## Kyryl Large Print:

The British National Bibliography Arthur James Wells, 1979      **In Defense of Faith** David Brog, 2011-02 Religious faith is under assault In books movies and on television secular critics are attacking religion and the religious with ever increasing intensity These new atheists typically repeat a two part mantra They claim that only an idiot could believe in God and that idiots who do so have been responsible for most of the hate and violence that have plagued humanity Abandon religion they urge and the world will finally know peace Surprisingly few books have emerged to defend faith from this onslaught Yet when it comes to this second argument the behavior of religious people in the world abstract claims can be tested by reference to objective facts In Defense of Faith examines the historical record and demonstrates that far from encouraging hate and aggression the Judeo Christian tradition has been the West's most effective curb on these dangerous defects of human nature In Defense of Faith asserts that the belief in the sanctity and equality of all humans at the core of both Judaism and Christianity what Brog calls the Judeo Christian idea has been our most effective tool in the struggle for humanity The Judeo Christian idea Brog argues has provided the intellectual foundation for human rights Even more importantly he maintains the Judeo Christian idea has repeatedly inspired the faithful to devote their lives to and often risk their lives in the fulfillment of these high ideals In Defense of Faith also convincingly demonstrates that when we abandon religion as the critics urge peace does not break out Instead we quickly revert to the most base instincts of our selfish genes Written by a Jewish author who works closely with the Christian faith community In Defense of Faith will appeal to secular and religious readers alike This book will challenge the secular to reconsider the role of religion in Western civilization It will inspire the religious to embrace a proud legacy of faith in action for the sake of humanity      *Lost Province* Stephen Henighan, 2002-11-15 Stephen Henighan billets with a family as an English teacher in Moldova a country born from the dismantling of Romania during World War II      British Books in Print, 1985      *Whitaker's Cumulative Book List*, 1984      **The Man Called Kyril** John Trenhaile, 2021-01-11 There's a mole at the top of the KGB A double agent is leaking crucial Soviet secrets to London from the heart of Moscow He must be stopped before the leak becomes a full raging meltdown The KGB director turns to Ivan Bucharensky codename Kyril to smoke him out Kyril becomes live bait for both sides The British think he's a double agent The Russians in London know Kyril must die The mole thinks Kyril suspects his identity Hunted by East and West only when the last traitor dies will Kyril know who's won the deadliest game ever played A classic Cold War espionage mole hunt from the heir apparent to le Carr Today lovingly reissued for a new audience with a brand new afterword from the author Perfect for fans of Alan Furst John le Carr and Martin Cruz Smith Praise for The Man Called Kyril Trenhaile has written a stunning and remarkable novel of treachery and betrayal brilliantly conceived Booklist Does for the KGB what le Carr does for the British Intelligence Service Philadelphia Inquirer Kept me guessing to the very end if you like Gorky Park you'll like Kyril Newsday      The Light Between Stars Dale E. **The Confessions of Al Capone** Loren D. Estleman, 2013-06-11 Multiple award winner Loren D Estleman has produced a major biographical novel on the infamous Mobster known as Scarface rigorously researched and deftly nuanced to offer an intimate portrait of the gangster whose terrible crimes and larger than life persona have both fascinated and appalled the world for nearly a century whose legacy is still widely debated and whose brutally ambitious career in the Mafia continues to inspire filmmakers and writers to plumb its excesses and its contradictions In 1944 after Al Capone has been released from prison J Edgar Hoover assigns an FBI junior agent to insinuate himself into Capone s life and gain his trust so that Hoover can nail as many of Capone s Mob confederates as possible Capone suffering from the neurological effects of syphilis is alternately lucid full of the passion and energy that fueled his rise to the pinnacle of American crime and rambling or ranting the broken shell of a man released from prison so he could die at home with his family With the superb narrative gifts honed in dozens of novels Estleman has captured the essence of this American icon as never before With subtly nuanced portrayals of those in Capone s circle his underrated wife Mae Capone members of the Chicago Outfit including the deadly Frank Nitti as well as his nemesis J Edgar Hoover Hoover s secretary Helen Gandy and others The Confessions of Al Capone is a major literary achievement At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Hearings, Reports and Prints of the Senate Committee on the Judiciary* United States.
