Kurelek Country:

Kurelek Country William Kurelek, Ramsay Cook, 1999-01-01 Edited by Avrom Isaacs Born on a farm in Alberta in the 1920s William Kurelek spent his childhood and youth on the Canadian Prairies a land that he came to love in spite of the difficulties wrought by farm life Later Kurelek traveled from coast to coast and painted various parts of Canada with a distinct affection for the land and its people This delightfully illustrated volume features images from a broad spectrum of the entire country Kurelek's endearing paintings depict charming poignant and often humorous scenes from the everyday lives of Canadians from lumberjacks enjoying a hearty breakfast in Northern Ontario to families celebrating the Sabbath in Montreal His paintings also capture the landscapes of a country made up of many different parts from the rugged shores of Newfoundland to the Banff Jasper Highway that runs through the Rocky Mountains Kurelek Country is a magnificent personalized view of our nation The artist's father immigrated to Canada from the Ukraine and the Ukrainian cultural heritage figures prominently in Kurelek's work So too do other diverse cultures including the Polish and Irish in Canada Kurelek is famous for his unique depictions of the many ethnic groups who settled this country Kurelek's own passionate writings accompany the paintings which demonstrate that his art has always contained a deep spiritual message Culled from his autobiography and personal correspondence Kurelek's words add a compelling element to this collection Kurelek Country also features a foreword by the respected art dealer Avrom Isaacs who was instrumental in building the career of William Kurelek Before emerging as one of Canada's best known artists Kurelek worked as a framer at the Isaacs Gallery in Toronto to support himself and his family 1999 **William Kurelek's Huronia Mission Paintings** Michael Pomedli, 1991

Ukrainian Canadiana, 1904-1979 Ukrainian Librarians Association of Canada, University of Alberta. Canadian Institute of Ukrainian Studies, John P. Robarts Research Library, 1979 *Unnamed Country* Dick Harrison, 1977 Americans have an idea of what the Great Plains did to the people who settled there but know little about the analogous process north of the 49th parallel or how it was reflected in fiction Dick Harrison's *Unnamed Country* fills this gap Harrison traces the varying literary

responses to the Canadian prairies from the bewilderment of the first English speaking visitors who saw the country in essentially negative terms no wood no water down to the contemporary novelists who are employing sophisticated modern fictional techniques to reinterpret the whole experience from a new perspective Between these two ends of the literary continuum he finds the early writers of fiction too loaded down with what he calls excess cultural baggage brought from Britain or eastern Canada to see the country as it was the early twentieth century writers bemused by the myth of the garden who portrayed the prairies subdued and fruitful the prairie realists of the 1920s and 1930s akin to O E Rolvaag in their tragic view and their contemporaries the popular novelists who depicted the pioneering process in more affirmative tones

The Heart of Virtue Donald Demarco, 2011-04-20 This book brings to life in an inspirational and memorable way what is at the core of every true moral virtue namely love It presents twenty eight different virtues and reveals through stories that personify these virtues how love is expressed through care courage compassion faith hope justice prudence wisdom etc It is a treatment of virtue that is both unique and original It is unique in that virtues are both illustrated in story form and explained through philosophical analysis It is original in that many of the stories have never before appeared in print This book is a veritable liberal education in itself bringing together in a carefully balanced and readable manner distinguished personalities from diverse enterprises and periods of history It literally sparkles with celebrities recruited from science and the arts philosophy and theology medicine and religion stage and screen sports and entertainment But the book does not ignore the relatively unknown who provide several human interest stories that are both moving and unforgettable
