excellent summary of the essential themes issues facts and questions concerning the tragic events of 9 11 This book engages
the events surrounding 9 11 from a very different perspective namely that of a member of a hypothetical grand jury which is
faced with the task of critically examining the available evidence concerning all manner of 9 11 related topics in order to
determine whether or not a further public inquiry into 9 11 is appropriate and necessary Many questions are raised in this
book The only certain answer arising out of the pages of this work is that after careful review the available evidence indicates
the government s official version of 9 11 is not tenable in either principle or detail
