One of These Days Michele Sudler, 2007-06-01 Charles and Shelia have held secret crushes on each other since their teenage years but never approached each other until they see each other at the wedding of his sister and her brother This time when the opportunity presents itself Shelia is determined to make the now successful singer notice her as a woman After spending time together they realize that their attractions are still strong and they jump a little impulsively at a second chance to be together Secretly they elope rather than separate to either side of the country without validating their love Shelia however feels that she has to keep their marriage a secret from their families and convinces Charles that it is for the best Pictures of Charles and his mystery girlfriend who is wearing an expensive and exquisite diamond ring and wedding band are spread all over the cover of a national tabloid but her family doesn't realize that it's her She keeps the secret When her family finds out that she's pregnant they begin to talk about wedding bells but she holds in her guilt listens to their hints and keeps her secret However when she's leaving from her visit to Charles in New York on Valentine's Day for one of his final concerts she is involved in an automobile accident and loses the baby Charles sends a plane to Chicago for their families He goes to the hospital to see her and they have an argument because her grief was so deep for the loss And she didn't feel his was deep enough Charles leaves in a huff rushing to his own flight to begin the final leg of his tour schedule His plane crashes on take off leaving him severely hurt and unconscious Shelia is given medication after her family comes and they hear of the news After Charles surgery the doctor hears him speak of his wife in his medicated state Desperate to get to her husband Shelia finally confesses the truth to both of their families then goes to wait by her husband's side as he awakens One year later they celebrate their anniversary in the house that he built for her in the grove where they first made love where she gave him her virginity and her love He presents her with keys to her very own Mercedes Benz She presents him with a silver baby rattle

That's Life William Herrick, 1985 In *That's Life* William Herrick's view of humanity is unsparing yet compassionate He sees life as commitment to ideals friends family but no one least of all Herrick said it was

going to be easy His portraits of the members of a distinctly American family a novella five short stories and a group of five letters comprise not quite a novel but more than a collection of stories I think of it as a co operative structure the author says in which each character owns and occupies his or her own place yet it is the entire family which operates the building To simplify matters I call the book a fiction And so we learn the past and present of each of the Millers Max and Rebecca Rebecca s mother Ruth in an old folks home and the three Miller children Eli an obsessive artist Peter an amateur student of life as he bums rides across the country and teen ager Nina a not so innocent working class child away at prep school on a scholarship But we learn about them in counterpoint and mosaic as Herrick turns our attention and our allegiance first to one member of the family and then another There are few books where human weaknesses are so fully displayed and yet where human endurance and capacity for joy are so palpably present **Sex Work and Sex Workers** Barry M.
