Elias Smith,1903 *Faith* Wendell Wyman Bonner Ph.D,2022-11-01 For the believer who is serious about living in the fulness of God s glory and experiencing walking in the footsteps of God this book may help you tremendously in seeing that glory manifested in you and around you Are you yearning to tap into the profound power of God inside of you Are you desperate in desiring to completely live inside of a peace that passes all understanding If so this book may be God s message to you in how to relax and melt into it You will learn in this book that faith is a lifestyle and not just a vehicle for miracles to occur in your life Faith is a lifestyle of rest and reliance on God to do everything He has promised for His children Faith is not something that you work at having it is a gift that you just relax and let do its thing However you may not have been taught to just relax and let God If not this will help you gain intellectual insight to facilitate spiritual release to walk in heavenly places in Christ Jesus Faith empowers you but what does that look like Faith emboldens you but how will you know it Faith relaxes you but how do you rest in it Faith molds you but who and what are you becoming This book will help you with scriptural answers to these questions *Soldiers of Christ* Larissa Taylor,1992 She reconstructs popular attitudes about such issues as original sin free will purgatory the devil the sacraments and the magical arts ***Morning and Evening Meditations from the Word of God*** Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God ***Centurion Faith*** James McCurry,2021-03-11 Centurion Faith is about a growing faith hope and love in and for God The story expands on the Gospel of Luke 7 1 10 The Faith of the Centurion The quotations of Jesus and His scripture are the key points throughout the story This is what Jesus says about the centurion I tell you I have not found such great faith even in Israel Eternally speaking what does Jesus want us to learn from His words However these ten verses in Luke leave some open questions of interest Questions such as how did a Gentile enemy of the nation of Israel come to have such great faith in Jesus Why did he love the nation of Israel Why did he build a synagogue for the people of Capernaum Why was his sick servant so precious to him In that regard remember that Centurion Faith is an imagined plausible story that will fade away while the words of Jesus will never fade Seize His words for your eternity while you enjoy this moving storybook
