S. Farrer,John Whalen-Bridge,2011-12-01 This landmark work provides a wide ranging scholarly consideration of the traditional Asian martial arts Most of the contributors to the volume are practitioners of the martial arts and all are keenly aware that these traditions now exist in a transnational context The book s cutting edge research includes ethnography and approaches from film literature performance and theater studies Three central aspects emerge from this book martial arts as embodied fantasy as a culturally embedded form of self cultivation and as a continuous process of identity formation Contributors explore several popular and highbrow cultural considerations including the career of Bruce Lee Chinese wuxia films and Don DeLillo s novel *Running Dog* Ethnographies explored describe how the social body trains in martial arts and how martial arts are constructed in transnational training Ultimately this academic study of martial arts offers a focal point for new understandings of cultural and social beliefs and of practice and agency *The Martial Arts Book* Laura Scandiffio,Nicolas Debon,2003 The history and philosophy of the various martial arts and how they have evolved to today s practice *If You Like Quentin Tarantino* Katherine Rife,2012-10-01 If You Like Quentin Tarantino draws on over 60 years of cinema history to crack the Tarantino code and teach readers to be confidently conversant in the language of the grindhouse and the drive in What fans love about director Quentin Tarantino is the infectious enthusiasm that s infused into every frame of his films And Tarantino films lend themselves exceptionally well to reference and recommendation because each itself is a dense collage of references and recommendations Spaghetti westerns blaxploitation revenge sagas car chase epics samurai cinema film noir kung fu slasher flicks war movies and today s neo exploitation explosion There s an incredible range of vibrant and singularly stylish films to discover If You Like Quentin Tarantino is an invitation to connect with a cinematic community dedicated to all things exciting outrageous and unapologetically badass **Black Belt** ,1988-09 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with
