Trends and New Problems American Academy of Political and Social Science, 1956 **The Russian Mind Since Stalin's Death** Yuri Glazov, 2012-12-06 I have been working on this book since leaving Russia in April of 1972 It was my wish to write this book in English and there were what seemed to me to be serious reasons for doing so In recent years there has appeared a wealth of literature in Russian about Russia As a rule this literature has been published outside the USSR by authors who still live in the Soviet Union or who have only recently left it A fair amount of important literature is being translated into English but I believe it will be read mainly by specialists in Russian studies or by those who have a great interest in the subject already The majority of Russian authors write of course for the Russian reader or for an imagined Western public It is my feeling that Russian authors have serious difficulties in understanding the mentality of Westerners and that there still exists a gap between the visions of Russians and non Russians I have made my humble attempt to bridge this gap and I will be happy if I am even partly successful The Russian world is indeed fascinating Many people who visit Russia for a few days or weeks find it a country full of historical charm fantastic architecture and infinite mystery For many inside the country especially for those in conflict with the Soviet authorities *The Kremlin's Scholar* Dmitrii Shepilov, 2007-01-01 Dmitrii Shepilov 1905 1995 a prominent Soviet leader and member of the Communist Party elite rose to power under Joseph Stalin in the 1940s and 1950s then fell into political disgrace after being implicated in a coup attempt against Nikita Khrushchev in 1957 In this remarkable memoir Shepilov provides an unparalleled account of Soviet politics during this period as well as first hand recollections of prominent political leaders including Stalin Khrushchev Mao Zedong Lavrentii Beria Andrei Zhdanov and others Secretary of the Central Committee editor in chief of Pravda and director of the Communist Party's

Bureau of Propaganda and Agitation Shepilov tells his story from the perspective of a true insider His memoir sheds new light on Soviet relations with China the aborted coup against Khrushchev the personal rivalries that drove high level Soviet politics and much more His report dramatic opinionated and engaging is an important addition to the history of his sparsely documented era

Stalin's American Spy Tony Sharp, 2014-05-15 Stalin's American Spy tells the remarkable story of Noel Field a Soviet agent in the US State Department in the mid 1930s Lured to Prague in May 1949 he was kidnapped and handed over to the Hungarian secret police Tortured by them and interrogated too by their Soviet superiors Field's forced confessions were manipulated by Stalin and his East European satraps to launch a devastating series of show trials that led to the imprisonment and judicial murder of numerous Czechoslovak German Polish and Hungarian party members Yet there were other events in his very strange career that could give rise to the suspicion that Field was an American spy who had infiltrated the Communist movement at the behest of Allen Dulles the wartime OSS chief in Switzerland who later headed the CIA Never tried Field and his wife were imprisoned in Budapest until 1954 then granted political asylum in Hungary where they lived out their sterile last years This new biography takes a fresh look at Field's relationship with Dulles and his role in the Alger Hiss affair It sheds fresh light upon Soviet espionage in the United States and Field's relationship with Hede Massing Ignace Reiss and Walter Krivitsky It also reassesses how the increasingly anti Semitic East European show trials were staged and dissects the lessons which Stalin sought to convey through them

Beria Amy Knight, 2020-06-16 This is the first comprehensive biography of Lavrentii Beria Stalin's notorious police chief and for many years his most powerful lieutenant Beria has long symbolized all the evils of Stalinism haunting the public imagination both in the West and in the former Soviet Union Yet because his political opponents expunged his name from public memory after his dramatic arrest and execution in 1953 little has been previously published about his long and tumultuous career

Yugoslavia and the Soviet Union in the Early Cold War Svetozar Rajak, 2010-10-18 This book provides a comprehensive insight into one of the key episodes of the Cold War the process of reconciliation between Yugoslavia and the Soviet Union At the time this process had shocked the World as much as the violent break up of their relations did in 1948 This book provides an explanation for the collapse of the process of normalization of Yugoslav Soviet that occurred at the end of 1956 and the renewal of their ideological confrontation It also explain the motives that guided the two main protagonists Josip Broz Tito of Yugoslavia and the Soviet leader Nikita Sergeevich Khrushchev Based on Yugoslav and Soviet archival documents this book establishes several innovative theories about this period Firstly that the significance of the Yugoslav Soviet reconciliation went beyond their bilateral relationship It had ramifications for relations in the Eastern Bloc the global Communist movement and on the dynamics of the Cold War world at its crucial juncture Secondly that the Yugoslav Soviet reconciliation brought forward the process of de Stalinization in the USSR and in the Peoples Democracies Thirdly it enabled Khrushchev to win the post Stalin leadership contest Lastly the book argues that the process of Yugoslav Soviet reconciliation permitted Tito to embark

together with Nehru of India and Nasser of Egypt upon creating the new entity in the bi polar Cold War world the Non aligned movement This book will be of interest to students of Cold War History diplomatic history European history and International Relations in general Svetozar Rajak is a lecturer at the London School of Economics and Political Science He is the Managing Director of the LSE Cold War Studies Centre and is a member of the Editorial Board of the journal Cold War History

Russia Under Putin Andrew Natsios, 2025-07-08 Compelling essays reveal Russia as a declining fragile power that still harbors imperialist ambitions In *Russia Under Putin* editor Andrew S Natsios brings together an esteemed group of scholars to explore the complex duality of Vladimir Putin's Russia As they track Putin's rise from a former KGB officer to one of the world's most powerful leaders these essays confront an urgent global question Is Russia a declining state on an unstable foundation or is it a dangerous revisionist power The book's contributors reveal how Russia despite internal weaknesses that include a shrinking population corruption and economic dependency on volatile oil revenues has become a well armed state intent on undermining the international order Through an examination of Russia's military invasions of Ukraine its increasing reliance on cyber warfare and its internal suppression of civil liberties the authors argue that Russia's trajectory under Putin is both destabilizing and ominous Putin has tried to increase the size of the population through pronatalist policies that failed and so has resorted to annexing neighboring states like Ukraine as a solution to the demographic emergency Meanwhile Moscow has adopted an extreme right wing ultra nationalist ideology that dominates discourse among the elites As the world watches Russia's aggressive foreign policies unfold Natsios and the book's contributors illustrate how the decline of this nuclear armed state presents profound risks to global stability The essays draw comparisons to past authoritarian regimes while offering a stark warning Even a fragile power can wreak global havoc Engaging timely and thought provoking *Russia Under Putin* provides a nuanced view of a country whose ambitions will shape the twenty first century for better or worse Contributors Anders slund Alexandra Chinchilla James S Corum Lynn Corum Nicholas Eberstadt Raymond C Finch III Paul Gregory Scott Jasper Todd Lefko Andrew S Natsios Serhii Plokhyy Roger R Reese Raymond Robertson Kathryn Stoner
