Lens For All Seasons:

Lens Implantation P. Leonard, J. Rommel, 2012-12-06 The authors of this book are busy practical men with no particular barrow to push The text of the book includes a comprehensive review of all aspects of intraocular lens surgery including details of the design optics chemistry and sterilization of intraocular lenses Its value is enhanced by excellent illustrations and extensive tabulated references to the literature Accounts of patient acceptability are balanced against candid discussion of complications and their management The historical introduction recalls that in the early stages of development of the art over a period of 10 years two dozen different lens designs were proposed most claiming elimination of problems which had arisen with their predecessors Eventually nearly all disappeared from the scene In an age where every cataract surgeon has to determine a personal position on intraocular lens implantation the author's reflections on these matters are timely Intraocular lenses are neither a miracle nor a menace provided that personal decisions and preferences are carefully thought through and put into practice upon the basis of known facts and not upon the basis of fickle fashion and fad This book provides a background upon which the reader can evaluate in his own mind the validity of information provided by the manufacturers of various lens designs

A Mic for All Seasons Kenny Albert, 2023-10-10 When Kenny Albert was growing up family gatherings sounded a lot like a dispatch from the first all sports radio station There was his father Marv whose voice shaped the sound of modern basketball and there too were his uncles Al and Steve a trio of professional play by play men with a listenership that spanned the country It was only a matter of time before Kenny armed with a toy tape recorder yearned to follow in their footsteps Some 3 000 broadcasts later Kenny Albert has amassed countless stories from the world of sports and media A Mic for All Seasons is his chronicle of a charmed yet unlikely journey from a youth spent calling games in his bedroom for a fictitious audience to ten hour bus rides with a minor league hockey team plus the time he worked five different sports in one chaotic 19 day stretch The only play by play broadcaster who currently calls all four major sports in North America Albert details the stand out moments from his three decade career including the 1994 Stanley Cup Final Jose Bautista's bat flip in the 2015 ALCS and the U S women's hockey Olympic gold medal winning shootout in Pyeongchang in
