Holmes Redux:

The Synchrony Stratagem James Heatherly, 2024-03-27 Since Sherlock Holmes first learned of the sinister house of ruthless criminals his focus has been two fold stop the organization from accomplishing any more ruinous felonious acts and more importantly uncover the criminal genius behind the whole enterprise In a compressed timeframe and relying on his trusted companion Dr John H Watson and a cadre of colleagues Holmes was able to devise schemes to prevent the kidnapping of a family member of the English throne upend an attempt on the life of the German Emperor Kaiser Wilhelm II and stop simultaneous assassination efforts against Queen Victoria and President Carnot of France Yet despite all of these successes Holmes seemed no closer to learning who was orchestrating all this malicious activity However before Holmes could focus on identifying his foe yet another gauntlet has been thrown down in his path A cryptic telegram from his brother Mycroft calls him back to London post haste Another threat to the stability of the nation has arisen and Holmes is once again called upon to use every bit of his skill ingenuity and strategy to solve this latest mystery With every fiber of his being Holmes hopes solving this latest puzzle will finally bring him closer to learning the identity of the man with whom he has been blindly matching wits and enable him to bring that villain to justice **Holmes Redux** David Scott, 1997 The Man Who Would Be Sherlock Christopher Sandford, 2018-12-04 A world famous biographer reveals the strange relationship between Sir Arthur Conan Doyle s real life and that of Sherlock Holmes in the engrossing The Man Who Would Be Sherlock Though best known for the fictional cases of his creation Sherlock Holmes Conan Doyle was involved in dozens of real life cases solving many and zealously campaigning for justice in all Stanford thoroughly and convincingly makes the case that the details of the many events Doyle was involved in and caricatures of those involved would provide Conan Doyle the fodder for many of the adventures of the violin playing detective There can be few if any literary creations who have found such a consistent yet evolving independent life as Holmes He is a paradigm that can be endlessly changed yet always maintains an underlying consistent identity both drug addict and perfect example of the analytic mind and as Christopher Sandford demonstrates so clearly in many of these respects he mirrors his creator Escape, Escapism, Escapology John Limon, 2022-07-14 Escape Escapism Escapology American Novels of the Early Twenty First Century identifies and explores what has emerged as perhaps the central theme of 21st century American fiction the desire to escape from the commodified present from directionless history from moral death at a time of inescapable globalization The driving question is how to find an alternative to the world within the world at a time when utopian and messianic ideals have lost their power to compel belief John Limon traces the American answer to that question in the writings of some of the most important authors of the last two decades Chabon Diaz Foer Eggers Donoghue Groff Ward Saunders and Whitehead among others and finds that it always involves the faux utopian freedom and pseudo messianic salvation of childhood When contemporary novelists feature actual historical escape pervasively from slavery or Nazism it appears in their novels as escape envy or escape nostalgia as if

