BLACKROSE Empowering the inner Goddess S'Roya Rose,2014-05-19 First of the BLACKROSE series of books S Roya Rose herself a Priestess of the Goddess lifts the lid and does it again with this fabulous book exposing the Goddess as a presence Not a new age ideal or a force For far too long the true essence of the Goddess has been suppressed not allowed made to feel wrong covered up and even banished Even today there are those who feel quite threatened by women in their true power especially when they are unable to be controlled or made submissive to other s needs Bringing equality into our society for women has certainly had its struggles Unfortunately even though it has improved over the centuries and especially the last 50 years it is still by no means equal Forsaken dignity and ignored divinity has now developed into insecurity and alienation within many women Loss of the divine Goddess has created a barren wasteland full of impoverished feminine spirit S Roya s passion shines a light in the darkness empowering the Sacred Feminine to rise up again
