## **Korean Childrens Day Soft:**

*The Soft Power of the Korean Wave* Youna Kim, 2021-09-05 At this fascinating historical moment this timely collection explores the new meaning of the Korean Wave and the process of media production representation distribution and consumption in a global context as a distinctive and complex form of soft power Focusing on the most recent phenomenon of Korean popular culture this book considers the Korean Wave in the global digital age and addresses the social cultural and political implications in their complexity within the contexts of global inequalities and uneven power structures The collection brings together internationally renowned scholars and regional specialists to examine this historically significant visibly growing yet under explored current phenomenon in the global digital age Drawing on a wide range of perspectives from media and communications cultural studies sociology history and anthropology and including a series of case studies from Asia the USA Europe and the Middle East it provides an empirically rich and theoretically stimulating tour of this area of study going beyond the standard Euro American view of the evolving and complex dynamics of the media today This collection is essential reading for students and scholars interested in Korean popular culture and in film media fandom and cultural industries more widely

*The Koreans* Michael Breen, 2014-05-20 The rise of South Korea is one of the most unexpected and inspirational developments of the latter part of our century A few decades ago the Koreans were an impoverished agricultural people In one generation they came out of the fields and into Silicon Valley In 1997 this powerhouse of a nation reeled and almost collapsed as a result of a weak financial system and heavily indebted conglomerates The world is now watching to see whether the Koreans will be able to reform and continue their stunning growth Although Korea has only recently found itself a part of the global stage it is a country with a rich and complex past Early history shows that Koreans had a huge influence on ancient Japan and their historic achievements include being the first culture to use metal movable type for printing books However much of their history is less positive it is marred with political violence poverty and war aspects that would sooner be forgotten by the Koreans who are trying to focus on their promising future The fact that Korean history has eluded much of the world is unfortunate but as Korea becomes more of a global player understanding and appreciation for this unique nation has become indispensable In *The Koreans* Michael Breen provides an in depth portrait of the country and its people An early overview of the nature and values of the Korean people provides the background for a more detailed examination of the complex history of the country in particular its division into the Communist north and pro Western south In this absorbing and enlightening account of the Koreans Michael Breen provides compelling insight into the history and character of this fascinating nation

*K'oria Misyŏn P'ildŭ* , 1909 **The Rough Guide to Korea** Norbert Paxton, 2008-08 Make the most of your time with *The Rough Guide to Korea* the ultimate guide to this stunning region Covering both North South Korea the full colour section introduces the countries highlights from the shrines temples and palaces of Seoul to the broad stretches of paddy field in the Chungcheong provinces With

informed accounts and unparalleled coverage clue up on all the top sights from the small coastal towns and remote forested mountains of Eastern Korea to the rich rice fields of Korea s South Western area with coverage all the islands from Jeju Island to Ulleungdo The guide takes a detailed look at Korean history culture and wildlife with expert background on everything from Korean cuisine to hiking South Korea s national parks to taking a tour in North Korea There are plenty of practical tips and information on all the best accommodation transportation including visiting North Korea from South and lively reviews of hundreds of shops restaurants bars and clubs Discover every corner of Korea with the clearest maps of any guide

**Structure, Audience and Soft Power in East Asian Pop Culture** Beng Huat Chua, 2012-03-01 East Asian pop culture can be seen as an integrated cultural economy emerging from the rise of Japanese and Korean pop culture as an influential force in the distribution and reception networks of Chinese language pop culture embedded in the ethnic Chinese diaspora Taking Singapore as a locus of pan Asian Chineseness Chua Beng Huat provides detailed analysis of the fragmented reception process of transcultural audiences and the processes of audiences formation and exercise of consumer power and engagement with national politics In an era where exercise of military power is increasingly restrained pop culture has become an important component of soft power diplomacy and transcultural collaborations in a region that is still haunted by colonization and violence The author notes that the aspirations behind national governments efforts to use popular culture is limited by the fragmented nature of audiences who respond differently to the same products by the danger of backlash from other members of the importing country s population that do not consume the popular culture products in question and by the efforts of the primary consuming country the People s Republic of China to shape products through co production strategies and other indirect modes of intervention

