**Lasca And Her Pups** Percy J. Trezise, Lasca and Her Pups Percy Trezise,1991-08-01 Lasca a dingo living in the wilds of Australia must find a way to keep her new pups safe from predators The Dingo Debate Bradley Smith,2015-08-03 The Dingo Debate explores the intriguing and relatively unknown story of Australia's most controversial animal the dingo Throughout its existence the dingo has been shaped by its interactions with human societies With this as a central theme the book traces the story of the dingo from its beginnings as a semi domesticated wild dog in South east Asia to its current status as a wild Australian native animal under threat of extinction It describes how dingoes made their way to Australia their subsequent relationship with Indigenous Australians their successful adaption to the Australian landscape and their constant battle against the agricultural industry During these events the dingo has demonstrated an unparalleled intelligence and adaptable nature seen in few species The book concludes with a discussion of what the future of the dingo in Australia might look like what we can learn from our past relationship with dingoes and how this can help to allow a peaceful co existence The Dingo Debate reveals the real dingo beneath the popular stereotypes providing an account of the dingo's behaviour ecology impacts and management according to scientific and scholarly evidence rather than hearsay This book will appeal to anyone with an interest in Australian natural history wild canids and the relationship between humans and carnivores
