Turk when she stumbles on the abandoned nineteenth century mill in the forgotten district of Crossfield and immediately claims it as her new arts center project Though Cody resents his cousin at first he has his own reasons for helping make Turk's dream come true But Crossfield has many secrets and a mysterious vampire army called the Mercians will do anything to make sure they stay hidden And when he takes on the Mercians everything Cody has learned about courage and determination his freshman year at Vampire High will be tested *The Horn Book Guide to Children's and Young Adult Books*, 2005 Smoking Mirror Douglas Rees, 2005 A Junior Library Guild Selection A haunting deeply affecting book Set on the island of Tahiti this story of artist Paul Gauguin and the young man he immortalized in his paintings reads like a tropical breeze easy and relaxed at first feel but hinting at dangerous storms brewing ahead Highly recommended Brent Hartinger author of *The Order of the Poison Oak* and *The Last Chance Texaco* This second book in the new Art Encounters series centers on Paul Gauguin's painting *Landscape with Peacocks* or *Matamoe* and recreates the world the artist found in Tahiti when he painted the picture in 1892 This action packed South Sea adventure is about a young sailor Joe Sloan and his mission to avenge the death of his friend Robert Joe searches for Robert's girlfriend a Tahitian girl named Tehane to deliver the sad news personally He doesn't have to go far before fate reunites him with his friend's killer the Marquesan warrior Gun and his evil master a man known as the White Wolf As Joe navigates the unknown territory of Tahiti and its people he finds an unlikely ally in French artist Paul Gauguin In the course of the story readers are introduced to Gauguin and his work the artist's relationships with the Tahitian natives and his artistic temperament Paul Gauguin in Tahiti Paul Gauguin spent his life searching for paradise a propensity that must have been set during his vagabond youth spent sailing around the world He became a painter relatively late in life with encouragement from Pissarro Cezanne and other impressionists Ever the outsider Gauguin left France and sailed for Tahiti in 1891 to escape debt and ruin as well as everything that is artificial and conventional But to his deep disappointment Tahiti was not the tropical paradise he had imagined It had been thoroughly westernized Nonetheless he settled in Papeete and created some of his finest paintings He had not found the simplicity of primitive life so he painted it in such works as *Landscape with Peacocks* or *Matamoe* Except for one visit to France he remained in the South Pacific for the rest of his life For readers 12 and up The second book in the new Art Encounters series Gauguin is frequently studied in elementary school because of the importance of his art to the post impressionist period The story is based around Gauguin's painting *Landscape with Peacocks* or *Matamoe* Pushkin Museum St Petersburg Russia
