Encyclopedia of Human Development Neil J. Salkind, 2006 Publisher description [The Development of Children and Adolescents](#) Penny Hauser-Cram, J. Kevin Nugent, Kathleen Thies, John F. Travers, 2013-11-25 The Development of Children and Adolescents by Penny Hauser-Cram, J. Kevin Nugent, Kathleen Thies, and John F. Travers provides an integrated view of child development. Presenting the most pertinent research for each developmental stage and linking this to practical applications in the areas of Parenting Policy and Practice, this balanced approach emphasizes the relationship between research and theory and applications. The rich media program, including WileyPLUS with Real Development, promotes active learning and allows for increased understanding and comprehension of the course content. Real Development, authored by Nicole Barnes, Ph.D., Montclair State University, and Christine Hatchard, Psy.D., Monmouth University, uses authentic video showcasing real families along with activities and assessments that put students in the place of a professional to gain an understanding of key concepts. Through the combination of text and media, students are engaged in meaningful learning that deepens and enriches their understanding of developmental concepts. WileyPLUS sold separately from text.

[Accelerating Literacy for Diverse Learners](#) Socorro G. Herrera, Shabina K. Kavimandan, Della R. Perez, Stephanie Wessels, 2017 Research indicates that the culturally responsive teaching strategies outlined in this book accelerate literacy language development and academic growth for students in grades K-8, particularly for English language learners. Completely revised and updated, this bestselling resource speaks to the social-emotional needs of learners and helps teachers support each child's development of a positive self-concept. The authors present best practices aligned with reading and content standards and tools for developing academic talk and instructional conversations in the classroom. Special emphasis is placed on using student culture and language as a means for promoting meaningful relationships among communities of learners. The text includes tips for using the strategies for parental involvement, gathering knowledge of the student's background, and promoting social-emotional learning. A companion website provides new video of the strategies being used in classrooms. Accelerating Literacy for Diverse Learners provides teachers a powerful framework to guide their decision-making processes in support of their students' sociocultural, linguistic, cognitive, and academic biographies. The book presents a varied set of strategies that actively engage students in communicating, displaying, sharing, analyzing, reflecting on, and using their own understandings to develop new understandings and gain access to a high-quality curriculum.
