Stirling.] Andrew GRAY (Minister of the Gospel in Glasgow.),1762      **Great Preaching on the Resurrection** ,1984 Nineteen sermons on the resurrection of Christ taken from the pages of The Sword Of The Lord      **The Great Reflection** D. L. Herring,2007-10-12 Many faithful Christians go weekly to church hear the word and read it for themselves Yet few realize the truths that go unnoticed just below the surface No I am not speaking of Bible codes The Bible has been described as a chest filled with treasures Some are old and comfortable while others are new and challenging Are you a seeker of truth Then dig into The Great Reflection      Fundamentals of Evangelism Dag Heward-Mills,2016-06 The church must send or it will end This is a handy evaluation of evangelism It contains clear steps to achieving fruitfulness through evangelism Discover the biblical wisdom of winning souls This manual is an invaluable guide on how to evangelize the world Receive clear instruction on applying the keys of persistence and shamelessness in God s work and find out how to break out of comfort zones in order to reach the lost This manual presents an urgent call to evangelize the world      **Teach Me Your Word, O Lord** Terry McCraw,2014-12-02 All scriptures used are from the King James Version of the Bible Included in the book are randomly selected Bible messages from over fourteen hundred delivered by the author over the last thirty years Each message has been prayed over and written in the Spirit It is the earnest desire of the Author that these messages will inspire and touch the hearts and souls of those who read them Also included in this book are twelve dynamic but simple tips for effective bible teaching and preaching      Great Preaching on the Second Coming ,2000-08      The Dispensational-Covenantal Rift R. Todd Mangum,2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors

enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches And then as the debate traveled southward the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today
