**Leni Riefenstahl** Rainer Rother, 2003-10-01 Leni Riefenstahl now aged 101 achieved fame as a dancer actress photographer and director but her entire career is colored by her association with the Nazi party This overt tension between the political meaning of her work for National Socialism and its essential aesthetic quality forms the basis of the compelling account Appointed by Hitler Leni Riefenstahl directed the Nazi propaganda film *Triumph des Willens* along with her bestknown work *Olympia* a documentary of the 1936 Berlin Olympics By 1939 Riefenstahl was arguably the most famous women film director in the world yet after World War II she was never again accepted as a filmmaker Rainer Rother s book is a remarkable account of the fascinating life and work of Germany s most controversial photographer and filmmaker

**Library of Congress Catalogs** Library of Congress, 1980 **American Book Publishing Record** , 1979 *Ownership Economics* Gunnar Heinsohn, Otto Steiger, 2013 This book presents the first full length explanation in English of Heinsohn and Steiger s groundbreaking theory of money and interest which emphasizes the role played by private property rights Ownership economics gives an alternative explanation of money and interest proposing that operations enabled by property lead to interest and money rather than exchange of goods Like any other approach it has to answer economic theory s core question what is the loss that has to be compensated by interest Ownership economics accepts neither a temporary loss of goods as in neoclassical economics nor Keynes s temporary loss of already existing exogenous money as the cause of interest Rather money is created as a non physical title to property in a credit contract secured by a debtor s collateral and the creditor s net worth This book is an edited English translation of a highly successful German text and offers the first book length treatment of a theory which has received much interest since its first appearance in articles in the late 1970s **On the Topology of Cultural Memory** Thiemo Breyer, 2007 *Subject Catalog*, 1979 Library of Congress, 1979 [The British Library General Catalogue of Printed Books 1976 to 1982](#) British Library, 1983 **Weekly Record** , 1978 **Leni**

**Riefenstahl** Jürgen Trimborn, 2008-01-22 Dancer actress mountaineer and director Leni Riefenstahl s uncompromising will and audacious talent for self promotion appeared unmatched until 1932 when she introduced herself to her future protector and patron Adolf Hitler Known internationally for two of the films she made for him *Triumph of the Will* and *Olympia* Riefenstahl s demanding and obsessive style introduced unusual angles new approaches to tracking shots and highly symbolic montages Despite her lifelong claim to be an apolitical artist Riefenstahl s monumental and nationalistic vision of Germany s traditions and landscape served to idealize the cause of one of the world s most violent and racist regimes Riefenstahl ardently cast herself as a passionate young director who caved to the pressure to serve an all powerful Führer so focused on reinventing the cinema that she didn t recognize the goals of the Third Reich until too late Jürgen Trimborn s revelatory biography celebrates this charismatic and adventurous woman who lived to 101 while also taking on the myths surrounding her With refreshing distance and detailed research Trimborn presents the story of a stubborn and intimidating