**The First Amerasians** Yuri W. Doolan, 2024 During the 1950s thousands of mixed race children were born to US servicemen and local Korean women in US occupied South Korea Assumed to be the progeny of camptown women or military prostitutes their presence created a major problem for the image of US democracy in the world at a time when the nation was vying for Cold War allegiances abroad As mixed race children became a discernible population around US military encampments in South Korea communists seized upon the image of those left behind by their GI fathers as evidence of US imperialism irresponsibility and immorality in the Third World Aware of this and keen to redeem the image of America s intervention in Asia US citizens spearheading the postwar recovery of recently war torn South Korea embarked upon a campaign in US Congress to bring as many of these children home By the early 1960s American philanthropists missionaries and voluntary agencies had succeeded in constructing the figure of the abandoned and mistreated Amerasian orphan to lobby US Congress for the quick passage of intercountry adoption laws They also gained the sympathies of American families eager to welcome these racially different children into the intimate confines of their homes Although the adoptions of Korean Amerasian children helped to promote an image of humanitarian rescue and Cold War racial liberalism in 1950s and 1960s America there was one other problem many of these children were not actually

orphans but had been living with their Korean mothers in the camptown communities surrounding US military bases prior to adoption. Their placements into American families relied upon dehumanizing constructions of these women as hardened prostitutes who did not even love their own children. South Korea as a backwards racist society bent up on Confucian tradition and pure bloodlines and the United States as a welcoming home in an era of intense racial segregation. *The First Amerasians* tells the powerful oftentimes heartbreaking story of how Americans created and used the concept of the Amerasian to remove thousands of mixed race children from their Korean mothers to adoptive US homes during the 1950s and 1960s. In doing so, Yuri W. Doolan reveals how the Amerasian is not simply a mixed race person fathered by a US serviceman in Asia nor a racial term used to describe individuals with one American and one Asian parent like its popular definition suggests. Rather, the Amerasian is a Cold War construct whose rescue has been utilized to repudiate accusations of US imperialism and achieve sentimental victories in the aftermath of wars not quite won by the military. From such constructions, Americans lobbied Congress twice: first in the 1950s to establish international adoption laws that would lead to the placement of hundreds of thousands of Korean children in the United States; then later in the 1980s when the plight of mixed race Koreans would be invoked again to argue for Amerasian immigration laws culminating in the migrations of tens of thousands of mixed race Vietnamese and their relatives. Beyond Cold War historiography, this book also shows how, in using the figure of the mistreated and abandoned Amerasian in need of rescue, Americans caused harm to actual people: mixed race Koreans and their mothers specifically, as children were placed into adoptive homes during an era where few regulations or safeguards existed to protect them from abuse, negligence, or racial hostilities in the US, and many Korean mothers were coerced both physically and monetarily to relinquish their children to American authorities.

**Monitored Peril** Darrell Y. Hamamoto, 1994. A meticulous work of history, cultural criticism, and political analysis, *Monitored Peril* illuminates the unstable relationship between the practices of commercial television programs, liberal democratic values, and white supremacist ideology. The book clearly demonstrates the pervasiveness of racialized discourse throughout US society, especially as it is reproduced by network television.

**Caffeinated and Cocoa Based Beverages** Alexandru Grumezescu, Alina Maria Holban, 2019-04-06. *Caffeinated and Cocoa Based Beverages*, Volume Eight in *The Science of Beverages* series, covers one of the hottest topics in the current beverage industry. This practical reference takes a broad and multidisciplinary approach on the production, processing, and engineering approaches to caffeinated drinks, highlighting their biological impact and health-related interference. The book presents evidence-based examples of the benefits of caffeinated and cocoa-based beverages and analyzes the latest trends in the industry that are essential for researchers in various fields of food and beverage development, including coverage of pharmaceuticals and the biomedical fields. Presents both functional and medicinal perspectives in beverage production. Provides potential solutions for sustainable coffee and cocoa industry. Includes novel research applications to foster research and product development.