globalization like slavery or Nazism could be escaped in a direction from this place to another Thus the closing of the world frontier inspires a mirror messianism and utopianism that in US novels can only be rendered as a performative momentary chiasmic relationship between precocious kids and their ludic guardians Summary and Analysis of The Devil in the White City: Murder, Magic, and Madness at the Fair That Changed America Worth Books,2017-02-21 So much to read so little time This brief overview of The Devil in the White City tells you what you need to know before or after you read Erik Larsons book Crafted and edited with care Worth Books set the standard for quality and give you the tools you need to be a well informed reader This short summary and analysis of The Devil in the White City by Erik Larson includes Historical context Chapter by chapter summaries Detailed timeline of key events Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About The Devil in the White City by Erik Larson The Devil in the White City is the electrifying true story of the 1893 World s Fair in Chicago and the serial killer who used it as his hunting ground Meticulously researched and brimming with fascinating historical details Larson s bestselling book is a powerful amalgam of historical narrative and a true crime thriller The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction *Making and Unmaking of East-West Link* James C Murphy,2022-07-05 Melbourne s aborted East West Link the massive multi billion dollar inner city toll road project that promised to knit Melbourne closer together was divisive from the start Intense picketing and protests multiple court challenges breathless media coverage and bitter politicking consumed the Victorian parliament for years The link brought the downfall of the single term Baillieu Napthine Liberal government its cancellation cost the state half a billion dollars and it lives on in infamy a byword for brinkmanship waste and politicisation of infrastructure But where did this notorious megaproject come from and what explains its fate Was it a project hand picked by state premiers who miscalculated its electoral value Was it foisted on the government by cunning roads bureaucrats unprepared for the public backlash Or was it simply that opponents of the project succeeded by turning it into an election issue James C Murphy explores the saga from competing vantage points detailing the layers of politics that saturate infrastructure policymaking in Australia **Robert Downey Jr. from Brat to Icon** Erin E. Midnight in Washington Adam Schiff, 2022-08-16 1 NEW YORK TIMES BESTSELLER The vital inside account of American democracy in its darkest hour from the rise of autocracy unleashed by Trump to the January 6 insurrection and a warning that those forces remain as potent as ever from the congressman who led the first impeachment of Donald J Trump Engaging and informative a manual for how to probe and question power how to hold leaders accountable in a time of diminishing responsibility The Washington Post With a new afterword by the author In the years leading up to the election of Donald Trump Congressman Adam Schiff had already been sounding the alarm over the resurgence of autocracy around the world and the threat this posed to the United States But as he led the probe into Donald Trump's Russia and Ukraine related abuses of presidential power Schiff came to the terrible conclusion that the principal threat to American democracy now came from within In *Midnight in Washington* Schiff argues that the Trump presidency has so weakened our institutions and compromised the Republican Party that the peril will last for years requiring unprecedented vigilance against the growing and dangerous appeal of authoritarianism The congressman chronicles step by step just how our democracy was put at such risk and traces his own path to meeting the crisis from serious prosecutor to congressman with an expertise in national security and a reputation for bipartisanship to liberal lightning rod scourge of the right and archenemy of a president Schiff takes us inside his team of impeachment managers and their desperate defense of the Constitution amid the rise of a distinctly American brand of autocracy Deepening our understanding of prominent public moments Schiff reveals the private struggles the internal conflicts and the triumphs of courage that came with defending the republic against a lawless president but also the slow surrender of people that he had worked with and admired to the dangerous immorality of a president engaged in an historic betrayal of his office Schiff's fight for democracy is one of the great dramas of our time told

by the man who became the president's principal antagonist. It is a story that began with Trump but does not end with him taking us through the disastrous culmination of the presidency and Schiff's account of January 6, 2021, and how the antidemocratic forces Trump unleashed continue to define his party, making the future of democracy in America more uncertain than ever.

The Return of the Pharaoh Nicholas Meyer, 2021-11-09 In Nicholas Meyer's *The Return of the Pharaoh*, Sherlock Holmes returns in an adventure that takes him to Egypt in search of a missing nobleman, a previously undiscovered pharaoh's tomb, and a conspiracy that threatens his very life. With his international bestseller *The Seven Percent Solution*, Nicholas Meyer brought to light a previously unpublished case of Sherlock Holmes that reinvigorated the world's interest in the first consulting detective. Now many years later, Meyer is given exclusive access to Dr. Watson's unpublished journal wherein he details a previously unknown case. In 1910, Dr. John Watson travels to Egypt with his wife Juliet. Her tuberculosis has returned, and her doctor recommends a stay at a sanitarium in a dry climate. But while his wife undergoes treatment, Dr. Watson bumps into an old friend, Sherlock Holmes, in disguise and on a case. An English Duke with a penchant for Egyptology has disappeared, leading to enquiries from his wife and the Home Office. Holmes has discovered that the missing duke has indeed vanished from his lavish rooms in Cairo, and that he was on the trail of a previously undiscovered and unopened tomb. And that he's only the latest Egyptologist to die or disappear under odd circumstances. With the help of Howard Carter, Holmes and Watson are on the trail of something much bigger, more important, and more sinister than an errant lord.
