*The Last Cold-War Cowboy* James Park Sloan, 1988-07-01      **War Games** James Park Sloan, 2020-08-20 This is a wise dryly humorous and perfectly conceived novel about a man during the years of the Vietnam War The protagonist leaves college to enlist in the army and is sent to Southeast Asia He is a man curiously beset by small cares He worries about his teeth Venereal disease may cost him his combat tour so he endures it in silence His stoicism rewarded he is like a passive observer in the mire of Vietnam in bureaucracy and battle in the depths of callousness and fear When sent on a mission at last he commits the most barbarous or the most honorable act possible in the war War games honor duty reality The answers he finds surprising even to himself are revealed in a succession of events which force him toward a crisis of decision His response to the crisis may well be a definitive comment on the modern situation      Jerzy Kosinski James Park Sloan, 2020-08-16 He was hailed as one of the world's great writers and intellectuals with novels like *The Painted Bird* and *Being There* He was acclaimed as a heroic survivor and witness of the Holocaust He won high literary awards made the bestseller lists taught and lectured in prestigious universities was feted in high society and became an intimate of the rich and famous in a jet set world of glitter and glamour Then in an expose that sent shock waves throughout the intellectual community he was denounced as a C I A tool a supreme con man and a literary fraud igniting a firestorm of controversy that consumed his reputation and culminated in his headline making suicide Now this compelling biography cuts to the complex heart of the truth about the man and the myth that was Jerzy Kosinski In so doing it unfolds a story of reality and deception as fascinating as moving as painfully honest and as revelatory as the most gripping of novels With research that extends from the Poland of Kosinski's birth and early life to scrupulous examinations of every allegation against Kosinski throughout his career James Park Sloan who knew Kosinski for twenty years before his death leaves no stone unturned and no mask intact The facts of Kosinski's horrific childhood Holocaust experiences are sorted out from the fictions of *The Painted Bird* Sloan traces Kosinski's years as an emigre student at Columbia his marriage to an alcoholic American millionairess his first literary mark with anti Communist writings his award winning novels and the controversy surrounding their authorship his triumphant climb to success on an increasingly shaky stairway of half truths his compulsive sexual adventuring in New York's erotic underground his relationship with such figures as Norman Mailer Roman Polanski Henry Kissinger and others in the political and cultural limelight and the Gotterdammerung of his life and reputation when an article in the *Village Voice* cast all he had done in doubt despite his denials and his circle's support A dazzling investigation of the tantalizing mystery of an extraordinary man and the tangled roots of his artistry enriched by frank and intimate testimonies of Kosinski's widow Kiki his friends and lovers his editors and helpers his defenders and detractors Jerzy Kosinski is intriguing biography equal to its subject      **The Case History of Comrade V.** James Park Sloan, 2021-01-11 COMRADE V sits at the white console in the sparsely furnished windowless room where he is held prisoner reading the daily printout that supplies a constantly altered

version of his case history The story that emerges from the details on the printout V concurs is in many respects accurate the incredible child prodigy who became a brilliant mathematician highly respected in his own country and honored throughout the world Beyond this point V s story and that of his captors differ drastically According to V an increasing political awareness made him dangerous to a government which stripped him of his prestigious position and imprisoned him in a mental institution near the capital And now V is convinced both the daily printout and his psychiatrist are conspiring to shake his belief in his own sanity

Levi takes you on a wild ride through the heyday of aviation in Alaska from the golden years before federal regulations curbed the more dangerous and outlandish flying practices all the way to the present Through photographs and anecdotes you'll meet brave and colorful pilots the true cowboys of the sky who carved the face of America's Last Frontier **Kill Shot** Vince Flynn, 2012-08-21 Young Mitch Rapp sets out on a deadly mission to hunt down the men responsible for the Pan Am Lockerbie terrorist attack *Workers in America* Robert E. way the teenaged Winston Churchill a disappointing scholar might have been sent west to Wyoming to train as a cowboy Who knows but in time he himself might have become a rancher How then would history have turned out Another ranching Englishman played a key role in recruiting a small army of Texas gunmen to invade northern Wyoming and kill more than 40 small settlers men who had too easily been accused of being rustlers The plan went badly wrong But the Englishman had slipped away gone home on holiday It seems unlikely that Butch Cassidy was killed in a Bolivian shoot out It seems that he returned under a false name to live out his days in the West In 1935 he even submitted a autobiographical script to Hollywood only to have it rejected as being too preposterous to be believable He died two years later penniless Royal tourist visits the Colonies was the local headline In her VC 10 the Queen had flown into the small town of Sheridan in Wyoming First she took an extended walkabout along Main Street and then she holidayed for several days on a friend s ranch in the shadow of the Big Horn Mountain Tim Slessor a one time BBC producer has filmed out West for nearly 50 years In this book he picks out a selection of fascinating stories that range from the mountain men and their fur trade to the pioneers of the overland trail from Custer and the disaster at the Little Big Horn to the last stand of the Sioux at Wounded Knee from the early cow towns and the railroads to the cattle barons and the emigrant sod busters