**Korean-American Youth Identity**

**and 9/11** Heerak Christian Kim,2008 This scholarly examination specifically focuses on Korean American identity particularly in regards to Korean American youth after 9 11 The text represents an important contribution to Korean American studies     *Maangchi's Big Book of Korean Cooking* Maangchi,Martha Rose Shulman,2019 The definitive book on Korean cuisine by YouTube s Korean Julia Child and the author of Maangchi s Real Korean Cooking     *Physiology and Medicine of Hyperbaric Oxygen Therapy* Tom S. Neuman,Stephen R. Thom,2008-06-05 Written by internationally recognized leaders in hyperbaric oxygen therapy HBOT research and practice this exciting new book provides evidence based practical useful information for anyone involved in HBOT It outlines the physiologic principles that constitute the basis for understanding the clinical implications for treatment and describes recent advances and current research along with new approaches to therapy This book is an essential tool for anyone who cares for patients with difficult to heal wounds wounds from radiation therapy carbon monoxide poisoning and more Provides comprehensive coverage of pathophysiology and clinically relevant information so you can master the specialty Covers the relevance of HBOT in caring for diverse populations including critical care patients infants and pediatric patients and divers Features a section on the technical aspects of HBOT to provide insight into the technology and physics regarding HBO chambers Presents evidence to support the effectiveness of HBOT as well as the possible side effects Describes situations where HBOT would be effective through indication specific chapters on chronic wounds radiation and crush injuries decompression sickness and more     Exploring Lifespan Development Laura E. Berk,2022-07-26 Exploring Lifespan Development Fourth Edition the essentials version of Development Through the Lifespan Seventh Edition by best selling author Laura E Berk includes the same topics the same number of chapters and the same outstanding features with a focus on the most important information and a greater emphasis on practical real life applications     **Stranger in a Stranger Land: My Six Years in Korea** Brian M. Williams,2015-11-24 At his most immodest Brian would like to believe Bill Bryson would be able to recognize his influence on this book It s a humorous informative and thoughtful exploration of modern Korean culture and expat life The book is full of personal anecdotes secondhand stories and interesting facts which are all interlaced with his personal narrative Brian discusses serious topics like Korea s deeply embedded racism its 1950 s style sexism its demanding but unproductive work culture and its highly lauded but deeply flawed education system He also talks about lighter subjects like K pop the expat and Korean dating scenes its debaucherous drinking culture and why he thinks Seoul should be considered the party capital of Asia By time readers are done they ll have an understanding of how a lot of expats view Korea what some of its most significant and peculiar cultural differences are and some of the problems it s currently facing This is a must read for anyone thinking of moving there     **Routledge Handbook of Cultural and Creative Industries in Asia** Lorraine Lim,Hye-Kyung Lee,2018-12-07 Recent years have witnessed the remarkable development of the cultural and creative industries CCIs in Asia from the global popularity of the Japanese games and anime industries to Korea s film and pop music successes While CCIs in

these Asian cultural powerhouses aspire to become key players in the global cultural economy Southeast Asian countries such as Malaysia and Thailand are eager to make a strong mark in the region's cultural landscape As the first handbook on CCIs in Asia this book provides readers with a contextualized understanding of the conditions and operation of Asian CCIs Both internationalising and de Westernising our knowledge of CCIs it offers a comprehensive contribution to the field from academics practitioners and activists alike Covering 12 different societies in Asia from Japan and China to Thailand Indonesia and India the themes include State policy in shaping CCIs Cultural production inside and outside of institutional frameworks Circulation of CCIs products and consumer culture Cultural activism and independent culture Cultural heritage as an industry Presenting a detailed set of case studies this book will be an essential companion for researchers and students in the field of cultural policy cultural and creative industries media and cultural studies and Asian studies in general

**Value-Added Ingredients and Enrichments of Beverages** Alexandru Grumezescu, Alina Maria Holban, 2019-06-22

Value Added Ingredients and Enrichment of Beverages Volume Fourteen in The Science of Beverages series takes a multidisciplinary approach in addressing what consumers demand in natural beverages This in depth reference covers both natural and unnatural ingredients and explains their impact on consumer health and nutrition Sweeteners vitamins oils and other natural ingredients to improve beverages are included The book addresses some of the most common enrichments used in the industry including those with biomedical and nutritional applications This volume will be useful to anyone in the beverages industry who needs a better understanding of advances in the industry Discusses health related benefits and risks along with the potential harmful effects of additives and preservatives Provides research examples of health promoting ingredients in beverages to further research and development Presents key steps in designing formulations of enriched beverages analysis product development shelf life cost benefit ratio and compliance with WHO regulations Creating the

