date reviews on all the hottest places to stay from ultra chic hotels to eco minded accommodation and local Thai homestays as well as recommendations of Thailand s best nightlife shopping and restaurants for all budgets Explore all the corners of Thailand s beaches and islands with superb full colour maps and pictures and authoritative background on everything from Buddhism and Thailand s history and environment to the best books on the country and practical language tips Make the most of your time with The Rough Guide to Thailand s Beaches Islands Now available in ePub format **The Rough Guide to Thailand's Beaches and Islands (Travel Guide eBook)** Rough Guides,2019-01-01 Discover Thailand s tropical coastline with the most incisive and entertaining guidebook on the market Whether you plan to snorkel the Similan islands feast on fresh seafood in Krabi island hop from Phuket to Ko Tarutao or discover the untamed beauty of Ko Kood The Rough Guide to Thailand s Beaches Ko Kood Phetchaburi Ko Samui Ko Pha Ngan Ko Tao Ko Similan Ko Phi Phi Krabi s Railay peninsula Phuket Ko Lanta Ko Jum Ko Yao Noi Ko Chang Ko Tarutao Attractions include Wat Pho Ang Thong National Marine Park AoPhang Nga National Park The Grand Palace Ko Tarutao National Marine Park Chatuchak Weekend Market Khao Sok National Park Emerald Cave Basics essential pre departure practical information including getting there local transport accommodation food and drink the media festivals outdoor activities culture and etiquette and more Background information a Contexts chapter devoted to history religion recommended books language and glossary Make the Most of Your Time on Earth with The Rough Guide to Thailand s Beaches Islands About Rough Guides Escape the everyday with Rough Guides We are a leading travel publisher known for our tell it like it is attitude up to date content and great writing Since 1982 we ve published books covering more than 120 destinations around the globe with an ever growing series of ebooks a range of beautiful inspirational reference titles and an award winning website We pride ourselves on our accurate honest and informed travel guides Thailand Timothy D.