Capacity for Attachment Karen B. Walant, 1998-08-01 Detached alienated people many of them functioning with a pathologically developed false self barely navigate life's challenges Our cultural emphasis on autonomy and separateness has led to a retreat from valuing interpersonal communal dependence and has greatly contributed to a rise in the number of people whose suffering is often expressed in addictions and personality disorders Using actual patient material including diaries and letters Karen Walant's Creating the Capacity for Attachment shows how immersive moments in therapy moments of complete understanding between patient and therapist are powerful enough to dislodge the alienated detached self from its hiding place and enable the individual to begin incorporating his or her inner core into his or her external social self

**Zainichi Korean Women in Japan** Jackie J. Kim-Wachutka, 2018-12-07 Presenting the voices of a unique group within contemporary Japanese society Zainichi women this book provides a fresh insight into their experiences of oppression and marginalization that over time have led to liberation and empowerment Often viewed as unimportant and inconsequential these women's stories and activism are now proving to be an integral part of both the Zainichi Korean community and

Japanese society Featuring in depth interviews from 1994 to the present three generations of Zainichi Korean women those who migrated from colonial Korea before or during WWII and the Asia Pacific War and their Japan born descendants share their version of history revealing their lives as members of an ethnic minority Discovering voices within constricting patriarchal traditions the women in this book are now able to tell their history Ethnography interviews and the women s personal and creative writings offer an in depth look into their intergenerational dynamics and provide a new way of exploring the hidden inner world of migrant women and the different ways displacement affects subsequent generations This book goes beyond existing Anglophone and Japanese literatures to explore the lives of the Zainichi Korean women As such it will be invaluable to students and scholars of Japanese and Korean history culture and society as well as ethnicity and Women s Studies

*Soft Power and US Foreign Policy* Inderjeet Parmar, Michael Cox, 2010-03-12 The rise of widespread negative attitudes towards US foreign policy especially due to the war of aggression against Iraq and the subsequent military occupation of the country has brought new attention to the meaning and instruments of soft power In this edited collection an outstanding line up of contributors provides the most extensive discussion of soft power to date Soft power is the use of attraction and persuasion rather than the use of coercion or force in foreign policy It arises from the attractiveness of a country s culture political ideals and policies whereas hard power develops out of a country s military or economic might Soft Power has become part of popular political discourse since it was coined by Harvard s Joseph Nye and this volume features a brand new chapter by Nye outlining his views on soft hard and smart power and offers a critique of the Bush administration s inadequacies He then goes on to examine the challenges for the incoming US president The other contributions to the volume respond to Nye s views from a range of theoretical historical and policy perspectives giving new insights in to both soft power and the concept of power itself This is the most comprehensive and up to date analysis of this key concept in foreign affairs and is essential reading for scholars of US foreign policy public diplomacy international relations and foreign policy analysis

**Proceedings of Topical Issues in International Political Geography** Radomir Bolgov, Vadim Atnashev, Yuri Gladkiy, Art Leete, Alexey Tsyb, Sergey Pogodin, Andrei Znamenski, 2021-07-08 This proceedings book addresses the main issues of contemporary political geography and international relations providing a platform for discussion and collaboration of experts in the fields of Political Geography Geopolitics International Relations etc Participants from all over the world consider the controversies and challenges posed by globalization focusing in particular on the ideologies of globalization and regionalism migration crises prevention of ethnic conflicts and measures to promote sustainable development The content of the book may be interesting to expert community academics and popular audience

**Hegemonic Mimicry** Kyung Hyun Kim, 2021-09-13 In *Hegemonic Mimicry* Kyung Hyun Kim considers the recent global success of Korean popular culture the Korean wave of pop music cinema and television which is also known as hallyu from a transnational and transcultural perspective Using the concept of mimicry to think through hallyu s adaptation of American

sensibilities and genres he shows how the commercialization of Korean popular culture has upended the familiar dynamic of major to minor cultural influence enabling hallyu to become a dominant global cultural phenomenon At the same time its worldwide popularity has rendered its Koreanness opaque Kim argues that Korean cultural subjectivity over the past two decades is one steeped in ethnic rather than national identity Explaining how South Korea leaped over the linguistic and cultural walls surrounding a supposedly minor culture to achieve global ascendance Kim positions K pop Korean cinema and television serials and even electronics as transformative acts of reappropriation that have created a hegemonic global ethnic identity
